

## REPORT (1999) OF THE COMMITTEE ON SAFEGUARDS

### I. GENERAL

1. This report is submitted in accordance with Article 13.1(a) of the Agreement on Safeguards, which requires the Committee on Safeguards to report annually to the Council for Trade in Goods on the general implementation of the Agreement. The report covers the period since the Committee's last annual report (G/L/272), i.e., 6 November 1998-22 October 1999.

2. During the period under review, the Committee held two regular meetings, on 23 April 1999 (G/SG/M/13) and 22 October 1999 (G/SG/M/14).

3. Observer governments in the General Council of the WTO have observer status in the Committee. Pursuant to their Agreements with the WTO, the IMF and the World Bank have observer status in the Committee as well. UNCTAD has observer status in the Committee through a Committee decision.

4. Both the OECD and the ACP Group have requested regular observer status in the Committee. At its regular meetings in 1998, the Committee decided to invite the OECD to attend Committee meetings on an *ad hoc* basis, subject to objection by a Member in particular cases. At the same time, the Committee also decided to invite the ACP Group to attend its meetings on an *ad hoc* basis, pending the outcome of horizontal consultations with respect to the ACP Group's request for observership in various WTO bodies. The Committee continued this practice during the reporting period.

5. At its regular meeting of 23 April 1999, the Committee elected Mr. Hamish McCormick (Australia) as Chairperson, and Ms. Amy Yuen (Hong Kong, China) as Vice Chairperson.

### II. NOTIFICATION AND EXAMINATION OF SAFEGUARDS LAWS AND/OR REGULATIONS OF MEMBERS

6. During the period under review, the Committee continued its review of notifications under Article 12.6 of the Agreement concerning national legislation and/or regulations in the area of safeguards. For Members with such legislation and/or regulations, these notifications consist of the full and integrated text thereof. For Members without such legislation and/or regulations, these notifications inform the Committee of this fact.

7. As of 7 October 1999, 84 Members<sup>1</sup> had notified the Committee of their domestic safeguards legislation and/or regulations or made communications in this regard to the Committee (G/SG/N/1 and addenda). Thirty-five Members had not as of that date made such a notification. Annex 1 lists the status of notifications under Article 12.6 of the Agreement. The extent of the non-compliance

with this notification obligation, and the implications of this situation, were discussed at the meetings of the Committee held during the review period (G/SG/M/13 and G/SG/M/14).

8. Of the 84 Members submitting notifications, 45 notified that they had no specific legislation relating to safeguards, 24 notified new legislation, and 15 notified pre-WTO legislation still in force. Of the 60 Members notifying either no safeguards legislation or pre-WTO legislation still in force, 17 indicated that new legislation was being considered or drafted. In addition, of the Members notifying that they had no specific legislation, 11 indicated that the WTO Agreement has force of law in their territory.

9. During the period under review, the Committee reviewed the notified new or amended legislative texts of the following Members: the Czech Republic, Egypt, Guatemala, India, Latvia, Paraguay, Peru, and Uruguay.

10. The Committee also reviewed during this period the notifications without legislative text of the following Members: Benin, Dominica, and Suriname.

11. The substance of the review of legislative notifications is reflected in the written questions put to Members and the written answers to those questions. References to the questions and answers pertaining to each notification can be found in the minutes of the meetings at which the notifications were reviewed (G/SG/M/13 and G/SG/M/14).

### **III. NOTIFICATIONS OF ACTIONS RELATED TO SAFEGUARD MEASURES**

12. During the review period, the Committee received and reviewed a variety of notifications of actions related to safeguard measures. The notifications of initiations and outcomes of investigations, and of application of safeguard measures, received by the Committee since 1 January 1995, are summarized in Annex 2.

