

REPORT (2018) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

(ADOPTED 24 OCTOBER 2018)

1 ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of GATT 1994 ("the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices ("the Committee") established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the ACP Group and the OECD are invited to attend meetings on an *ad hoc* basis. Requests for Observer status from the Common Market for Eastern and Southern Africa and the Gulf Organization for Industrial Consulting are under consideration by Members.

3. This report covers the period 25 October 2017-24 October 2018 ("the review period"). During the review period, the Committee held two regular meetings, on 25 April and 24 October 2018 (G/ADP/M/54 and G/ADP/M/55, respectively).

4. As of the beginning of the review period, Mr Faisal Al Nabhani (Oman) was Chair and Mr Bruno Raphael Hässig (Switzerland) was Vice-Chair of the Committee. At the meeting held on 25 April 2018, the Committee elected Ms Karine Mahjoubi Erikstein (Norway) as Chair and Mrs Shani Griffith-Jack (Barbados) as Vice-Chair.

2 NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Pursuant to Article 18.5 of the Agreement and a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are also to be notified. If a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 24 October 2018, 80 Members had notified their anti-dumping legislation¹, while 38 Members had notified that they had no such legislation. These notifications can be found in document series G/ADP/N/1/.... Eighteen Members had not, as of the end of the review period, made any notification of anti-dumping legislation. Annex A sets out the status of notifications under Article 18.5, and the reference symbol(s) of the document(s) containing each Member's current notification.

7. During the review period, the Committee reviewed new notifications of legislation submitted by the following Members: Afghanistan; Australia; Brazil; Cambodia; Canada; China; European Union; Japan; Chinese Taipei and Liberia. Pending written questions posed to the legislative notifications of Cameroon; El Salvador; India and New Zealand remained on the agenda of the April meeting, while pending written questions posed to the legislative notifications of Cameroon, El Salvador, the

¹ The European Union is counted as one Member.

European Union and Liberia remained on the agenda of the October meeting. Written questions and answers regarding legislative notifications can be found in document series G/ADP/Q1/....

3 SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS PURSUANT TO ARTICLE 16.4

8. With respect to the semi-annual reports for the period 1 July-31 December 2017, as of 24 October 2018, 44 Members² had notified the Committee of anti-dumping actions taken during this period. Nineteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Thirteen Members that notified competent authorities and 11 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/308/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting.

9. With respect to the semi-annual reports for the period 1 January-30 June 2018, as of 24 October 2018, 40 Members had notified the Committee of anti-dumping actions taken during this period.³ Fifteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Twenty-one Members that notified competent authorities and 11 Members that did not notify competent authorities had not submitted notifications in this regard. These semi-annual reports were circulated in document series G/ADP/N/314/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting.

10. As of 24 October 2018, 49 Members had submitted a one-time notification pursuant to Articles 16.4 and 16.5.⁴

11. At the Committee's meetings in April and October 2018, the Chairs strongly urged Members that had not submitted reports of actions taken, nil returns or one-time notifications, to submit these notifications.

12. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2017-30 June 2018 is reproduced in Annex C to this report.

4 REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

13. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the review period were received from Argentina; Armenia; Australia; Brazil; Canada; China; Dominican Republic; Egypt; El Salvador; European Union; India; Indonesia; Israel; Japan; Kazakhstan; Korea, Republic of; Kyrgyz Republic; Mexico; Morocco; New Zealand; Pakistan; Paraguay; Peru; Russian Federation; South Africa; Chinese Taipei; Turkey; Ukraine and the United States as indicated in documents G/ADP/N/306, G/ADP/N/307, G/ADP/N/309, G/ADP/N/310, G/ADP/N/311, G/ADP/N/312, G/ADP/N/313, G/ADP/N/315, G/ADP/N/316, G/ADP/N/317, G/ADP/N/318 and G/ADP/N/319.

14. The Committee reviewed the notifications of preliminary and final actions at its meetings in April and October 2018. Questions raised concerning these reports can be found in the minutes of the meetings and in document series G/ADP/Q2/.... At these meetings, the Chairs drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final actions had not submitted ad hoc notifications of preliminary or final actions taken. The Chairs highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled that the revised minimum information format that had been adopted by the Committee in October 2006⁵ and revised in October 2009⁶ clarified the kinds of actions to be notified and the information to be submitted.

² The European Union is counted as one Member.

³ The European Union is counted as one Member.

⁴ Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2009. Members' notifications in this regard can be found in document G/ADP/N/193 series.

⁵ G/ADP/2/Rev.1.

