

REPORT (2006) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. The Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the OECD is invited to attend meetings on an *ad hoc* basis, and has full access to documents relevant to the Committee's work, subject to objection by a Member in particular cases. Also pursuant to a decision of the Committee in October 1998, the ACP Group is invited to attend meetings on an *ad hoc* basis pending the outcome of horizontal consultations with respect to the ACP Group's requests for Observership in various WTO bodies. Requests for Observer status from the Common Market for Eastern and Southern Africa (COMESA) and the Gulf Organization for Industrial Consulting are under consideration by Members.

3. The focus of this report is on the period since the Committee's last annual report (G/L/758), that is, 2 November 2005 – 26 October 2006 (hereinafter "the review period"). During the review period, the Committee held two regular meetings on 27 April/18 July 2006 and 25-26 October 2006 (G/ADP/M/30 and G/ADP/M/31, respectively).

4. As of the beginning of the review period, Ms. Frida Collste (Sweden) was Chairperson, and Mr. Eduardo Tempone (Argentina) Vice Chairperson, of the Committee. At its April 2006 meeting, the Committee elected Victoria Campeanu (Romania) as Chairperson, and Ms. Auromon Supthaweethum (Thailand) as Vice Chairperson. Pursuant to the Committee's rules of procedure, Ms. Campeanu and Ms. Supthaweethum took office at the end of the meeting.

II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Article 18.5 of the Agreement provides that "Each Member shall inform the Committee of any changes in its laws and regulations relevant to this Agreement and in the administration of such laws and regulations". Pursuant to a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are to be notified to the Committee as well. Pursuant to that same decision of the Committee, if a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 26 October 2006, 96 Members had notified the Committee regarding their domestic anti-dumping legislation.¹ Of these 96 Members, 28 had notified the Committee that they had no anti-dumping legislation. Members' communications in this regard can be found in document series G/ADP/N/1/... . Twenty-eight Members had not, as of the end of the review period, made any notification of anti-dumping legislation and/or regulations. Annex A sets out the status of notifications concerning legislation under Article 18.5 of the Agreement, and sets out the reference symbol of the document(s) containing each Member's current notification in this regard.

7. During the review period, the Committee reviewed new notifications regarding anti-dumping laws and/or regulations submitted by the following Members: European Communities, Israel, Mexico and New Zealand. Written questions and answers regarding these notifications can be found in documents of the G/ADP/Q1/... series. Statements of Members in this context are reflected in the minutes of the meetings.

8. In addition to review of new notifications, during the review period the Committee undertook further review of a previously-reviewed legislative notification of China. Those questions and answers can be found in documents of the G/ADP/Q1/CHN series.

III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS TAKEN BY MEMBERS

9. **Semi-annual reports for the period 1 July-31 December 2005.** As of 26 October 2006, semi-annual reports of actions taken during this period had been submitted by 24 Members². Thirty Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 70 Members had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/139/... . At the Committee's regular meeting in April 2006, the Chairperson reported that it appeared that most Members taking actions had submitted semi-annual reports in a timely fashion. Members who had not submitted reports, including Nil returns, were strongly urged to submit these reports. The status of semi-annual reports is set out in Annex B.

10. **Semi-annual reports for the period 1 January-30 June 2006.** As of 26 October 2006, semi-annual reports of actions taken during this period had been submitted by 23 Members.³ Twenty-four Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 77 Members had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/145/... . At the Committee's regular meeting in October 2006, the Chairperson reported that there remained a number of Members that had not responded to the request to submit reports for this period, and urged all Members to comply with this notification requirement. The status of semi-annual reports is set out in Annex B.

11. A table summarizing anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2005 -30 June 2006 is reproduced in Annex C to this report.

¹ The European Communities is counted as one Member. Prior to 1 May 2004, the member-States of the EC were the following: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, the Netherlands, Portugal, Spain, Sweden and the United Kingdom. As of 1 May 2004, the member-States of the EC included in addition to the afore-listed, the following: Cyprus, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, the Slovak Republic, and Slovenia. These latter Members' previously-submitted separate notifications of legislation are not listed in this report. See document G/ADPN/1/EEC/2/Suppl.6 for updated information on the current status of laws and regulations of these Members.

² The European Communities is counted as one Member.

³ The European Communities is counted as one Member.

