

REPORT (2001) OF THE COMMITTEE ON SUBSIDIES AND COUNTERVAILING MEASURES

I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. This Report covers the period since the Committee's last annual report (G/L/408), that is, 8 November 2000-31 October 2001 (hereinafter "the review period"). During the review period, the Committee held two regular meetings and seven special meetings. Regular meetings of the Committee were held on 2-3 May (G/SCM/M/28) and 31 October 2001 (G/SCM/M/34). Special meetings were held on 9 February (G/SCM/M/27), 16 May (G/SCM/M/29), 31 May (G/SCM/M/30), 27 July (G/SCM/M/31), 28 September (G/SCM/M/32), 25 October (G/SCM/M/33), and 31 October 2001 (G/SCM/M/35). Pursuant to the Committee's decisions at its regular meeting in October 1998, the OECD and the ACP Group were invited on an *ad hoc* basis to attend these meetings.

2. As of the beginning of the review period, Ms. Usha Dwarka-Canabady (Mauritius) was Chair, and Mr. Hiromi Yano (Japan) was Vice Chair, of the Committee. At its regular meeting in May 2001, the Committee elected Mr. Remo Moretta (Australia) as Chair, and Mr. Leo Palma (Philippines) as Vice Chair, of the Committee. Pursuant to the Committee's Rules of Procedure, they took office at the end of that meeting.

II. OBSERVERSHIP – INTERNATIONAL INTERGOVERNMENTAL ORGANIZATIONS

3. During the period of review, the requests of Comesa and the Gulf Organization for Industrial Consulting for observership in the Committee remained pending. These requests are the subject of ongoing consultations among Members.

III. PERMANENT GROUP OF EXPERTS

4. The Committee is required by Article 24.3 of the Agreement on Subsidies and Countervailing Measures ("SCM Agreement" or "Agreement") to establish a Permanent Group of Experts ("PGE"). The tasks assigned to the PGE by the Agreement are to provide assistance to a Panel, on request, with regard to whether a measure is a prohibited subsidy; to provide Members with confidential advisory opinions on the nature of any subsidy proposed to be introduced or currently maintained by that Member; and to provide the Committee with advisory opinions on the existence and nature of any subsidy. As of the beginning of the period under review, the members of the Permanent Group of Experts were: Mr. Gary Horlick; Professor R.G. Flores Junior; Dr. Marco Bronckers; and Mr. Hyung-Jin Kim. There was one vacancy on the PGE to be filled, following the resignation of Mr. Ganesan effective 18 May 2000 in view of his appointment to the Appellate Body as of 1 June 2000.

5. At its 9 February 2001 special meeting, the Committee elected Prof. Okan Aktan to replace Mr. Ganesan, for the remainder of Mr. Ganesan's term of office, which expires in Spring 2002. At its

2-3 May 2001 regular meeting, the Committee elected Mr. Jorge Castro Bernieri to replace Mr. Horlick, whose term of office expired in Spring 2001.

IV. NOTIFICATION OF SUBSIDIES

6. 2001 new and full notifications. Pursuant to Article 25.1 of the Agreement and Article XVI:1 of GATT 1994, all Members of the Committee were required to submit a new and full notification of subsidies to the Committee by 30 June 2001. As of 31 October 2001, only 10 WTO Members¹ had notified subsidies pursuant to Article 25 of the Agreement and Article XVI of GATT 1994. In addition, 13 Members had notified that they maintain no subsidies notifiable pursuant to these provisions. These notifications may be found in document series G/SCM/N/71/... . 104 Members had submitted no notification as of the close of the period covered by this Report. A table indicating the status of 2001 subsidy notifications is reproduced in Annex A to this Report.

