

REPORT (2019) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

(ADOPTED 20 NOVEMBER 2019)

1 ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of GATT 1994 ("the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices ("the Committee") established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the ACP Group and the OECD are invited to attend meetings on an *ad hoc* basis. Requests for Observer status from the Common Market for Eastern and Southern Africa and the Gulf Organization for Industrial Consulting are under consideration by Members.

3. This report covers the period 24 October 2018 – 20 November 2019 ("the review period"). During the review period, the Committee held two regular meetings, on 1 May and 20 November 2019 (G/ADP/M/56 and G/ADP/M/57, respectively).

4. As of the beginning of the review period, Ms Karine Mahjoubi Erikstein (Norway) was Chair and Mrs Shani Griffith-Jack (Barbados) was Vice-Chair of the Committee. In June and July 2019 respectively, the Committee elected Ms Lenka ŠUSTROVÁ (Czech Republic) as Chair and Ms Leticia Margarita Ramirez Aguilar (Mexico) as Vice-Chair.

2 NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Pursuant to Article 18.5 of the Agreement and a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are also to be notified. If a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 20 November 2019, 83 Members had notified their anti-dumping legislation¹, while 36 Members had notified that they had no such legislation. These notifications can be found in document series G/ADP/N/1/.... Seventeen Members had not, as of the end of the review period, made any notification of anti-dumping legislation. Annex A sets out the status of notifications under Article 18.5, and the reference symbol(s) of the document(s) containing each Member's current notification.

7. During the review period, the Committee reviewed new notifications of legislation submitted by the following Members: Brazil; Canada; Ecuador; Japan; Kenya; Lesotho; Madagascar; Mauritius; United Arab Emirates and Viet Nam. Pending written questions posed to the legislative notifications of Cambodia; Cameroon; El Salvador; and Liberia remained on the agenda of the May and the November meetings, while pending written questions posed to the legislative notifications of

¹ The European Union is counted as one Member.

United Arab Emirates and Viet Nam remained on the agenda of the November meeting. In addition, the Committee continued, at the November meeting, the review of the legislative notifications of Ecuador, El Salvador and Viet Nam, previously reviewed by the Committee. Written questions and answers regarding legislative notifications can be found in document series G/ADP/Q1/....

3 SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS PURSUANT TO ARTICLE 16.4

8. With respect to the semi-annual reports for the period 1 July-31 December 2018, as of 20 November 2019, 43 Members² had notified the Committee of anti-dumping actions taken during this period. Nineteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Thirteen Members that notified competent authorities and 11 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/322/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting.

9. With respect to the semi-annual reports for the period 1 January-30 June 2019, as of 20 November 2019, 44 Members had notified the Committee of anti-dumping actions taken during this period.³ Fifteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Sixteen Members that notified competent authorities and 11 Members that did not notify competent authorities had not submitted notifications in this regard. These semi-annual reports were circulated in document series G/ADP/N/328/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting.

10. As of 20 November 2019, 50 Members had submitted a one-time notification pursuant to Articles 16.4 and 16.5.⁴

11. At the Committee's meetings in May and November 2019, the Chairs strongly urged Members that had not submitted reports of actions taken, nil returns or one-time notifications, to submit these notifications.

12. At the Committee meetings in May and November 2019, the Chairs raised concerns regarding the late submission of semi-annual reports, technical errors in reports submitted and slow responses to the Secretariat's requests for corrections. The Chair urged Members to comply with announced submission deadlines, to carefully review information in their semi-annual reports prior to submission and to provide quick responses to the Secretariat's queries in this respect. The Chair also drew Members' attention to the Rules' and IT Divisions efforts in cleaning up and redesigning the existing trade remedies databases and in developing a facility that would enable Members to submit their semi-annual reports on-line. The Chair added that the Secretariat would keep the Committee updated on the progress achieved.

13. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2018-30 June 2019 is reproduced in Annex C to this report.

4 REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

14. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the review period were received from Argentina; Armenia; Australia; Brazil; Canada; Chile; China; Egypt; El Salvador; European Union; Gulf Cooperation Council ("GCC") member States (Bahrain, Kingdom of; Kuwait, the State of; Oman; Qatar; Saudi Arabia, Kingdom of and United Arab Emirates); India; Indonesia; Israel; Japan; Kazakhstan; Korea, Republic of; Kyrgyz Republic; Madagascar; Mexico; Morocco; Pakistan; Peru; Russian Federation; South Africa; Chinese Taipei; Turkey; Ukraine; United States and Viet Nam as indicated in documents G/ADP/N/320, G/ADP/N/321,

² The European Union is counted as one Member.

³ The European Union is counted as one Member.

⁴ Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2009. Members' notifications in this regard can be found in document G/ADP/N/193 series.

G/ADP/N/323, G/ADP/N/324, G/ADP/N/325, G/ADP/N/326, G/ADP/N/327, G/ADP/N/329, G/ADP/N/330, G/ADP/N/331, G/ADP/N/332, G/ADP/N/333 and G/ADP/N/334.

15. The Committee reviewed the notifications of preliminary and final actions at its meetings in May and November 2019. At the May meeting, no statements or questions were raised by Members under this agenda item. At the November meeting, questions raised concerning these reports can be found in the minutes of the meeting. At both meetings, the Chairs drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final actions had not submitted ad hoc notifications of preliminary or final actions taken. The Chairs highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members and recalled that the revised minimum information format that had been adopted by the Committee in October 2006⁵ and revised in October 2009⁶ clarified the kinds of actions to be notified and the information to be submitted. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

16. The Chairs also reiterated the importance of submitting these notifications, as in the case of all other notifications, to the WTO Centre for Registration and Notification with a copy to the Secretary of the Committee. Members were also requested not to resubmit previously submitted notifications and to verify the electronic web-links included in such notifications.

5 WORKING GROUP ON IMPLEMENTATION

17. The Working Group on Implementation held two meetings during the review period, back-to-back with the Committee's regular meetings in May and November 2019.

18. At its meeting in May 2019, the Group discussed two injury-related issues: the gathering and examination of evidence for the determination of a causal relationship between dumped imports and injury to the domestic industry; and the assessment of the domestic industry's economic indicators in threat of injury analysis. Ms Christina Bas of Chile, serving as discussant for the meeting, had circulated an outline of issues in advance of the meeting in document RD/ADP/WGI/13 to assist delegations.

19. At its meeting in November 2019, the topics for discussion were (i) Verification procedures; (ii) Treatment of financial expenses and financial income in dumping margin calculations/sales below cost test, and (iii) Determination of the base price for the below-cost test. Ms Jill Pollack of the United States, serving as discussant for the meeting, had circulated an outline of issues for discussion in advance of the meeting in document RD/ADP/WGI/14 to assist delegations in their work.

20. The Chairs encouraged all delegations to actively participate in this informal, non-attributable discussion, so that Members would continue to learn from each other about their respective practices in this area.

6 INFORMAL GROUP ON ANTI-CIRCUMVENTION

21. The Informal Group on Anti-Circumvention held two meetings during the review period, back-to-back with the Committee's regular meetings in May and November 2019.
