

## REPORT (2012) OF THE COMMITTEE ON SAFEGUARDS TO THE COUNCIL FOR TRADE IN GOODS

### I. GENERAL

1. The Committee on Safeguards performs the functions set out in Article 13 of the Agreement on Safeguards. This report is submitted in accordance with Article 13.1(a) of the Agreement, which requires the Committee to report annually to the Council for Trade in Goods on the general implementation of the Agreement. The report covers the period 28 October 2011 – 22 October 2012 ("period under review").

2. During the period under review, the Committee held two regular meetings, on 27 April 2012 (G/SG/M/41) and 22 October 2012 (G/SG/M/42), and two informal meetings, on 3 February and 16 April 2012.

3. Observer governments in the General Council of the WTO have observer status in the Committee. Pursuant to their Agreements with the WTO, the IMF and the World Bank have observer status in the Committee as well. UNCTAD has observer status through a Committee decision. At its regular meetings in 1998, the Committee decided to invite the ACP Group and the OECD to attend Committee meetings on an *ad hoc* basis.

4. At its April 2012 meeting, the Committee re-elected Ms Lillian Sali Bwalya as Chairperson, and at its October 2012 meeting, the Committee re-elected Ms Tomoko Ota as Vice-Chairperson.

### II. NOTIFICATION AND EXAMINATION OF SAFEGUARDS LAWS AND/OR REGULATIONS OF MEMBERS

5. During the period under review, the Committee continued its review of notifications under Article 12.6 of the Agreement concerning national legislation and/or regulations in the area of safeguards. For Members with such legislation and/or regulations, these notifications consist of the full and integrated text thereof. For Members without such legislation and/or regulations, these notifications inform the Committee of this fact.

6. As of 22 October 2012, one hundred and two (102) Members had notified the Committee of their safeguards legislation and/or regulations or made communications in this regard to the Committee (G/SG/N/1/... series; see Annex 1). Twenty-eight (28) Members had not as of that date made such a notification. The Chairperson reminded the Committee of the importance of such notifications (G/SG/M/41 and G/SG/M/42).

7. During the period under review, the Committee reviewed the notified (new or amended) legislative texts of the following Members: Ecuador, India, Indonesia, Nepal and Togo.

8. The substance of the review of legislative notifications is reflected in written questions put to Members and written answers to those questions. References to the questions and answers pertaining

to each notification can be found in the minutes of the meetings at which the notifications were reviewed (G/SG/M/41 and G/SG/M/42).

### **III. NOTIFICATIONS OF ACTIONS RELATED TO SAFEGUARD MEASURES**

9. During the period under review, the Committee received and reviewed a variety of notifications of actions related to safeguard measures. The notifications of initiations, the application of safeguard measures, and the termination of investigations without measures received by the Committee during the period under review are summarized in Annex 2. A record of investigations underway, and measures applicable, as of 20 October 2012 is set forth in Annex 3.

10. Members' comments concerning these notifications can be found in the minutes of the meetings at which they were reviewed (G/SG/M/41 and G/SG/M/42). Members' written questions and answers concerning these notifications can be found in the G/SG/Q2/... series.

### **IV. REQUEST UNDER ARTICLE 13.1(B) OF THE AGREEMENT ON SAFEGUARDS**

11. On 3 May 2011, Colombia submitted a request pursuant to Article 13.1(b) of the Agreement concerning certain safeguard actions taken by Ecuador on windshields ("the Request"). The Committee discussed this Request at its regular meeting on 27 October 2011<sup>1</sup> and at an informal meeting on 3 February 2012. The Committee met on 16 April 2012 in informal mode to consider a draft report concerning the Request. In spite of its efforts, the Committee was unable to reach a consensus on the findings called for by Article 13.1(b). Further, the Committee could not reach a consensus on specific procedures that might facilitate efforts to reach such findings. In light of this situation, the Chairperson submitted a factual report to the Council on Trade in Goods under her own responsibility.<sup>2</sup> At its April 2012 meeting, the Committee took note of the Chairperson's statement concerning the above as well as the relevant Members' statements.<sup>3</sup>

### **V. IMPLEMENTATION OF THE SURVEILLANCE FUNCTION ENVISAGED IN ARTICLE 13.1(B) OF THE AGREEMENT ON SAFEGUARDS**

12. At its April 2012 meeting, the Committee had a discussion under the item entitled "Implementation of the Surveillance Function Envisaged in Article 13.1(b) of the Agreement on Safeguards". This item had been requested by the delegations of Cuba, Ecuador and Turkey. The Committee heard comments of the Members on the proposal (G/SG/W/222).

### **VI. DISCUSSION OF SYSTEMIC CONCERNS RELATED TO CERTAIN SAFEGUARD PROCEEDINGS**

13. At its October 2012 meeting, the Committee had a discussion under the item entitled "Discussion of Systemic Concerns Related to Certain Safeguard Proceedings". This item had been requested by the delegations of Australia; Canada; the European Union; Japan; Korea; New Zealand; Norway; Singapore; the Separate Customs Territory of Taiwan, Penghu, Kinmen and Matsu; and the United States. The United States asked that this item be placed on the agenda of the spring 2013 meeting.

<sup>2</sup> See G/SG/100.

<sup>3</sup> See minutes of the meeting (G/SG/M/41) for the actual statements.

## **VII. OTHER ISSUES RAISED**

14. At the Committee's April 2012 meeting, the following discussions took place under "Other Business". First, several Members voiced their concerns regarding an investigation being undertaken by a certain Member. Second, two Members took the floor to express concerns regarding how a certain Member conducted investigations. Third, the Chairperson explained that with a new system in place (i.e. where documents for a specific Committee meeting will be conveyed electronically and not by paper) documents circulated after issuance of the airgram would not be included in the "documents for meetings" website from the autumn 2012 meeting onwards.

15. At the meeting of October 2012, under "Other Business", the Chairperson made two statements. First, she urged Members to ensure that whether or not a recommended measure came into force was clarified through their notifications. Second, she explained that from the spring 2013 meeting onward the annotated draft agenda and the draft annual report would be made available through the "documents for meetings" website.
