G/L/1006  
25 October 2012

(12-5830)

## REPORT (2012) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

### I. ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of GATT 1994 ("the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices ("the Committee") established under the Agreement.

2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the ACP Group and the OECD are invited to attend meetings on an *ad hoc* basis. Requests for Observer status from the Common Market for Eastern and Southern Africa and the Gulf Organization for Industrial Consulting are under consideration by Members.

3. This report covers the period 25 October 2011–24 October 2012 ("the review period"). During the review period, the Committee held two regular meetings, on 23 April and 24 October 2012 (G/ADP/M/42 & Suppl.1 and G/ADP/M/43, respectively).

4. As of the beginning of the review period, Mr Subhas Gujadur (Mauritius) was Chair of the Committee. At its April meeting, the Committee elected Mr Shai Moses (Israel) as Chair; Mr Moses took office at the end of that meeting. At its October meeting, the Committee elected Mrs. Alana Hudson (New Zealand) as Vice-Chair.

### II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Pursuant to Article 18.5 of the Agreement and a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are also to be notified. If a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 24 October 2012, 74 Members had notified their anti-dumping legislation<sup>1</sup>, while 35 Members had notified that they had no such legislation. These notifications can be found in document series G/ADP/N/1/... . Twenty-one Members had not, as of the end of the review period, made any notification of anti-dumping legislation. Annex A sets out the status of notifications under

---

<sup>1</sup> The European Union is counted as one Member.

Article 18.5, and the reference symbol(s) of the document(s) containing each Member's current notification.

7. During the review period, the Committee reviewed new notifications of legislation submitted by the following Members: Australia; Brazil; Ecuador; India; Indonesia; Nepal; Pakistan; Togo and the United States. It also continued its review of the notifications of Ecuador and India. Written questions and answers regarding these notifications can be found in documents of the G/ADP/Q1/... series.

### **III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS PURSUANT TO ARTICLE 16.4**

8. With respect to the semi-annual reports for the period 1 July-31 December 2011, as of 24 October 2012, 32 Members<sup>2</sup> had notified the Committee of anti-dumping actions taken during this period. Twenty-eight Members had notified the Committee that they had not taken any anti-dumping actions during this period. Eleven Members that notified competent authorities and 18 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/223/... . Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2/... .

9. With respect to the semi-annual reports for the period 1 January-30 June 2012, as of 24 October 2012, 34 Members had notified the Committee of anti-dumping actions taken during this period.<sup>3</sup> Nineteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Nineteen Members that notified competent authorities and 20 Members that did not notify competent authorities had not submitted notifications in this regard. These semi-annual reports were circulated in document series G/ADP/N/230/... .

10. As of 24 October 2012, 37 Members had submitted a one-time notification pursuant to Articles 16.4 and 16.5.<sup>4</sup>

11. At the Committee's meetings in April and October, the Chair strongly urged Members that had not submitted reports of actions taken, nil returns or one-time notifications, to submit these notifications. The status of semi-annual reports for both periods is set out in Annex B.

12. The Chair also referred to a non-exhaustive list of recurrent problems contained in the semi-annual reports submitted by Members. He explained that these types of problems coupled with significantly late submission of these reports and Members' very slow reactions to the Secretariat's requests for corrections, had yielded an unsustainable situation. He urged Members to work diligently on these issues to ensure that their reports were properly reflected in the circulated lists of reports and thoroughly reviewed by the Committee.

13. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2011-30 June 2012 is reproduced in Annex C to this report.

---

<sup>2</sup> The European Union is counted as one Member.

<sup>3</sup> The European Union is counted as one Member.

<sup>4</sup> Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2009. Members' notifications in this regard could be found in document G/ADP/N/193 series.

