

## REPORT (2011) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

### I. ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices (hereinafter "the Committee") established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the OECD is invited to attend meetings on an *ad hoc* basis, and has full access to documents relevant to the Committee's work, subject to objection by a Member in particular cases. Also pursuant to a decision of the Committee in October 1998, the ACP Group is invited to attend meetings on an *ad hoc* basis pending the outcome of horizontal consultations with respect to the ACP Group's requests for Observership in various WTO bodies. Requests for Observer status from the Common Market for Eastern and Southern Africa (COMESA) and the Gulf Organization for Industrial Consulting are under consideration by Members.

3. The focus of this report is on the period since the Committee's last annual report (G/L/935), that is, 27 October 2010 – 25 October 2011 (hereinafter "the review period"). During the review period, the Committee held two regular meetings, on 4 May 2011 and 24-25 October 2011 (G/ADP/M/40/Rev.1 and G/ADP/M/41, respectively).

4. As of the beginning of the review period, Mr. Adrian Serra (Argentina) was the Chair and Mr. Ben Czapnik (Australia) was the Vice Chair of the Committee. At its May 2011 meeting, the Committee elected Mr. Subhas Gujadhur (Mauritius) as Chair. Mr. Gujadhur took office at the end of that meeting. On the position of Vice Chair of the Committee, due to the unavailability of candidates who could accept to serve in this capacity, the Chair suggested that election of the new Vice-Chair be postponed until the next regular meeting of the Committee on the basis of further consultations.

### II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Article 18.5 of the Agreement provides that "Each Member shall inform the Committee of any changes in its laws and regulations relevant to this Agreement and in the administration of such laws and regulations". Pursuant to a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are to be notified to the Committee as well. Pursuant to that same

decision of the Committee, if a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 25 October 2011, 106 Members had notified the Committee regarding their domestic anti-dumping legislation.<sup>1</sup> Of these 106 Members, 33 notified the Committee that they had no anti-dumping legislation. Members' communications in this regard can be found in document series G/ADP/N/1/... Twenty Members had not, as of the end of the review period, made any notification of anti-dumping legislation and/or regulations. Annex A sets out the status of notifications concerning legislation under Article 18.5 of the Agreement, and sets out the reference symbol(s) of the document(s) containing each Member's current notification in this regard.

7. During the review period, the Committee reviewed new notifications regarding anti-dumping laws and/or regulations submitted by the following Members: Brazil, Ecuador, Gabon, Japan, Korea, Kuwait and Oman. Written questions and answers regarding these notifications can be found in documents of the G/ADP/Q1/... series.

### **III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS TAKEN BY MEMBERS**

8. Semi-annual reports for the period 1 July-31 December 2010 pursuant to Article 16.4. As of 25 October 2011, 34 Members<sup>2</sup> had notified the Committee of anti-dumping actions taken during this period. Twenty two Members had notified the Committee that they had not taken any anti-dumping actions during this period. Fourteen Members that notified competent authorities and 21 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/209/.... At the Committee's regular meeting in May 2011, the Chair reported that it appeared that most Members taking actions had submitted semi-annual reports, but that some had arrived after the deadline. Members that had not submitted reports of actions taken, nil returns or one-time notifications, were strongly urged to submit these notifications. Members were also encouraged to submit their semi-annual reports on time. The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2/....

9. Semi-annual reports for the period 1 January-30 June 2011 pursuant to Article 16.4. As of 25 October 2011, 33 Members had notified the Committee of anti-dumping actions taken during this period.<sup>3</sup> Twelve Members had notified the Committee that they had not taken any anti-dumping actions during this period. Twenty four Members that notified competent authorities and 22 Members that did not notify competent authorities had not submitted notifications in this regard. These semi-annual reports were circulated in document series G/ADP/N/216/.... At the Committee's regular meeting in October 2011, the Chair emphasized that Members that had not submitted reports of actions taken, nil returns or one-time notifications, were strongly urged to submit these reports. Members were also encouraged to submit their semi-annual reports on time. The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2....

---

<sup>1</sup> The European Union is counted as one Member. Prior to 1 May 2004, the member States of the European Union were: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, the Netherlands, Portugal, Spain, Sweden and the United Kingdom. As of 1 May 2004, the following Members became member States of the European Union: Cyprus, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, the Slovak Republic, and Slovenia; and as of 1 January 2007, Bulgaria and Romania also became member States of the European Union. See documents G/ADP/N/1/EEC/2/Suppl.6 and .../Suppl.8 for information on the current status of the previously-submitted laws and regulations of these Members.

<sup>2</sup> The European Union is counted as one Member.

<sup>3</sup> The European Union is counted as one Member.

10. As of 25 October 2011, the number of Members that had submitted a one-time notification pursuant to Articles 16.4 and 16.5 was 35<sup>4</sup>.

11. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2010 - 30 June 2011 is reproduced in Annex C to this report.

