

REPORT (2000) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. The Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. With respect to international intergovernmental organizations, the International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the OECD is invited to attend meetings on an *ad hoc* basis, and has full access to documents relevant to the Committee's work, subject to objection by a Member in particular cases. Also pursuant to a decision of the Committee in October 1998, the ACP Group is invited to attend meetings on an *ad hoc* basis pending the outcome of horizontal consultations with respect to the ACP Group's requests for Observership in various WTO bodies. The Committee received requests for Observer status from the Common Market for Eastern and Southern Africa (COMESA) and the Gulf Organization for Industrial Consulting during the review period, which are the subject of on-going consultations among Members.

3. The focus of this report is on the period since the Committee's last annual report (G/L/340), that is, 29 October 1999 – 3 November 2000 (hereinafter "the review period"). During the review period, the Committee held two regular meetings, on 4-5 May 2000 and 2-3 November 2000 (G/ADP/M/16 and G/ADP/M/17 respectively).

4. As of the beginning of the review period, Mr. Milan Hovorka (Czech Republic) was Chairman, and Mr. Roberto Azevedo (Brazil) was Vice-Chairman of the Committee. The Committee's rules of procedure called for the election of officers to take place at the first regular meeting of the year, which was the May 2000 meeting, to take effect at the end of the meeting. At that meeting, the Chairman noted that the consultations on officers for subsidiary bodies of the Council for Trade in Goods, including the Committee, had not yet been completed. In the interim, the CTG had decided that, until the consultations were completed, the current Chairmen would continue in their functions for one more meeting of their respective bodies. Therefore, in keeping with the spirit of the CTG's decision, the Committee as an extraordinary measure, extended the term of the then current Chairman and Vice Chairman, Mr. Milan Hovorka and Mr Roberto Azevedo, until the next meeting of the Committee. The Committee at its regular meeting in November 2000 elected Mr. Yair Shiran of Israel as its Chairman and Miss Sahar Hosni Abdelaziz of Egypt as its Vice-Chairperson. Pursuant to the Committee's Rules of Procedure, they took office at the end of that meeting.

II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. The Committee decided, at its special meeting of 21 February 1995, that all Members which had new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement would notify the full and integrated text of such legislation and/or regulations to the Committee by 15 March 1995. If such legislation and/or regulations did not exist or were not available, the Member would inform the Committee of this fact. The Committee also decided that Observer governments should provide the Committee the text of their laws and regulations regarding anti-dumping duties.

6. As of 3 November 2000, 88 Members had notified the Committee regarding their domestic anti-dumping legislation.¹ Of these 88 Members, 24 had notified the Committee that they had no anti-dumping legislation. Members' communications in this regard can be found in document series G/ADP/N/1/... . 36 Members had not, as yet, made any notification under Article 18.5 of the Agreement. Annex A sets out the status of notifications concerning legislation under Article 18.5 of the Agreement. The Chairman expressed continuing concern over the failure of some Members to submit the required notification concerning legislation, and added that for many of those Members, it was likely that a single nil notification would suffice. He encouraged Members who had not yet done so to make this notification promptly.

7. During the review period, the Committee reviewed new notifications regarding anti-dumping laws and/or regulations submitted by the following Members: Argentina, Australia, Chile, Estonia, India, Kyrgyz Republic, Malaysia, Thailand and Turkey. Written questions and answers regarding these reviews may be found in documents of the G/ADP/Q1/... series.

8. In addition to review of new notifications, during the review period the Committee undertook further review of notifications of legislation previously reviewed. Written questions and answers concerning the notifications of the European Communities and the United States were considered at the Committee's meetings in May and November 2000. Those questions and answers may also be found in documents of the G/ADP/Q1/... series.

III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS TAKEN BY MEMBERS

9. **Semi-annual reports for the period 1 July-31 December 1999.** As of 3 November 2000, semi-annual reports of actions taken during this period had been submitted by 26 Members. 36 Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining Members required to do so had not submitted a notification in this regard. At the Committee's regular meeting in April, the Chairman expressed great concern about the poor status of notifications. Members who had not already done so were strongly urged to submit these reports. The semi-annual reports were circulated in document series G/ADP/N/59/... . The status of semi-annual reports is set out in Annex B.

