

## REPORT (1998) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

### I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. The Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. With respect to international intergovernmental organizations, the International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. In light of issues regarding reciprocity, particularly in connection with the Committee on Subsidies and Countervailing Measures, at its April meeting the Committee decided, on a preliminary basis, to grant *ad hoc* observer status to the OECD under terms paralleling those agreed by the Group of Participants to the Arrangement on Officially Supported Export Credits and Export Credit Guarantees for the WTO. Specifically, the Committee decided to continue to invite the OECD to attend meetings on an *ad hoc* basis. With respect to documents, the Committee decided to grant the OECD full access, subject to objection by a Member in particular cases. This decision was taken on a preliminary basis, to be confirmed at the Committee's October meeting following receipt of full details of the decision of the Participants Group. The Committee also continued to invite the ACP Group to attend its meetings on an *ad hoc* basis pending the outcome of horizontal consultations with respect to the ACP Group's requests for Observership in various WTO bodies. At its meeting in October, Committee confirmed the decision it had taken in April concerning the OECD. With respect to the ACP Group, the Chairman noted that the horizontal process had not been completed, and the Committee agreed to maintain its previous decision and revert to this matter at such time as there were any new developments to be considered.

3. The focus of this report is on the period since the Committee's last annual report (G/L/204), that is, 1 November 1997 – 29 October 1998 (hereinafter "the review period"). During the review period, the Committee held two regular meetings, on 30 April 1998 and 29 October 1998 (G/ADP/M/12 and G/ADP/M/13 respectively).

4. As of the beginning of the review period, Mr. Kajit Sukhum (Thailand) was Chairman, and Ms. Michelle Slade (New Zealand) was Vice-Chairperson of the Committee. The Committee at its regular meeting in April 1998 elected Mr. José Antonio S. Buencamino (Philippines) as its Chairman and Mr. Alvaro Espinoza (Chile) as its Vice-Chairperson. Pursuant to the Committee's Rules of Procedure, they took office at the end of that meeting.

## **II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS**

5. The Committee decided, at its special meeting of 21 February 1995, that all Members which had new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement would notify the full and integrated text of such legislation and/or regulations to the Committee by 15 March 1995. If such legislation and/or regulations did not exist or were not available, the Member would inform the Committee of this fact. The Committee also decided that Observer governments should provide the Committee the text of their laws and regulations regarding anti-dumping duties.

6. As of 29 October 1998, 83 Members had notified the Committee regarding their domestic anti-dumping legislation.<sup>1</sup> Of these 83 Members, 25 had notified the Committee that they had no anti-dumping legislation. Members' communications in this regard can be found in document series G/ADP/N/1/... . 34 Members had not, as yet, made any notification under Article 18.5 of the Agreement. Annex A sets out the status of notifications concerning legislation under Article 18.5 of the Agreement. The Chairman expressed continuing concern over the failure of some Members to submit the required notification concerning legislation, and added that for many of those Members, it was likely that a single nil notification would suffice. He encouraged Members who had not yet done so to make this notification promptly.

7. During the review period, the Committee reviewed new notifications regarding anti-dumping laws and/or regulations submitted by the following Members: Brazil, Bulgaria, Burkina Faso, Canada, Chad, Costa Rica, Ecuador, Haiti, Japan, Korea, Mongolia, Panama, Peru, Poland, Qatar, Singapore, Slovak Republic, and the United States. Written questions and answers regarding these reviews may be found in documents of the G/ADP/Q1/... series.

8. In addition to review of new notifications, during the review period the Committee undertook further review of notifications of legislation previously reviewed. Written questions and answers concerning the notifications of the following Members were considered by the Committee: Brazil, European Community, Israel, Peru, Singapore, Thailand, and the United States. Those questions and answers may also be found in documents of the G/ADP/Q1/... series.

## **III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS TAKEN BY MEMBERS**

9. **Semi-annual reports for the period 1 July-31 December 1997.** As of 29 October 1998, semi-annual reports of actions taken during this period had been submitted by 26 Members. 38 Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 53 Members required to do so had not submitted a notification in this regard. At the Committee's regular meeting in April, the Chairman expressed great concern about the poor status of notifications. Members who had not already done so were strongly urged to submit these reports. The semi-annual reports were circulated in document series G/ADP/N/35/... . The status of semi-annual reports is set out in Annex B.

10. **Semi-annual reports for the period 1 January-30 June 1998.** As of 29 October 1998, semi-annual reports of actions taken during this period had been submitted by 25 Members. 28 Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 64 Members required to do so had not submitted a notification in this regard. At the Committee's regular meeting in October, the Chairman again expressed great concern about the poor status of notifications, particularly since for many if not most Members failing to notify, a simple

notification of no actions taken would suffice. Members who had not already done so were strongly urged to submit these reports. The semi-annual reports were circulated in document series G/ADP/N/41/... . The status of semi-annual reports is set out in Annex B.

