

REPORT (2008) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. The Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the OECD is invited to attend meetings on an *ad hoc* basis, and has full access to documents relevant to the Committee's work, subject to objection by a Member in particular cases. Also pursuant to a decision of the Committee in October 1998, the ACP Group is invited to attend meetings on an *ad hoc* basis pending the outcome of horizontal consultations with respect to the ACP Group's requests for Observership in various WTO bodies. Requests for Observer status from the Common Market for Eastern and Southern Africa (COMESA) and the Gulf Organization for Industrial Consulting are under consideration by Members.

3. The focus of this report is on the period since the Committee's last annual report (G/L/830), that is, 24 October 2007 – 28 October 2008 (hereinafter "the review period"). During the review period, the Committee held two regular meetings, on 28 April 2008 and 27-28 October 2008 (G/ADP/M/34 + Corr.1 + Suppl.1, and G/ADP/M/35, respectively).

4. As of the beginning of the review period, Mr. Gareth Meyer (Australia) was Chair, and Ms Gabriella Wurcel (Israel) was Vice Chair, of the Committee. At its April 2008 meeting, the Committee elected Mr. Jorge Huerta-Goldman (Mexico) as Chair, and Mr. Pasquale De Micco (Italy) as Vice Chair. Pursuant to the Committee's rules of procedure, Mr. Huerta-Goldman and Mr. De Micco took office at the end of the meeting.

II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Article 18.5 of the Agreement provides that "Each Member shall inform the Committee of any changes in its laws and regulations relevant to this Agreement and in the administration of such laws and regulations". Pursuant to a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are to be notified to the Committee as well. Pursuant to that same decision of the Committee, if a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 28 October 2008, 98 Members had notified the Committee regarding their domestic anti-dumping legislation.¹ Of these 98 Members, 28 notified the Committee that they had no anti-dumping legislation. Members' communications in this regard can be found in document series G/ADP/N/1/... . Twenty-eight Members had not, as of the end of the review period, made any notification of anti-dumping legislation and/or regulations. Annex A sets out the status of notifications concerning legislation under Article 18.5 of the Agreement, and sets out the reference symbol(s) of the document(s) containing each Member's current notification in this regard.

7. During the review period, the Committee reviewed new notifications regarding anti-dumping laws and/or regulations submitted by the following Members: Albania, China, Costa Rica, Egypt, El Salvador, Guatemala, Nicaragua and Ukraine. The Committee also continued its review of previously-reviewed legislative notifications submitted by the following Members: Albania, Canada, China, Costa Rica, European Communities, Guatemala, and the United States. Written questions and answers regarding these notifications can be found in documents of the G/ADP/Q1/... series. Statements of Members in this context are reflected in the minutes of the meetings.

III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS TAKEN BY MEMBERS

8. **Semi-annual reports for the period 1 July-31 December 2007 pursuant to Article 16.4.** As of 28 October 2008, 23 Members² had submitted semi-annual reports of actions taken during this period. Thirty Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 71³ Members had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/166/... . At the Committee's regular meeting in April 2008, the Chair reported that it appeared that most Members taking actions had submitted semi-annual reports, but that some had arrived after the deadline. Members who had not submitted reports of actions taken or nil returns were strongly urged to submit these reports, and all Members were encouraged to submit their semi-annual reports on time. The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting.

9. **Semi-annual reports for the period 1 January-30 June 2008 pursuant to Article 16.4.** As of 28 October 2008, 21 Members had submitted semi-annual reports of actions taken during this period.⁴ Thirty Members had notified the Committee that they had not taken any anti-dumping actions during this period. The remaining 74⁵ Members had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/173/... . At the Committee's regular meeting in October 2008, the Chair again pointed out that not all Members had submitted semi-annual reports, and strongly urged all Members to comply with the requirement to submit their semi-annual reports on time. The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2/....

¹ The European Communities is counted as one Member. Prior to 1 May 2004, the member States of the EC were: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, the Netherlands, Portugal, Spain, Sweden and the United Kingdom. As of 1 May 2004, the following Members became member States of the EC: Cyprus, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, the Slovak Republic, and Slovenia; and as of 1 January 2007, Bulgaria and Romania also became member States of the EC. None of these Members' previously-submitted separate notifications of legislation are listed in this report. See documents G/ADP/N/1/EEC/2/Suppl.6 and .../Suppl.8 for information on the current status of the laws and regulations of these Members.

² The European Communities is counted as one Member.

³ Ukraine and Cap Verde are not included in this figure, reflecting the fact that they became WTO Members on 16 May 2008 and 23 July 2008, respectively.

⁴ The European Communities is counted as one Member.

⁵ Ukraine is included in this figure, but Cap Verde is not, reflecting the fact that they became WTO Members on 16 May 2008 and 23 July 2008, respectively.

10. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2007 - 30 June 2008 is reproduced in Annex C to this report.