7. Pursuant to the procedures agreed at its 2-3 May regular meeting, the Committee held a special meeting on 31 October 2001 to review 2001 new and full notifications. At that meeting, the Committee reviewed the notifications of Cuba; Gabon; Hong Kong, China; Macao, China; Oman; Switzerland; Thailand; and Tunisia. The review of the notifications of Paraguay and Zimbabwe, which were on the agenda for review at that meeting, could not be conducted as no answers were provided in writing or orally to the written questions that had been posed. The review of these notifications thus was deferred to the Committee's next special meeting to review 2001 new and full notifications, which will be held back-to-back with the Committee's regular meeting in spring 2002.

8. 1997, 1999, and 2000 updating notifications, and 1998 new and full notifications. Article 25.1 of the Agreement requires that updating notifications were to be submitted by 30 June 1997, 30 June 1999, and 30 June 2000, and that new and full notifications were to be submitted by 30 June 1998. As of 31 October 2001, 44 updating notifications for 1997, 43 updating notifications for 1999, and 35 updating notifications for 2000 had been received², as well as 50 new and full notifications for 1998. These notifications may be found in document series G/SCM/N/25/..., G/SCM/N/48/..., and G/SCM/N/60/..., and G/SCM/N/38/..., respectively. See Annexes B and C to this Report for the status of the 1999 and 2000 updating notifications. At its regular meetings in May and October 2001, the Committee continued its review of 1997, 1999, and 2000 updating notifications, and 1998 new and full notifications.

9. Status report on subsidy notifications. The Secretariat circulated an updated status report on subsidy notifications in document G/SCM/37, which was considered at the meeting of the Working Party on Subsidy Notifications on 30 October 2001 (see below).

10. Committee decisions concerning subsidy notifications. At its regular meeting of 2-3 May 2001, the Committee adopted procedures for the review of 2001 new and full notifications (G/SCM/W/441). At its special meeting of 31 May 2001 (G/SCM/M/30), the Committee requested the Working Party on Subsidy Notifications to review the subsidy notification format in G/SCM/6, with a view to identifying means to facilitate the presentational aspects of the required information. The Committee also requested the Secretariat to look into organizing a subsidy notification seminar in Geneva, back-to-back with the spring 2002 regular meeting, and to report back to the Committee at the earliest possible date on all practical and financial aspects of the seminar on notifications. The Committee also took note of the Chair's statement concerning Members' views that their resources would be best utilised by giving maximum priority to submitting new and full notifications every two years, and by de-emphasising the review of annual updating notifications.

V. WORKING PARTY ON SUBSIDY NOTIFICATIONS

11. The Working Party on Subsidy Notifications met on 2 April and 1 May 2001 to discuss the following two topics: (i) ways to reduce the burden of subsidy notification while maintaining transparency; and (ii) procedures for the review of the 2001 new and full notifications which were due on 30 June 2001. As indicated above, these topics were pursued in the Committee's formal meetings held on 9 February 2001 (G/SCM/M/27), 2-3 May 2001 (G/SCM/M/28), 16 May 2001 (G/SCM/M/29), and 31 May 2001 (G/SCM/M/30). The Working Party also met on 30 October 2001 to discuss the Committee's request to the Working Party to consider ways to simplify the presentational aspects of subsidy notifications (G/SCM/6); and the Committee's request to the Secretariat to explore the possibilities for holding a subsidy notification seminar back-to-back with the Spring 2002 regular meeting of the Committee. At the Committee's regular meeting of 31 October 2001 (G/SCM/M/34), the Chairman presented a report on the 30 October 2001 meeting of the Working Party.

VI. NOTIFICATION AND EXAMINATION OF COUNTERVAILING DUTY LAWS AND/OR REGULATIONS

12. As of 31 October 2001, pursuant to Article 32.6 and in accordance with a decision by the Committee, 88 Members³ had notified the Committee of their domestic countervailing duty legislation or made communications in this respect to the Committee (G/SCM/N/1 and addenda). 39 Members had not, as yet, made notifications under Article 32.6 of the Agreement. A table indicating the status of these notifications is reproduced in Annex D to this Report.