13. During the period of review, the Committee received 14 notifications under Article 12.1(a) regarding initiation of an investigation. These were Colombia's notification of initiation on taxis, Chile's notification of initiation on tyres, the Czech Republic's notification of initiation on cane/beet sugar, Ecuador's notification of initiation on sandals, Egypt's notification of initiation on common fluorescent lamps, India's notifications of initiation on phenol, acetone and white/yellow phosphorous, Latvia's notification of initiation on swine meat, the Slovak Republic's notification of initiation on swine meat, Slovenia's notification of initiation on swine meat, and the United States' notifications of initiation on lamb meat, steel wire rod, and line pipe. The following notifications were reviewed by the Committee during the period of review: Colombia's notification of initiation on taxis, the Czech Republic's notification of initiation on cane/beet sugar, Ecuador's notification of initiation on sandals, India's notifications of initiation on phenol and acetone, Latvia's notification of initiation on swine meat, the Slovak Republic's notification of initiation on swine meat, Slovenia's notification of initiation on swine meat, and the United States' notifications of initiation on lamb meat, steel wire rod, and line pipe.

14. During the period of review, the Committee received and reviewed six notifications of application of a provisional measure under Article 12.4. These were the Czech Republic's notifications concerning a provisional measure on cane/beet sugar, Latvia's notification concerning a provisional measure on swine meat, the Slovak Republic's notification concerning a provisional measure on swine meat, and Slovenia's notifications concerning a provisional measure on swine meat.

15. During the review period, the Committee also received 14 notifications concerning findings of serious injury or threat thereof caused by increased imports. These notifications were from Australia on frozen boneless pork, from the Czech Republic on cane/beet sugar, from Egypt on safety

matches, from India on high density board, propylene glycol, slabstock foam and phenol, and from the United States on lamb meat and steel wire rod. The above notifications by Australia, Egypt, India and the United States were reviewed by the Committee during the period of review.

16. The Committee received and reviewed during the period two notifications of termination of a safeguard investigation with no safeguard measure imposed, from India on hard board and from Australia on meat of swine.

17. In addition, the Committee received 14 notifications concerning a decision to apply a safeguard measure. These notifications were from Argentina on footwear, from the Czech Republic on cane/beet sugar, from Egypt on safety matches, from India on acetylene black, carbon black, propylene glycol and slabstock foam, and from the United States on lamb meat and wheat gluten. The above notifications from Australia, Egypt, India and the United States were reviewed by the Committee during the period of review.

18. Six notifications concerning the non-application of a safeguard measure to developing country Members were received during the period. These were from Argentina on footwear, from the Czech Republic on cane/beet sugar, and from the United States on lamb meat and wheat gluten. The above notifications from Argentina and the United States were reviewed by the Committee during the period.

19. Two notifications pertaining to the results of a mid-term review were received and reviewed during the period. These were from Brazil on toys, and from Korea on skimmed milk powder preparations.

20. Members' oral comments concerning these notifications can be found in the minutes of the meetings at which they were reviewed (G/SG/M/13 and G/SG/M/14). Members' written questions and answers concerning these notifications can be found in the G/SG/Q2/... series.

#### **IV. PRE-EXISTING MEASURES**

##### **A. NEW NOTIFICATIONS CONCERNING PRE-EXISTING ARTICLE XIX AND GREY AREA MEASURES**

21. The Committee received and reviewed a nil notification from Zambia, which indicated that it had not adopted and did not maintain any pre-existing Article XIX measures covered by Articles 10 and 11 of the Agreement.

##### **B. PROGRESS IN PHASING OUT PRE-EXISTING MEASURES**

22. Prior to the period of review, the Committee received and reviewed notifications concerning various Members' progress in phasing out their notified pre-existing measures covered by Articles 10 and 11 of the Agreement. Annex 3 summarizes information notified and provided by Members to the Committee regarding their pre-existing measures.

23. At its 22 October 1999 meeting, the Committee heard oral reports from Cyprus, the European Communities, and Korea on their progress in phasing out their pre-existing measures. Nigeria and South Africa were not represented at the meeting. The Committee therefore invited Nigeria and South Africa to circulate brief reports on their progress in phasing out their respective pre-existing measures.

24. The comments of Members on this subject are reflected in the minutes of the Committee's 22 October 1999 meeting (G/SG/M/14).

**V. OTHER ISSUES RAISED**

25. At the Committee's 23 April 1999 meeting, a Member registered concerns about the possible amendment of US domestic safeguard legislation.

26. At the Committee's 22 October 1999 meeting, a Member questioned the relationship of undertakings, for example with respect to steel, pursuant to the Agreement on Subsidies and Countervailing Measures and the provisions of Article 11 of the Safeguards Agreement.
