## REPORT (2000) OF THE COMMITTEE ON SAFEGUARDS

### I. GENERAL

1. The Committee on Safeguards was established in 1995 to perform the functions set out in Article 13 of the Agreement on Safeguards. This report is submitted in accordance with Article 13.1(a) of the Agreement, which requires the Committee to report annually to the Council for Trade in Goods on the general implementation of the Agreement. The report covers the period since the Committee's last annual report (G/L/338), i.e., 26 October 1999 - 9 November 2000.
2. During the period under review, the Committee held two regular meetings, on 5 May 2000 (G/SG/M/15) and 9 November 2000 (G/SG/M/16).
3. Observer governments in the General Council of the WTO have observer status in the Committee. Pursuant to their Agreements with the WTO, the IMF and the World Bank have observer status in the Committee as well. UNCTAD has observer status in the Committee through a Committee decision.
4. Both the OECD and the ACP Group have requested regular observer status in the Committee. At its regular meetings in 1998, the Committee decided to invite the OECD to attend Committee meetings on an *ad hoc* basis, subject to objection by a Member in particular cases. At the same time, the Committee also decided to invite the ACP Group to attend its meetings on an *ad hoc* basis, pending the outcome of horizontal consultations with respect to the ACP Group's request for observership in various WTO bodies. The Committee continued this practice during the reporting period.
5. At its regular meeting of 8 May 2000, the Committee elected Mr. Joshua Phoho Setipa (Lesotho) as Chairperson. The Committee elected Mr. István Pokorádi (Hungary) as Vice Chairperson at its regular meeting on 9 November 2000.

### II. NOTIFICATION AND EXAMINATION OF SAFEGUARDS LAWS AND/OR REGULATIONS OF MEMBERS

6. During the period under review, the Committee continued its review of notifications under Article 12.6 of the Agreement concerning national legislation and/or regulations in the area of safeguards. For Members with such legislation and/or regulations, these notifications consist of the full and integrated text thereof. For Members without such legislation and/or regulations, these notifications inform the Committee of this fact.
7. As of 9 November 2000, 87 Members<sup>1</sup> had notified the Committee of their domestic safeguards legislation and/or regulations or made communications in this regard to the Committee

<sup>1</sup> Counting the EC as a single Member for purposes of the legislative notification.

(G/SN/G/1 and addenda). Thirty-seven Members had not as of that date made such a notification. Annex 1 lists the status of notifications under Article 12.6 of the Agreement. The extent of the non-compliance with this notification obligation, and the implications of this situation, were discussed at the meetings of the Committee held during the review period (G/SN/M/15 and G/SN/M/16).

8. Of the 87 Members submitting notifications, 48 notified that they had no specific legislation relating to safeguards. Of the 48 Members notifying that they had no specific legislation, 11 indicated that the WTO Agreement has force of law in their territory.

9. During the period under review, the Committee reviewed the notified new or amended legislative texts of the following Members: Chile, Ecuador, the Kyrgyz Republic, Latvia, Thailand and Venezuela.

10. The Committee also reviewed during this period the notifications without legislative text of the following Members: Chad, Estonia and Namibia.

11. The substance of the review of legislative notifications is reflected in the written questions put to Members and the written answers to those questions. References to the questions and answers pertaining to each notification can be found in the minutes of the meetings at which the notifications were reviewed (G/SN/M/15 and G/SN/M/16).

These were from Argentina and the European Communities regarding the Argentine measure on footwear, from Argentina and Indonesia regarding the Argentine measure on footwear, from Brazil and the European Communities regarding the Brazilian measure on toys, from the United States and Australia regarding the US measure on lamb meat, from the European Communities and the United States regarding the US measures on line pipe and steel wire rod, and from Japan and the United States regarding the US measures on line pipe and steel wire rod.

#### **IV. PRE-EXISTING MEASURES**

23. The Committee noted that all notified pre-existing measures covered by Articles 10 and 11 of the Agreement were phased out by 1 January 2000. The Committee noted that Nigeria had also notified certain measures as pre-existing in document G/SG/N/2/NGA. At the Committee's 9 November 2000 meeting, Nigeria undertook to update the Committee on the status of these measures as soon as possible.

**V. OTHER ISSUES RAISED**

24. At the Committee's 9 November 2000 meeting, it was agreed that the Chairman should consult informally with Members on the desirability of the Committee establishing a venue for discussing matters concerning the application of the Safeguards Agreement. Members' preliminary comments concerning this matter are contained in document G/SG/M/16.