13. During the review period, the Committee reviewed the notifications regarding countervailing duty legislation of the following Members: At the Committee meeting of May 2001, Canada; Ecuador; Jordan; Latvia; Morocco; Mexico; Peru; and Tunisia; and at the Committee meeting of October-November 2001, Burundi; Croatia; Korea; and Oman. Written questions and answers regarding these reviews may be found in documents of the G/SCM/Q1/... series.

14. During the review period, pursuant to procedures adopted by the Committee at its joint special meeting with the Committee on Anti-Dumping Practices in April 1996, the Committee also had before it for further review the previously-reviewed legislative notifications of the following Members: At the Committee meeting of May 2001, Chile; and Malaysia. No previously-reviewed legislative notifications were on the agenda for further review at the Committee meeting of October-November 2001.

VII. SEMI-ANNUAL REPORTS ON COUNTERVAILING ACTIONS

15. Notifications for 1 July-31 December 2000. As of 31 October 2001, 7 Members had notified countervailing actions taken during the period 1 July-31 December 2000. 55 Members had notified the Committee that they had not taken any countervailing duty action during this period. Of the remaining Members, 61 had not submitted a notification, and 4 were not subject to the notification obligation for that period. These semi-annual reports were circulated in document series G/SCM/N/68. The status of semi-annual reports is set out in Annex E to this Report.

16. Notifications for 1 January-30 June 2001. As of 31 October 2001, 7 Members had notified countervailing actions taken during the period 1 January-30 June 2001. 43 Members had notified the Committee that they had not taken any countervailing action during this period. Of the remaining Members, 75 had not submitted a notification, and 2 were not subject to the notification obligation for

that period. These semi-annual reports were circulated in document series G/SCM/N/75. The status of semi-annual reports is set out in Annex E to this Report.

17. A table summarizing notifications of new countervailing duty actions taken by Members during the period 1 July 2000-30 June 2001 and measures in force as of 30 June 2001 is reproduced in Annex F to this Report.

VIII. REPORTS ON ALL PRELIMINARY OR FINAL COUNTERVAILING DUTY ACTIONS

18. Pursuant to Article 25.11 of the Agreement, Members are to report to the Committee without delay all preliminary and final countervailing actions taken. Guidelines for the information to be contained in these reports are set forth in G/SCM/3. As of 31 October 2001, reports of preliminary and final countervailing actions had been received during the review period from Argentina; Australia; Canada; the European Communities; Peru; South Africa; and the United States (G/SCM/N/67, 69, 70, 72, 73, 76, 77, and 78). The Committee reviewed the notifications of preliminary and final actions at its regular meetings in May and October 2001.

IX. IMPLEMENTATION-RELATED ISSUES REFERRED TO THE COMMITTEE BY THE GENERAL COUNCIL

19. In its decision of 15 December 2000, the General Council referred to the Committee the following three issues: (i) all issues related to Articles 27.5 and 27.6 of the SCM Agreement, including the possibility to establish export competitiveness on the basis of a period longer than three years; and (ii) and (iii) the issues of aggregate and generalised rates of remission of import duties; and of the definition of "inputs consumed in the production process", taking into account the particular needs of developing countries.

20. On 9 February 2001, the Committee adopted procedures for its consideration of these issues (G/SCM/30), including that the Committee would direct the Chair to provide an interim report to the General Council with a view to concluding work by 31 July 2001. In addition to its 9 February 2001 special meeting to adopt procedures, the Committee met in informal session to discuss the substance of the referred issues on 2 April, 1 May, 31 May, 22 June, and 20 July 2001, and in formal session on 27 July 2001. The Chair submitted a report (G/SCM/34) to the General Council on 31 July 2001 covering the Committee's activities on the referred issues up to that point.

21. At the 31 July 2001 informal meeting of the General Council, the Chair of the General Council indicated his intention to request that the SCM Committee take up two further issues, and report back to the General Council by 30 September 2001. This request was conveyed to the Chair of the SCM Committee in a communication of 2 August 2001 from the Chair of the General Council. The two further issues were: (i) a review of the provisions of the SCM Agreement regarding countervailing duty investigations; and (ii) the implementation of Article 27 of the SCM Agreement as it relates to particular issues concerning developing country Members with a small percentage share of exports in import markets and in global trade.