⁶ G/ADP/2/Rev.2.

A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

15. The Chairs also reiterated the importance of submitting these notifications, as in the case of all other notifications, to the WTO Centre for Registration and Notification with a copy to the Secretary of the Committee. Members were also requested not to resubmit previously submitted notifications and to verify the electronic web-links included in such notifications.

5 WORKING GROUP ON IMPLEMENTATION

16. The Working Group on Implementation held two meetings during the review period, back-to-back with the Committee's regular meetings in April and October 2018.

17. At its meeting in April 2018, the Group discussed two dumping-related issues: the determination of costs and profits in dumping margin calculations and the methodologies for calculating the export price. Ms Carina Janse van Vuuren of South Africa, serving as discussant for the meeting, had circulated an outline of issues in advance of the meeting in document RD/ADP/WGI/11 to assist delegations in their work.

18. At its meeting in October 2018, the topics for discussion were (i) Methodologies to determine the likelihood of continuation or recurrence of dumping and injury in sunset reviews; and (ii) Institutional Structures of the investigating authorities. Ms Carina Janse Van Vuuren of South Africa, serving as discussant for the meeting, had circulated an outline of issues for discussion in advance of the meeting in document RD/ADP/WGI/12 to assist delegations in their work.

19. The Chairs encouraged all delegations to actively participate in this informal, non-attributable discussion, so that Members would continue to learn from each other about their respective practices in this area.

6 INFORMAL GROUP ON ANTI-CIRCUMVENTION

20. The Informal Group on Anti-Circumvention held two meetings during the review period, back-to-back with the Committee's regular meetings in April and October 2018.

21. At its meeting in April 2018, India provided a detailed explanation of its provisions and practice of anti-circumvention investigations. India shared with the Group the two cases conducted in February and August 2017. Members posed questions and made comments.

22. At its meeting in October 2018, Canada provided a detailed presentation of its new anti-circumvention proceeding. Members posed questions and made comments. Australia has also indicated its intention to share its experience regarding the conduct of its anti-circumvention investigations at the April 2019 meeting of the Group.

7 OTHER ITEMS DISCUSSED BY THE COMMITTEE

7.1 At the April 2018 meeting

23. None were raised.

7.2 At the October 2018 meeting

24. None were raised.

8 OTHER BUSINESS

8.1 At the April 2018 meeting

25. Peru made a statement regarding **Brazil's** investigation on imports of biaxially-oriented polyethylene terephthalate (PET) from Peru and Bahrain; Kingdom of. Brazil provided its comments in this respect.

8.2 At the October 2018 meeting

26. The Chair encouraged Members that had issues to raise with other Members under other business to provide sufficient notice to the Member concerned prior to the meeting in order to ensure that an answer could be provided at the meeting.

27. The Chair made a brief statement regarding the dissemination of documents to delegations.

ANNEX A**ANTI-DUMPING LEGISLATION NOTIFICATIONS
AS AT 24 OCTOBER 2018**

Key: * = Notification of no anti-dumping legislation.
None = No notification submitted.

⁶ Member of the Southern African Customs Union ("SACU"). Therefore, all anti-dumping actions notified by South Africa operate at the level of the SACU, i.e. also in respect of Botswana, Eswatini, Lesotho and Namibia.

⁷ All Actions taken at the level of the EAEU are counted as one.

⁸ All Actions taken at the level of the GCC are counted as one.

⁹ All Actions taken at the level of the SACU are counted as one.

ANNEX E

COMPILATION OF THE INFORMATION REPORTED BY MEMBERS IN RESPECT OF THE MANNER IN WHICH THE OBLIGATIONS OF ARTICLE 15 OF THE AD AGREEMENT HAVE BEEN FULFILLED¹ AS AT 24 OCTOBER 2018

South Africa

Excerpted from documents G/ADP/N/308/ZAF, page 4 and G/ADP/N/314/ZAF, page 5:

Basis for determination codes:

LDC Treatment having regard to Article 15 of the Agreement and the Decisions of the Committee.

United States

Excerpted from documents G/ADP/N/308/USA, page 9 and G/ADP/N/314/USA, page 12:

"For all investigations to which Article 15 applies, the Department of Commerce provided respondent companies an opportunity to explore the possibilities of price undertakings with the Department. The Department provided this opportunity to all developing country Members without prejudice to whether the Member's essential interests were affected. During the reporting period, several respondent companies took advantage of this opportunity."

¹ Pursuant to the recommendation in G/ADP/9, adopted by the Committee on 27 November 2002.