#### **IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS**

12. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the period under consideration were received from Argentina, Brazil, Canada, China, Dominican Republic, Ecuador, Egypt, European Union, India, Jamaica, Korea, Mexico, Morocco, New Zealand, Pakistan, Panama, Peru, South Africa, Chinese Taipei, Turkey, Ukraine, and the United States as indicated in documents G/ADP/N/207, G/ADP/N/208, G/ADP/N/210, G/ADP/N/211, G/ADP/N/212, G/ADP/N/213, G/ADP/N/214, G/ADP/N/215, G/ADP/N/217, G/ADP/N/218, G/ADP/N/219, and G/ADP/N/220.

13. The Committee reviewed the notifications of preliminary and final actions at its regular meetings in May and October 2011. At these meetings, the Chair drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final measures had not submitted reports of preliminary or final actions taken. The Chair highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled that the revised minimum information format that had been adopted by the Committee in October 2006<sup>5</sup> and revised in October 2009<sup>6</sup> clarified the kinds of actions to be notified and the information to be submitted. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

#### **V. TRANSITIONAL REVIEW OF CHINA**

14. During the October 2011 meeting, the Committee undertook the review, as appropriate to its mandate, of the implementation by China of the WTO Agreement and of the related provisions of its Protocol of Accession, as provided for in Paragraph 18 of the Protocol of Accession of the People's Republic of China to the WTO. No written questions or comments were submitted by any Member prior to the meeting. The delegation of China responded orally to oral comments made at the meeting. The statements of Members are reflected in the minutes of that meeting. The Committee agreed that its report to the Council for Trade in Goods would be in the form of a brief factual report, prepared by the Chairperson on his own responsibility, containing references to the documents concerned and attaching the portion of the minutes of the meeting which relate to this ninth and final transitional review.<sup>7</sup>

#### **VI. WORKING GROUP ON IMPLEMENTATION**

15. The Working Group on Implementation held two meetings during the period under review, back-to-back with the Committee's regular meetings in May and October 2011.

---

<sup>4</sup> Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2009. Members' notifications in this regard could be found in document G/ADP/N/193 series.

<sup>5</sup> G/ADP/2/Rev.1.

<sup>6</sup> G/ADP/2/Rev.2.

<sup>7</sup> G/ADP/21.

16. At its spring meeting in May 2011, the Group discussed three papers. The first two papers had been submitted by Egypt, one on constructed export price and the other on the accuracy and adequacy test, while the third was submitted by Turkey, also on the adequacy and accuracy test.

17. At the Group's meeting in October 2011, six new papers were placed on the agenda of the meeting. The first paper was submitted by South Africa on constructed export price, the second was submitted by Colombia on other known causes of injury, the third and fourth were submitted by South Africa and Colombia, respectively and pertained to the accuracy and adequacy test, while the fifth and sixth related to sunset reviews and were submitted by Pakistan and Colombia, respectively. In conclusion, the Chair encouraged other Members to submit papers on the nine topics currently under discussion in the Group.

## **VII. INFORMAL GROUP ON ANTI-CIRCUMVENTION**

18. The Informal Group on Anti-Circumvention held two meetings during the reporting period, back-to-back with the May and October 2011 regular meetings of the Committee. There were no papers submitted to the Group, nor were there discussions conducted at the May or October meetings. Concerning the future work of the Group, Members considered that the Group should continue its work along the same lines as had been the case to date.

## **VIII. OTHER ITEMS DISCUSSED BY THE COMMITTEE**

19. No item was requested by any Member to be placed on the agenda of the May or October regular meetings.

## **IX. OTHER BUSINESS**

20. During the review period, the Committee noted statements regarding the following matters under the agenda item "Other Business":

- The Chairs made brief statements encouraging Members that had issues to raise with other Members under other business to provide sufficient heads-up to the Member concerned prior to the meeting in order to ensure that an answer could be provided at the meeting.
  - The Chair made a statement regarding the late submission of semi-annual reports, the large number of inaccuracies in some of these reports as submitted and the significant delays in responding to the Secretariat requests for corrections. He urged Members to work diligently on these issues in order to ensure that their reports are properly reflected in the circulated lists of reports received and thoroughly reviewed by the Committee.
-

## ANNEX E

### **Compilation of the information reported by Members in respect of the manner in which the obligations of Article 15 of the AD Agreement have been fulfilled<sup>1</sup> as at 25 October 2011**

#### **South Africa**

Excerpted from documents G/ADP/N/209/ZAF, page 5 and G/ADP/N/216/ZAF, page 5

#### Basis for determination codes:

LDC      Treatment having regard to Article 15 of the Agreement and the Decisions of the Committee

#### **United States**

Excerpted from documents G/ADP/N/209/USA, page 6 and G/ADP/N/216/USA, page 4

"For all investigations to which Article 15 applies, the Department of Commerce provided respondent companies an opportunity to explore the possibilities of price undertakings with the Department. The Department provided this opportunity to all developing country Members without prejudice to whether the Member's essential interests were affected. During the reporting period, several respondent companies took advantage of this opportunity."

---

---

<sup>1</sup> Pursuant to the recommendation in G/ADP/9, adopted by the Committee on 27 November 2002.