10. **Semi-annual reports for the period 1 January-30 June 2000.** As of 3 November 2000, semi-annual reports of actions taken during this period had been submitted by 28 Members. 27 Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining Members required to do so had not submitted a notification in this regard. At the Committee's regular meeting in October, the Chairman again expressed great concern about the poor status of notifications, particularly since for many if not most Members failing to notify, a simple notification of no actions taken would suffice. Members who had not already done so were strongly

¹In this report, the EC is counted as one Member.

urged to submit these reports. The semi-annual reports were circulated in document series G/ADP/N/65/... . The status of semi-annual reports is set out in Annex B.

11. A Table summarizing anti-dumping actions taken by Members and reported in their semi-annual reports during the period 1 July 1999 -30 June 2000 is reproduced in Annex C to this report.

IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

12. Pursuant to Article 16.4 of the Agreement, Members are to report without delay to the Committee all preliminary and final anti-dumping actions taken. Reports of preliminary and final anti-dumping actions during the period under consideration were received from Argentina, Australia, Canada, Ecuador, Egypt, the European Communities, India, Israel, Korea, Malaysia, Mexico, New Zealand, Paraguay, Trinidad & Tobago, Turkey, South Africa and the United States, as indicated in documents G/ADP/N/57, G/ADP/N/58, G/ADP/N/60, G/ADP/N/61, G/ADP/N/62, G/ADP/N/63, G/ADP/N/64, G/ADP/N/66, G/ADP/N/67, G/ADP/N/68 and G/ADP/N/69 & Add.1. The Committee reviewed the notifications of preliminary and final actions at its regular meetings in May and November 2000.

V. OTHER MATTERS

13. **Ad Hoc Group on Implementation:** The Ad Hoc Group on Implementation held two working meetings during the period under review, in May and October-November 2000. At its meetings in May and October-November 2000, the Group continued its discussion of the six topics referred to it by the Committee in April 1999.² The Group also considered two draft recommendations, on the period of data collection for anti-dumping investigations and the contents of preliminary affirmative determinations. The Group reached a consensus on the text of the draft recommendation on the periods of data collection in May 2000. The recommendation was subsequently adopted by the Committee at its meeting on 4-5 May 2000 and circulated as document G/ADP/6. No agreement was reached on the draft recommendation concerning the contents of preliminary affirmative determinations, but the Group had useful discussions concerning this draft recommendation at both its May and October-November meetings, and progress was made toward reaching consensus on a number of aspects. Members agreed to continue consideration of the draft recommendation based on discussions at the October-November meeting. The Chairman expressed his satisfaction with the continued high level of participation by Members, and particularly by the presence and participation of experts from Members' capitals.

14. **Informal Group on Anti-Circumvention:** The Informal Group on Anti-Circumvention met twice during the period under review, in May and November 2000. The Informal Group continued its discussions on the first and second item of the agreed framework, *i.e.*, "what constitutes circumvention" and "what is being done by Members confronted with what they consider to be circumvention". Members conducted the discussions based on papers submitted and further statements at the meetings.

15. **Agenda items requested by Members:** During the review period, the Committee took note of statements concerning the following specific items placed on the agenda at the request of Members:

- Apparent failure of members to notify all preliminary and final anti-dumping actions
 - item requested by the European Communities.

² The six topics were: practical issues and experience in applying Article 2.4.2, termination of investigations under Article 5.8 in cases of *de minimis* import volume, practical issues and experience in cases involving cumulation under Article 3.3, practical issues and experience with respect to questionnaires and requests for information under Articles 6.1 and 6.1.1, practical issues and experience in providing opportunities for industrial users and consumer organizations to provide information under Article 6.12, and practical issues and experience in conducting "new shipper" reviews under Article 9.5. G/ADP/W/410.

- Mexico – application of a provisional anti-dumping measure on electric transformers above 10,000 KVA – item requested by Brazil.

16. **Other Business:** During the review period, the Committee noted statements regarding the following items under the agenda item "Other Business":

- Canada - Anti-dumping investigation on steel reinforcing bars from Cuba.
- United States - Byrd Amendment
- European Communities - anti-dumping practices on Indonesian polyester synthetic fiber (PSF)
- Brazil - anti-dumping investigation into milk imports from Argentina, Australia, New Zealand, European Union and Uruguay
- UNCTAD (speaking as observer) - announcement concerning experts meeting on impact of anti-dumping and countervailing duty measures, 4-6 December 2000
