

## REPORT (2000) OF THE COMMITTEE ON SUBSIDIES AND COUNTERVAILING MEASURES

### I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. This Report focuses on the period since the Committee's last annual report (G/L/341), that is, 3 November 1999 – 7 November 2000 (hereinafter "the review period"). During the review period, the Committee held two regular meetings and one special meeting. Regular meetings of the Committee were held on 9-10 May 2000 (G/SCM/M/25) and 7 November 2000 (G/SCM/M/26). The special meeting was held on 20 December 1999 (G/SCM/M/22). Pursuant to the Committee's decisions at its regular meeting in October 1998, the OECD and the ACP Group were invited on an *ad hoc* basis to attend these meetings.

2. As of the beginning of the review period, Mr. Jan Söderberg (Sweden) was Chairperson, and Mr. Piotr Derwich (Poland) was Vice Chairperson, of the Committee. At its regular meeting in May 2000, the Committee elected Ms. Usha Dwarka-Canabady (Mauritius) as Chairperson, and Mr. Hiromi Yano (Japan) as Vice Chairperson, of the Committee. Pursuant to the Committee's Rules of Procedure, they took office at the end of that meeting.

### II. OBSERVERSHIP – INTERNATIONAL INTERGOVERNMENTAL ORGANIZATIONS

3. During the period of review, the Committee considered the requests for observership in the Committee of Comesa and the Gulf Organization for Industrial Consulting. The Committee decided to ask the Chairperson to conduct consultations in respect of these requests and to report back at an appropriate time.

### III. PERMANENT GROUP OF EXPERTS

4. The Committee is required by Article 24.3 of the Agreement on Subsidies and Countervailing Measures ("SCM Agreement") to establish a Permanent Group of Experts ("PGE"). The tasks assigned to the PGE by the Agreement are to provide assistance to a Panel, on request, with regard to whether a measure is a prohibited subsidy; to provide Members with confidential advisory opinions on the nature of any subsidy proposed to be introduced or currently maintained by that Member; and to provide the Committee with advisory opinions on the existence and nature of any subsidy. As of the beginning of the period under review, the members of the Permanent Group of Experts were: Mr. A.V. Ganesan; Mr. Gary Horlick; Professor R.G. Flores Junior; Dr. Marco Bronckers; and Mr. Robert Martin.

5. At its regular meeting in May 2000, the Committee elected Mr. Hyung-Jin Kim to replace Mr. Martin, whose term of office had expired in Spring 2000. As indicated in document G/SCM/28, Mr. A. V. Ganesan resigned his membership in the PGE effective 18 May 2000, in view of his appointment to the Appellate Body as of 1 June 2000. At the Committee's 7 November 2000 regular meeting, the Chairperson reported that, based on the results of the consultations that she and the Vice Chairperson had held in respect of the replacement of Mr. Ganesan, whose term of office expires in

Spring 2002, she was not in a position to make a recommendation for Mr. Ganesan's replacement. Accordingly, the Committee decided that the Chairperson and Vice Chairperson should continue their consultations and convene a special meeting of the Committee to decide this matter at an appropriate time.

#### **IV. NOTIFICATION OF SUBSIDIES**

6. 1998 new and full notifications. Pursuant to Article 25.1 of the Agreement and Article XVI:1 of GATT 1994, all Members of the Committee were required to submit a new and full notification of subsidies to the Committee by 30 June 1998. As of 7 November 2000, only 28 WTO Members<sup>1</sup> had notified subsidies pursuant to Article 25 of the Agreement and Article XVI of GATT 1994. In addition, 18 Members had notified that they maintain no subsidies notifiable pursuant to these provisions. These notifications may be found in document series G/SCM/N/38/... . Seventy-four Members had submitted no notification as of the close of the period covered by this Report. A table indicating the status of 1998 subsidy notifications is reproduced in Annex A to this Report.

7. Pursuant to the procedures agreed at its November 1999 special meeting, the Committee at its regular meeting in May 2000 reviewed the 1998 new and full notifications of notifications of Hong Kong, China and Macau, China. At its November 2000 meeting, the Committee reviewed the 1998 new and full notifications of Bolivia, Cyprus, Norway (Suppl.1) and United Arab Emirates.

8. 1997, 1999, and 2000 updating notifications. Article 25.1 of the Agreement requires that updating notifications be submitted by 30 June 1997, 30 June 1999, and 30 June 2000. As of 7 November 2000, 41 updating notifications for 1997, 33 updating notifications for 1999, and 21 updating notifications for 2000 had been received<sup>2</sup>. These notifications may be found in document series G/SCM/N/25/... , G/SCM/N/48/... , and G/SCM/N/60/... . See Annexes B and C to this Report for the status of the 1999 and 2000 updating notifications. At its regular meetings in May and November 2000, the Committee continued its review of 1997 and 1999 updating notifications and began its review of 2000 updating notifications.

9. Status report on subsidy notifications. The Secretariat circulated an updated status report on subsidy notifications in document G/SCM/26, which was discussed at the Committee's May 2000 regular meeting. A further updated version of this document (G/SCM/29) was considered at the meeting of the Working Party on Subsidy Notifications (see below).

10. Committee decisions concerning subsidy notifications. At its May 2000 regular meeting, the Committee decided, in view of the poor and declining compliance with the subsidy notification obligations, (1) that each Member with any subsidy notifications outstanding undertook to bring itself fully up to date with its notification obligations, including for the 2000 update, before the end of the summer break, and it was suggested that Members with more than one notification outstanding could make a single "best efforts" notification covering all of the time periods for which a notification was due, putting most emphasis on the most recent periods; and (2) that the Working Party on Subsidy Notifications be reconvened to seek a longer-term solution to the problem of compliance with the subsidy notification obligations, with a meeting of the Working Party to be held back-to-back with the Committee's regular meeting in November 2000 (G/SCM/27).

