

REPORT (2007) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. The Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the OECD is invited to attend meetings on an *ad hoc* basis, and has full access to documents relevant to the Committee's work, subject to objection by a Member in particular cases. Also pursuant to a decision of the Committee in October 1998, the ACP Group is invited to attend meetings on an *ad hoc* basis pending the outcome of horizontal consultations with respect to the ACP Group's requests for Observership in various WTO bodies. Requests for Observer status from the Common Market for Eastern and Southern Africa (COMESA) and the Gulf Organization for Industrial Consulting are under consideration by Members.

3. The focus of this report is on the period since the Committee's last annual report (G/L/791), that is, 27 October 2006 – 23 October 2007 (hereinafter "the review period"). During the review period, the Committee held two regular meetings, on 24-25 April 2007 and 22-23 October 2007 (G/ADP/M/32 and G/ADP/M/33, respectively).

4. As of the beginning of the review period, Ms. Victoria Campeanu (Romania) was Chairperson, and Ms. Auromon Supthaweethum (Thailand) was Vice Chairperson, of the Committee. At its April 2007 meeting, the Committee elected Mr. Gareth Meyer (Australia) as Chairperson, and Ms. Gabriella Wurcel (Israel) as Vice Chairperson. Pursuant to the Committee's rules of procedure, Mr. Meyer and Ms. Wurcel took office at the end of the meeting.

II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Article 18.5 of the Agreement provides that "Each Member shall inform the Committee of any changes in its laws and regulations relevant to this Agreement and in the administration of such laws and regulations". Pursuant to a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are to be notified to the Committee as well. Pursuant to that same decision of the Committee, if a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 23 October 2007, 98 Members had notified the Committee regarding their domestic anti-dumping legislation.¹ Of these 98 Members, 27 notified the Committee that they had no anti-dumping legislation. Members' communications in this regard can be found in document series G/ADP/N/1/... . Twenty-eight Members had not, as of the end of the review period, made any notification of anti-dumping legislation and/or regulations. Annex A sets out the status of notifications concerning legislation under Article 18.5 of the Agreement, and sets out the reference symbol(s) of the document(s) containing each Member's current notification in this regard.

7. During the review period, the Committee reviewed new notifications regarding anti-dumping laws and/or regulations submitted by the following Members: Albania, Argentina, Armenia, Bangladesh, China, Colombia, European Communities, India, Japan, Mexico, New Zealand, Nigeria, Panama, Chinese Taipei, Turkey, and the United States. Written questions and answers regarding these notifications can be found in documents of the G/ADP/Q1/... series. Statements of Members in this context are reflected in the minutes of the meetings.

III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS TAKEN BY MEMBERS

8. **Semi-annual reports for the period 1 July-31 December 2006 pursuant to Article 16.4.** As of 23 October 2007, 28 Members² had submitted semi-annual reports of actions taken during this period. Twenty-nine Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 67³ Members had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/153/... . At the Committee's regular meeting in April 2007, the Chairperson reported that it appeared that most Members taking actions had submitted semi-annual reports, but that some had arrived after the deadline. Members who had not submitted reports, including nil returns, were strongly urged to submit these reports, and all Members were encouraged to submit their semi-annual reports on time. The status of semi-annual reports for this period is set out in Annex B.

9. **Semi-annual reports for the period 1 January-30 June 2007 pursuant to Article 16.4.** As of 23 October 2007, 25 Members had submitted semi-annual reports of actions taken during this period.⁴ Nineteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 79⁵ Members had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/145/... . At the Committee's regular meeting in October 2007, the Chairperson reiterated the importance of timely

¹ The European Communities is counted as one Member. Prior to 1 May 2004, the member States of the EC were: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, the Netherlands, Portugal, Spain, Sweden and the United Kingdom. As of 1 May 2004, the following Members became member States of the EC: the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, the Slovak Republic, and Slovenia. These latter Members' previously-submitted separate notifications of legislation are not listed in this report. See document G/ADPN/1/EEC/2/Suppl.6 for updated information on the current status of laws and regulations of these Members. As of 1 January 2007, Bulgaria and Romania became member States of the EC. Because the reporting period covered by this report includes a period before these Members joined the EC, their legislative notifications are separately listed in this report. Document G/ADP/N/1/EEC/2/Suppl.8 provides updated information on the status of these Members' legislation.

² The European Communities is counted as one Member. Bulgaria and Romania, which became member States of the EC on 1 January 2007, are counted separately for this period.

³ Vietnam and Tonga are not included in this figure, reflecting the fact that they became WTO Members on 11 January 2007 and 27 July 2007, respectively.

⁴ The European Communities is counted as one Member. As Bulgaria and Romania became member States of the EC on 1 January 2007, they are no longer counted separately as of this period.

⁵ Vietnam is included in this figure, but Tonga is not, reflecting the fact that they became WTO Members on 11 January 2007 and 27 July 2007, respectively.

compliance with this notification obligation. The status of semi-annual reports for this period is set out in Annex B.

10. A table summarizing anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2006 -30 June 2007 is reproduced in Annex C to this report.