#### **IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS**

14. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the review period were received from Argentina, Australia, Brazil, Canada, Chile, China, Dominican Republic, Ecuador, Egypt, European Union, India, Indonesia, Japan, Korea, Mexico, Morocco, New Zealand, Pakistan, Peru, South Africa, Chinese Taipei, Turkey, Ukraine, the United States and Uruguay as indicated in documents G/ADP/N/221, G/ADP/N/222, G/ADP/N/224, G/ADP/N/225, G/ADP/N/226, G/ADP/N/227, G/ADP/N/228, G/ADP/N/229, G/ADP/N/231, G/ADP/N/232, G/ADP/N/233, and G/ADP/N/234.

15. The Committee reviewed the notifications of preliminary and final actions at its meetings in April and October 2012. At these meetings, the Chair drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final measures had not submitted reports of preliminary or final actions taken. The Chair highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled that the revised minimum information format that had been adopted by the Committee in October 2006<sup>5</sup> and revised in October 2009<sup>6</sup> clarified the kinds of actions to be notified and the information to be submitted.

16. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

#### **V. WORKING GROUP ON IMPLEMENTATION**

17. The Working Group on Implementation held two meetings during the review period, back-to-back with the Committee's meetings in April and October 2012.

18. At its meeting in April, the Group discussed three papers from Members. The first, from Colombia, was on "Article 3.5 – other known causes of injury", the second, from New Zealand, was on "Article 5.3 – accuracy and adequacy test", and the third, from Colombia, was on "Article 11.3 – sunset reviews". At its meeting in October, no new papers were submitted and no discussions took place.

19. At both meetings, the Chair encouraged Members to submit papers on the nine topics currently under discussion in the Group.

#### **VI. INFORMAL GROUP ON ANTI-CIRCUMVENTION**

20. The Informal Group on Anti-Circumvention held two meetings during the review period, back-to-back with the April and October Committee's meetings. No papers were submitted to the Group, nor were there discussions at these meeting. Concerning the future work of the Group, Members considered that the Group should continue its work along the same lines as had been the case to date.

<sup>5</sup> G/ADP/2/Rev.1.

<sup>6</sup> G/ADP/2/Rev.2.

## **VII. OTHER ITEMS DISCUSSED BY THE COMMITTEE**

### A. ANTI-DUMPING INVESTIGATION BY INDONESIA ON WHEAT FLOUR ORIGINATING IN TURKEY – ITEM REQUESTED BY TURKEY

21. At the October meeting of the Committee, this issue was raised and discussed at the request of Turkey.

## **VIII. OTHER BUSINESS**

- The Chair encouraged Members that had issues to raise with other Members under other business to provide sufficient notice to the Member concerned prior to the meeting in order to ensure that an answer could be provided at the meeting.
  - The Chair reminded Members that unless there was an exceptional need to do otherwise and only if authorized by the Chair, documents submitted following the issuance of the airgram of a meeting would not be discussed at that meeting.
-

## ANNEX A

### ANTI-DUMPING LEGISLATION NOTIFICATIONS as at 24 October 2012

**Key:** \* = Notification of no anti-dumping legislation  
None = No notification submitted

## ANNEX E

### **Compilation of the information reported by Members in respect of the manner in which the obligations of Article 15 of the AD Agreement have been fulfilled<sup>1</sup> as at 24 October 2012**

#### **South Africa**

Excerpted from documents G/ADP/N/223/ZAF, page 4 and G/ADP/N/230/ZAF, page 5

##### Basis for determination codes:

LDC Treatment having regard to Article 15 of the Agreement and the Decisions of the Committee

#### **United States**

Excerpted from documents G/ADP/N/223/USA, page 4 and G/ADP/N/230/USA, page 6

"For all investigations to which Article 15 applies, the Department of Commerce provided respondent companies an opportunity to explore the possibilities of price undertakings with the Department. The Department provided this opportunity to all developing country Members without prejudice to whether the Member's essential interests were affected. During the reporting period, several respondent companies took advantage of this opportunity."

---

<sup>1</sup> Pursuant to the recommendation in G/ADP/9, adopted by the Committee on 27 November 2002.