22. The SCM Committee had agreed at its meeting of 27 July 2001 that any new referrals that it might receive from the General Council would be considered using the same basic procedures as had been followed for the referrals of December 2000. Following the 2 August referrals, new proposals were received from El Salvador and Jamaica in respect of the issue of developing country Members with a small share of trade, and from India and Brazil in respect of countervailing duty procedures.

23. The Committee met on 11, 18, and 28 September 2001 in informal session, and on 28 September 2001 in formal session, to discuss the substance of the two new referred issues, and to

continue work on the referrals of 15 December 2000. At its formal meeting of 28 September 2001, the Committee agreed on a work plan of meetings and consultations that it would pursue through 26 October 2001, in the event that the General Council decided to extend the Committee's mandate in respect of the implementation-related issues referred to it. The Chair submitted a report (G/SCM/36) to the General Council on 30 September 2001 covering the Committee's activities on the referred issues between 1 August 2001 and 30 September 2001.

24. By letter dated 3 October 2001, the Chair of the General Council indicated to the Committee Chair that it would be very useful to the General Council's ongoing process on implementation for the Committee to continue to work, through 26 October 2001, on the issues that had been referred to it, with the Committee Chair making a further report on these matters on 26 October 2001. Accordingly, and on the basis of its previously-agreed work plan, the Committee met in informal session on 12 and 25 October 2001, and in formal session on 25 October 2001, to continue its consideration of the referrals.

25. On 15 October 2001, the Chair of the General Council sent a letter to the Committee Chair, requesting that the Committee take up the question of precisely how and by whom the calculation of constant 1990 dollars, referred to in a proposal in the *Draft Decision on Implementation-Related Issues and Concerns* (Job(01)/139) regarding the calculation of GNP per capita for the purposes of Annex VII(b) of the SCM Agreement, could be performed. The Chair of the General Council requested that the Committee Chair report to the General Council on this matter on 26 October 2001. This issue was considered by the Committee and included in the Committee Chair's 26 October 2001 report (See below).

26. The Chair of the Committee submitted a report (G/SCM/38) to the General Council on 26 October 2001 covering the Committee's activities on the referred issues between 1 and 25 October 2001.

X. REQUESTS FOR EXTENSION OF THE TRANSITION PERIOD FOR EXPORT SUBSIDIES PURSUANT TO ARTICLE 27.4

27. At its 2-3 May 2001 regular meeting, the Committee took note (under "other business") of a request from Papua New Guinea for an extension of the transition period for export subsidies pursuant to Article 27.4 (G/SCM/N/74/PNG), which was dated 27 April 2001 and thus was not received in time to be placed on the agenda for consideration at that meeting. Papua New Guinea's request was considered by the Committee at its regular meeting of 31 October 2001. Papua New Guinea was not represented at the meeting. The Committee decided to defer its consideration of this request to 2002.

XI. OTHER MATTERS DISCUSSED BY THE COMMITTEE

28. Other issues. During the period of review, the Committee also considered the following issue:

- Export credits – Request by Brazil;
- Financial support by the Government of Korea for Hyundai Electronics – Request by the United States;
- Implementation-related issues referred to the Committee in the decision of the General Council of 15 December 2000 and at the request of the Chair of the General Council on 2 August and 15 October 2001 – Reports by the Committee Chair on the Committee's informal meetings; and

- Financial support by the Government of Korea for Hynix Semiconductor, Inc. – Request by the European Communities and the United States.

29. Other business. During the period of review, the following items were raised under "Other business":

- US countervailing duty investigation of softwood lumber – Request by Canada;
- Reporting by the Committee to the Council for Trade in Goods in connection with the Fourth Ministerial Conference – Statement by the Committee Chair;
- Communication from the OECD – Statement by the Committee Chair; and
- Request from Papua New Guinea for an extension of the transition period for export subsidies pursuant to Article 27.4 – Statement by the Committee Chair (see above).