11. **Chairperson's reports on consultations concerning semi-annual report format and procedures.** At the Committee's April 2007 regular meeting, the Chairperson reported on the status of the Committee's work in developing a revised format for semi-annual reports, noting that a draft remained pending before the Committee. She encouraged the new Chairperson and all Members to give priority to the issue, so that a satisfactory conclusion could be found in the near future. At the Committee's October 2007 regular meeting, the Chairperson indicated that he intended to contact delegations to explore possibilities for resolving the outstanding issues, and that he would keep the Committee informed of progress.

IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

12. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the period under consideration were received from Argentina, Australia, Brazil, Canada, Chile, China, Egypt, the European Communities, Japan, Korea, Malaysia, Mexico, New Zealand, Pakistan, Peru, South Africa, Chinese Taipei, Thailand, Trinidad and Tobago, Turkey, and United States, as indicated in documents G/ADP/N/150, G/ADP/N/151, G/ADP/N/152, G/ADP/N/155, G/ADP/N/156, G/ADP/N/157, G/ADP/N/159, G/ADP/N/160, G/ADP/N/161, G/ADP/N/162, and G/ADP/N/163⁶.

13. The Committee reviewed the notifications of preliminary and final actions at its regular meetings in April and October 2007. At these meetings, the Chairpersons noted that there continued to be a lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final measures had not submitted reports of preliminary or final actions taken. The Chairpersons highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled the revised minimum information format that had been adopted by the Committee in October 2006 to simplify and clarify this notification requirement. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

V. TRANSITIONAL REVIEW OF CHINA

14. During the October 2007 meeting, the Committee undertook the review, as appropriate to its mandate, of the implementation by China of the WTO Agreement and of the related provisions of its Protocol of Accession, as provided for in Paragraph 18 of the Protocol of Accession of the Peoples' Republic of China to the WTO. At the meeting, the delegation of China responded orally to questions that had been previously submitted in writing.⁷ The statements of Members are reflected in the minutes of that meeting. The Committee agreed that its report to the Council for Trade in Goods would be in the form of a brief factual report, prepared by the Chairperson on his own responsibility,

⁶ After the circulation of G/ADP/N/163 additional reports were received, from Argentina, China, Canada, the European Communities, India, Mexico, New Zealand, Thailand, and the United States. These reports will be listed in the next document in this series, G/ADP/N/164.

⁷ Questions and/or statements were circulated in the following documents: G/ADP/W/462 and G/ADP/W/463.

containing references to the documents concerned and attaching the portion of the minutes of the meeting which relate to the transitional review.⁸

VI. WORKING GROUP ON IMPLEMENTATION

15. The Working Group on Implementation held two regular meetings during the period under review, back-to-back with the Committee's regular meetings in April and October 2007.

16. At its meeting in April 2007, the Working Group considered a revised draft recommendation, prepared by the Secretariat, on the conduct of verifications⁹, and asked the Secretariat to prepare a further revision for consideration at the Group's October 2007 meeting. The Chairperson noted that the Group seemed to have nearly exhausted its discussions of the three other topics before it. She suggested that Members keep in mind the possibility of starting a process to develop a further list of topics that could be proposed to the Committee for referral to the Group, and urged Members to have a broader perspective when reflecting on the future work of the Group, in view of the scope of the Group's mandate.

17. At its meeting in October 2007, the Working Group considered a third version of the draft recommendation on the conduct of verifications¹⁰, and asked the Secretariat to prepare a further revision that would seek to identify areas where consensus seemed to be emerging. The Group also considered a document from a Member¹¹ suggesting three topics for discussion. Members noted that two of these topics¹² already were pending before the Group, and considered that it would be useful to continuing to discuss them. At the Group's suggestion, the Committee decided to refer to the Group for discussion the third topic referred to in the paper: "Article 3.2 – How do Members determine whether there has been a significant price undercutting by dumped imports?" The Committee also requested those Members that had not yet submitted papers on the other two topics under discussion to do so. Members were urged in addition to continue the process of identifying additional new topics for discussion.

VII. INFORMAL GROUP ON ANTI-CIRCUMVENTION

18. The Informal Group on Anti-Circumvention held two meetings during the reporting period, back-to-back with the April and October 2007 regular meetings of the Committee. One new paper was submitted for discussion at the April meeting¹³. At its October 2007 meeting, the Informal Group continued its discussion of the issue identified in this paper. The Secretariat was requested to prepare a summary of Members' comments on that issue as of that point, to assist Members in preparing for the Group's spring 2008 meeting. Members were urged to share their comments and experiences on this topic at the next meeting, orally or in writing.

⁸ This report was circulated in document G/ADP/16.

¹⁰ G/ADP/AHG/W/175/Rev.3.

¹¹ G/ADP/AHG/W/176.

¹² Export prices to third countries or constructed normal value – Article 2.2; and foreign exchange fluctuations – Article 2.4.1.

¹³ G/ADP/IG/W/52.

VIII. OTHER BUSINESS

19. During the review period, the Committee noted statements regarding the following items under the agenda item "Other Business":

- Anti-dumping measure of the European Communities on PET products from Chinese Taipei – item requested by Chinese Taipei.