12. **Chairperson's reports on consultations concerning semi-annual report format and procedures.** At the Committee's April 2006 regular meeting, the Chairperson reported that the Committee was making good progress in the consultations that she had been conducting pursuant to the Committee's decision at its spring 2005 regular meeting regarding possible improvements to the semi-annual report format (in G/ADP/1), and procedures. At the Committee's October 2006 regular meeting, the Chairperson drew attention to the draft revised format that had been circulated to Members⁴, in respect of which all but a few points had been agreed. The Chairperson indicated that she would call a further meeting of the Committee within a short time to try to reach a final resolution so that the new format could be adopted.

IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

13. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the period under consideration were received from Argentina, Australia, Canada, China, Egypt, the European Communities, Korea, Malaysia, Mexico, New Zealand, Pakistan, Peru, Chinese Taipei, Thailand, Turkey, and United States, as indicated in documents G/ADP/N/137, G/ADP/N/138, G/ADP/N/140, G/ADP/N/141, G/ADP/N/142, G/ADP/N/143, G/ADP/N/144, G/ADP/N/146, G/ADP/N/147, G/ADP/N/148, and G/ADP/N/149.

14. The Committee reviewed the notifications of preliminary and final actions at its regular meetings in April and October 2006. At the Committee's meetings in April 2006 and October 2006, the Chairperson noted that there continued to be a lack of full compliance in this area, as some Members who submitted semi-annual reports indicating preliminary and/or final measures had not submitted reports of preliminary or final actions taken. The Chairperson highlighted the importance of this notification in the Committee's role in monitoring and discussing actions taken by Members. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

15. **Chairperson's reports on consultations concerning minimum information format for notifications of preliminary and final anti-dumping actions.** At the Committee's April 2006 meeting, the Chairperson reported that in her consultations to that point, various possible reasons for poor compliance with this notification obligation had been discussed, along with various suggestions for changes to the formats. At the Committee's October 2006 meeting, the Committee adopted a revised minimum information format for preliminary and final anti-dumping actions.⁵

V. TRANSITIONAL REVIEW OF CHINA

16. During the October 2006 meeting, the Committee undertook the review, as appropriate to its mandate, of the implementation by China of the WTO Agreement and of the related provisions of its Protocol of Accession, as provided for in Paragraph 18 of the Protocol of Accession of the Peoples' Republic of China to the WTO. At the meeting, the delegation of China responded orally to questions that had been previously submitted in writing, and to follow-up questions posed at the meeting.⁶ The statements of Members are reflected in the minutes of that meeting. The Committee agreed that its report to the Council for Trade in Goods would be in the form of a brief factual report, prepared by the Chairperson on her own responsibility, containing references to the documents concerned and attaching the portion of the minutes of the meeting which relate to the transitional review.⁷

⁴ In document G/ADP/W/460.

⁵ Circulated in final form in document G/ADP/2/Rev.1.

⁶ Questions and/or statements were circulated in the following documents: G/ADP/W/457, G/ADP/W/458, G/ADP/W/459, and G/ADP/W/461.

⁷ This report was circulated in document G/ADP/15.

VI. WORKING GROUP ON IMPLEMENTATION:

17. The Working Group on Implementation held two regular meetings during the period under review, back-to-back with the Committee's regular meetings in April and October 2006.

18. At its meeting in April 2006, the Group continued the debates on the four topics referred to it by the Committee at the spring 2003 meeting.⁸ Although only two Members had submitted papers, both on the topic of conduct of verifications,⁹ the discussion had been interesting and useful in enabling Members to better understand the issues involved and the practices of various Members. The Group also discussed a draft recommendation on the same topic prepared by the Secretariat pursuant to the Group's request at its fall 2005 meeting¹⁰, and requested the Secretariat to circulate a revised version.

19. The Chairperson strongly encouraged those Members that had not submitted any papers on the topics under discussion to do so, and asked all Members to reflect on the Group's future work, including the possibility of trying to develop a further list of topics for discussion.

20. At its meeting in October 2006, the Working Group discussed the revised version of the draft recommendation on the conduct of verifications¹¹, and requested the Secretariat to prepare a further revision. The Chairperson also asked the Group to reflect on the possibility of developing a new list of topics for discussion.

VII. INFORMAL GROUP ON ANTI-CIRCUMVENTION

21. The Informal Group on Anti-Circumvention held two meetings during the reporting period, back-to-back with the April and October regular meetings of the Committee. No new papers were submitted for discussion at those meetings. Concerning the further work of the Group, Members confirmed that they had no objection to continuing to work along the lines the Group had been following up to that point.

VIII. OTHER ITEMS DISCUSSED BY THE COMMITTEE

A. DENIM FABRICS – ANTI-DUMPING MEASURE BY PERU – ITEM REQUESTED BY BRAZIL