11. **Draft revised semi-annual report format.** At the Committee's April 2008 regular meeting, the Chair reported on his contacts with delegations in respect of the draft revised format for semi-annual reports that remained pending before the Committee. At the Committee's October 2008 meeting, the Chair reported that in his latest contacts with delegations, although one Member had reiterated its grave systemic concerns over the revised format, that Member would not oppose the adoption of the revised format. The Committee adopted the revised format.⁶

IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

12. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the period under consideration were received from Argentina, Australia, Brazil, Canada, Chile, China, Egypt, European Communities, India, Japan, Korea, Mexico, New Zealand, Pakistan, Paraguay, South Africa, Thailand, Turkey, Ukraine, and United States as indicated in documents G/ADP/N/164, G/ADP/N/165, G/ADP/N/167, G/ADP/N/168, G/ADP/N/169, G/ADP/N/170, G/ADP/N/171, G/ADP/N/172, G/ADP/N/174, G/ADP/N/175, G/ADP/N/176, and G/ADP/N/177.⁷

13. The Committee reviewed the notifications of preliminary and final actions at its regular meetings in April and October 2008. The questions raised concerning these reports can be found in the minutes of the meetings and in document series G/ADP/Q2/... . At these meetings, the Chairs drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final measures had not submitted reports of preliminary or final actions taken. The Chairs highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled that the revised minimum information format that had been adopted by the Committee in October 2006 clarified the kinds of actions to be notified and the information to be submitted. Questions raised concerning these notifications can be found in the minutes of the meetings and in document series G/ADP/Q2/... . A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

V. TRANSITIONAL REVIEW OF CHINA

14. During the October 2008 meeting, the Committee undertook the review, as appropriate to its mandate, of the implementation by China of the WTO Agreement and of the related provisions of its Protocol of Accession, as provided for in Paragraph 18 of the Protocol of Accession of the Peoples' Republic of China to the WTO. At the meeting, the delegation of China responded orally to questions that had been previously submitted in writing.⁸ The statements of Members are reflected in the minutes of that meeting. The Committee agreed that its report to the Council for Trade in Goods would be in the form of a brief factual report, prepared by the Chairperson on his own responsibility, containing references to the documents concerned and attaching the portion of the minutes of the meeting which relate to the transitional review.⁹

⁶ The format was subsequently circulated as G/ADP/1/Rev.1.

⁷ After the circulation of G/ADP/N/177 an additional report was received from Peru, which will be listed in the next document in this series, G/ADP/N/178.

⁸ Questions and/or statements were circulated in the following documents: G/ADP/W/467 and G/ADP/W/468.

⁹ This report was circulated in document G/ADP/17.

VI. WORKING GROUP ON IMPLEMENTATION

15. The Working Group on Implementation held two regular meetings during the period under review, back-to-back with the Committee's regular meetings in April and October 2008.

16. At its meeting in April 2008, the Working Group decided not to continue discussing for the time being the issue of the conduct of verifications, in the light of the proposal on this issue in the 30 November 2007 draft text issued by the Chair of the Negotiating Group on Rules. The Group also discussed a submission on "Foreign exchange fluctuations – Article 2.4.1"¹⁰ and one on "Export prices to third countries or constructed normal value - Article 2.2"¹¹. The Chair encouraged Members that had not to that point done so to submit papers on the four topics actively under discussion, which in addition to the two mentioned above, were "Judicial, arbitral or administrative review – Article 13", and "How do Members determine whether there has been a significant price undercutting by the dumped imports?".

17. At its meeting in October 2008, the Working Group continued discussions on "Export prices to third countries or constructed normal value - Article 2.2", with one delegation providing answers to questions posed by Members in respect of its submission¹² during the Group's April meeting. The Group also discussed a paper submitted on "How do Members determine whether there has been a significant price undercutting by the dumped imports?"¹³, with a number of Members posing questions about the paper. The Chair invited Members to submit papers on the four topics, mentioned in the paragraph above, which were open for discussion, and/or to propose new topics for discussion.

VII. INFORMAL GROUP ON ANTI-CIRCUMVENTION

18. The Informal Group on Anti-Circumvention held two meetings during the reporting period, back-to-back with the April and October 2008 regular meetings of the Committee. The Group continued to discuss, taking into account a summary of the discussion prepared by the Secretariat, the issue of the bundling of invoices, which had been raised in a previous submission by a Member. At its October 2008 meeting, some Members of the Group raised additional comments on this issue. Concerning the future work of the Group, Members considered that the Group should continue its work along the same lines as had been the case up to then.

VIII. OTHER ITEMS DISCUSSED BY THE COMMITTEE

INVESTIGATION BY PERU FOR THE APPLICATION OF ANTI-DUMPING DUTIES ON IMPORTS OF PORTLAND CEMENT (GREY) ORIGINATING IN THE DOMINICAN REPUBLIC – ITEM REQUESTED BY THE DOMINICAN REPUBLIC

19. At the Committee's October 2008 regular meeting, the Dominican Republic raised questions (subsequently circulated in document G/ADP/Q2/PER/3) concerning this investigation. The delegation of Mexico made an oral statement concerning this investigation. The delegation of Peru provided an oral reply at the meeting.

¹⁰ G/ADP/AHG/W/177.

¹¹ G/ADP/AHG/W/178/Rev.1, submitted by the European Communities.

¹² Id.

¹³ G/ADP/AHG/W/179, submitted by New Zealand.

IX. OTHER BUSINESS

20. During the review period, the Committee noted statements regarding the following item under the agenda item "Other Business":

-- Brazil – Milk Powder – Statement by New Zealand. The delegation of Brazil presented an oral reply at the meeting.
