## **MALAWI - RENEGOTIATION OF SCHEDULE LVIII**

### **Extension of Time-Limit**

The following communication, dated 26 July 1995, has been received from the Government of Malawi.

\_\_\_\_\_

As regards the need to apply for another extension of waiver, while we are still compiling the necessary documentation so that the renegotiations could start with those trading partners that will be interested to renegotiate with Malawi, we think that we will still need some technical assistance as we do not seem to have the pre-Uruguay Round schedules and we do not know the specific areas for renegotiations.

However, in the meantime we would like hereby to apply for an extension of the waiver of our pre-Uruguay Round Schedule in order for us to complete the process of compiling the necessary statistics.

In the light of the foregoing we should be most grateful if you could provide us with your technical assistance in the finalisation of this Schedule in order for us to undertake the renegotiations.