11. A Table summarising anti-dumping actions taken by Members and reported in their semi-annual reports during the period 1 July 1997 -30 June 1998 is reproduced in Annex C to this report.

#### **IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS**

12. Pursuant to Article 16.4 of the Agreement, Members are to report without delay to the Committee all preliminary and final anti-dumping actions taken. Reports of preliminary and final anti-dumping actions during the period under consideration were received from Argentina, Australia, Canada, the European Community, India, Indonesia, Israel, Korea, Malaysia, Mexico, New Zealand, Peru, South Africa, Thailand and the United States, as identified in documents G/ADP/N/34, G/ADP/N/36, G/ADP/N/37, G/ADP/N/38, G/ADP/N/39, G/ADP/N/40, G/ADP/N/42, G/ADP/N/43 and G/ADP/N/44. The Committee reviewed the notifications of preliminary and final actions at its regular meetings in April and October.

13. **Ad Hoc Group on Implementation:** The Ad Hoc Group on Implementation, which has agreed to continue to meet regularly in conjunction with the regular meetings of the Committee, held two working meetings during the period under review, in April and October 1998. The Group discussed all ten topics referred to it by the Committee.<sup>2</sup> Members submitted numerous papers substantively addressing the topics before the Group, and also submitted descriptions of their individual practices with respect to certain issues arising in the discussions. Pursuant to a decision taken by the Committee at its meeting in April 1998, Observer governments in the Committee are invited to attend and participate in the meetings of the Group on a somewhat expanded basis, in light of the technical issues before the Group. Such participation, in accordance with the Committee's decision, includes submitting papers on the topics under discussion, and taking part fully in the discussions, but does not extend to involvement in the establishment of a consensus on any recommendations by the Group to the Committee. At its meeting in October, the Group again considered papers and information submitted by Members on the topics before it, as well as three draft recommendations. The Group agreed by consensus on the text of a draft recommendation concerning the timing of the requirement for notification of the government of the exporting Member under Article 5.5 of the Agreement, which it forwarded to the Committee for adoption. At its meeting in October, the Committee adopted the draft recommendation forwarded to it by the Ad Hoc Group (G/ADP/5). In addition, the Committee discussed possible changes to the list of topics before the Ad Hoc Group for discussion. The Committee decided that Members would be asked to submit suggestions regarding (1) topics currently before Ad Hoc Group that could be retired or set aside, without prejudice to their being put before the Group again in the future, and (2) new topics that could be referred to the Ad Hoc Group for discussion.

14. **Informal Group on Anti-Circumvention:** The Informal Group on Anti-Circumvention met twice during the period under review, in April and October 1998, in conjunction with the regular meetings of the Committee. The Informal Group continued its discussions on the first item of the agreed framework, "what constitutes circumvention". Members conducted the discussions based on papers submitted and further statements at the meetings. The Informal Group agreed to continue to meet regularly in conjunction with the regular meetings of the Committee. Pursuant to a decision taken by the Committee at its meeting in April 1998, Observer governments in the Committee are invited to attend on the normal terms for Observer governments under the Committee's Rules of Procedure.

---

<sup>2</sup> The ten topics before the Group are: treatment of confidential information, the period of data collection for a dumping investigation, sampling under Article 6.10, special circumstances under Article 5.6, notification of the government of the exporting Member under Article 5.5, Article 6.2 hearings, essential facts under Article 6.9, public notices, the content of preliminary affirmative determinations, and duty assessments under Article 9

15. **Agenda items requested by Members:** During the review period, the Committee took note of statements concerning the following specific items placed on the agenda at the request of Members:

- Australia – continuation of anti-Dumping Measures on imports of Polyvinyl Chloride from Canada – item requested by Canada.
- Consideration of the issues under review in the Ad Hoc Group on implementation – item requested by the United States.
- Investigation by Argentina regarding fiber optic cables from the United States, Spain and Brazil – item requested by the United States.
- EC – Investigations concerning the anti-circumvention measure on imports of television camera systems from Japan – item requested by Japan.

16. **Other Business:** During the review period, the Committee considered the following items under the agenda item "Other Business":

- Japan - United States practice regarding sunset investigations.
- Chairman's Report to Chairman of the Council for Trade in Goods regarding Committee activities
- Attendance by Observer Governments at Meetings of the Ad Hoc Group on Implementation and the Informal Group on Anti-Circumvention.
- Mexico - Anti-dumping investigation by Ecuador of portland cement.
- Mexico - Anti-dumping investigation by Panama of sugar.
- Egypt - Anti-dumping measure imposed by South Africa on aluminium hollowware.