#### **V. WORKING PARTY ON SUBSIDY NOTIFICATIONS**

11. Pursuant to the Committee's decision, the Working Party on Subsidy Notifications met on 6 November 2000. At that meeting, two topics were discussed: (1) ways to reduce the burden of

---

<sup>1</sup>The EC is counted as one Member.

<sup>2</sup>The EC is counted as one Member.

subsidy notification while maintaining transparency; and (2) procedures for the review of the 2001 new and full notifications which will be due on 30 June 2001. It was decided that the Secretariat should circulate a questionnaire to Members concerning the specific problems that they face in making notifications. The Chairperson also would send reminders to the Members that have never notified, and would as well take the opportunity of the presence of capital-based delegations in Geneva at the time of such countries' Trade Policy Reviews in 2001 to informally raise this issue with them. The two topics will be pursued further in informal consultations and/or additional meetings of the Working Party, as appropriate, and the Working Party will again meet back-to-back with the Committee's May 2001 regular meeting.

## **VI. REVIEW OF THE OPERATION OF ARTICLES 6.1, 8 AND 9**

12. Article 31 of the Agreement provides that the provisions of paragraph 1 of Article 6 and the provisions of Article 8 and Article 9 shall apply for a period of five years, beginning with the date of entry into force of the WTO Agreement. Article 31 further provides that, not later than 180 days before the end of this period, the Committee shall review the operation of those provisions, with a view to determining whether to extend their application, either as presently drafted or in a modified form, for a further period. The Committee held a special meeting on 20 December 1999 to conclude the review under Article 31 which had commenced earlier in 1999. At that meeting, no consensus was reached by the Committee to extend those provisions, either as drafted or in modified form.

## **VII. REVIEW OF THE OPERATION OF ARTICLE 27.6**

13. Article 27.6 of the Agreement contains a provision for determining whether a developing country Member has reached export competitiveness in a product. Article 27.6 also requires the Committee to review the operation of this provision five years from the date of entry into force of the WTO Agreement. At its May 2000 regular meeting, the Committee concluded its review of this provision which had commenced at its November 1999 regular meeting, without prejudice to the possibility of reconsideration of this issue in the future should any Member so request.

## **VIII. NOTIFICATION AND EXAMINATION OF COUNTERVAILING DUTY LAWS AND/OR REGULATIONS**

14. As of 7 November 2000, pursuant to Article 32.6 and in accordance with a decision by the Committee, 84 Members<sup>3</sup> had notified the Committee of their domestic countervailing duty legislation or made communications in this respect to the Committee (G/SCM/N/1 and addenda). Thirty-nine Members had not, as yet, made notifications under Article 32.6 of the Agreement. A table indicating the status of these notifications is reproduced in Annex D to this Report.

15. During the review period, the Committee reviewed the notifications regarding countervailing duty legislation of the following Members: Argentina; Australia; Chile; Estonia; India; Kyrgyz Republic; Malaysia; Thailand; and Turkey. Written questions and answers regarding these reviews may be found in documents of the G/SCM/Q1/... series.

16. During the review period, the Committee also had before it for further review the previously-reviewed legislative notifications of the European Communities and the United States, pursuant to procedures adopted by the Committee at its joint special meeting with the Committee on Anti-Dumping Practices in April 1996.

---

<sup>3</sup>The EC is counted as one Member.

## **IX. SEMI-ANNUAL REPORTS ON COUNTERVAILING ACTIONS**

17. Notifications for 1 July-31 December 1999. As of 7 November 2000, seven Members had notified countervailing actions taken during the period 1 July-31 December 1999. Fifty-seven Members had notified the Committee that they had not taken any countervailing duty action during this period. The remaining Members had not submitted a notification. These semi-annual reports were circulated in document series G/SCM/N/56. The status of semi-annual reports is set out in Annex E to this Report.

18. Notifications for 1 January-30 June 2000. As of 7 November 2000, seven Members had notified countervailing actions taken during the period 1 January-30 June 2000. Forty-nine Members had notified the Committee that they had not taken any countervailing action during this period. The remaining Members had not submitted a notification. These semi-annual reports were circulated in document series G/SCM/N/62. The status of semi-annual reports is set out in Annex E to this Report.

19. A table summarising notifications of new countervailing duty actions taken by Members during the period 1 July 1999 - 30 June 2000 and measures in force as of 30 June 2000 is reproduced in Annex F to this Report.

## **X. REPORTS ON ALL PRELIMINARY OR FINAL COUNTERVAILING DUTY ACTIONS**

20. Pursuant to Article 25.11 of the Agreement, Members are to report to the Committee without delay all preliminary and final countervailing actions taken. Guidelines for the information to be contained in these reports are set forth in G/SCM/3. As of 7 November 2000, reports of preliminary and final countervailing actions had been received during the review period from Australia; Canada; Chile; the European Communities; Mexico; South Africa, and the United States (G/SCM/N/55, 57, 58, 59, 61, 63, 64, 65, and 66). The Committee reviewed the notifications of preliminary and final actions at its regular meetings in May and November 2000.

## **XI. OTHER MATTERS DISCUSSED BY THE COMMITTEE**

21. Other issues. During the period of review, the Committee also considered the following issue:

- Questions posed by Iceland regarding the 1999 updating notification of the European Communities.

22. Other business. During the period of review, the following items were raised under "Other Business":

- Brazil – Expiry of the countervailing measure on imports of desiccated coconut from the Philippines – Request by the Philippines;
- United States – Byrd Amendment – Request by Japan.
