## REPORT (1999) OF THE COMMITTEE ON SUBSIDIES AND COUNTERVAILING MEASURES

### I. ORGANIZATION OF THE WORK OF THE COMMITTEE

1. This Report focuses on the period since the Committee's last annual report (G/L/267), that is, 3 November 1998–2 November 1999 (hereinafter "the review period"). During the review period, the Committee held four meetings. Regular meetings of the Committee were held on 3 May 1999 (G/SCM/M/20) and 1-2 November 1999 (G/SCM/M/22). Special meetings of the Committee were held on 4 May 1999 (G/SCM/M/21) and on 1-2 November 1999 (G/SCM/M/23), to review 1998 new and full subsidy notifications. Pursuant to the Committee's decisions at its regular meeting in October 1998, the OECD and the ACP Group were invited on an ad hoc basis to attend these meetings.

2. As of the beginning of the review period, Mr. Carlos Antonio da Rocha Paranhos (Brazil) was Chair, and Ms. Laurence Wiedmer (Switzerland) was Vice Chair, of the Committee. At its regular meeting in May 1999, the Committee elected Mr. Jan Söderberg (Sweden) as Chair, and Mr. Piotr Derwich (Poland) as Vice Chair. Pursuant to the Committee's Rules of Procedure, they took office at the end of that meeting.

### II. PERMANENT GROUP OF EXPERTS

3. The Committee is required by Article 24.3 of the Agreement on Subsidies and Countervailing Measures to establish a Permanent Group of Experts ("PGE"). The tasks assigned to the PGE by the Agreement are to provide assistance to a Panel, on request, with regard to whether a measure is a prohibited subsidy; to provide Members with confidential advisory opinions on the nature of any subsidy proposed to be introduced or currently maintained by that Member; and to provide the Committee with advisory opinions on the existence and nature of any subsidy. As of the beginning of the period under review, the members of the Permanent Group of Experts were: Mr. A.V. Ganesan, Mr. Gary Horlick, Professor R.G. Flores Junior, Mr. Akira Kotera and Mr. Robert Martin. At its regular meeting in May 1999, the Committee elected Mr. Marco Bronckers to replace Mr. Kotera, whose term of office had expired.

### III. INFORMAL GROUP OF EXPERTS

4. Annex IV of the Agreement provides guidance regarding the calculation of the total ad valorem subsidization of a product for the purposes of determining whether there exists a presumption of serious prejudice under Article 6.1(a) of the Agreement. Note 62 to Annex IV of the Agreement provides that "[a]n understanding among Members should be developed, as necessary, on matters which are not specified in this Annex or which need further clarification for the purposes of paragraph 1(a) of Article 6." The Committee at its meeting of 13 June 1995 created an Informal Group of Experts to examine such matters and to report to the Committee such recommendations as the Group considers could assist the Committee in the development of an understanding among Members, as necessary, regarding such matters.

5. At its regular meeting in April 1998, in the absence of a consensus to adopt the report, the Committee took note of the report of the Informal Group of Experts (G/SCM/W/415/Rev.2), as well as of the statements of Members of the Committee regarding the report, and requested the Informal Group to continue its work with respect to issues it had identified as unresolved. Pursuant to this request, the Group continued to meet, and submitted a supplemental report to the Committee (G/SCM/W/415/Rev.2/Suppl.1). At its November 1999 regular meeting, the Committee, following the earlier approach, took note of the supplemental report. The Committee expressed its appreciation for the work of the Informal Group of Experts.

#### **IV. NOTIFICATION OF SUBSIDIES**

6. New and full notifications. Pursuant to Article 25.1 of the Agreement and Article XVI:1 of GATT 1994, all Members of the Committee were required to submit a new and full notification of subsidies to the Committee by 30 June 1998. As of 2 November 1999, only 24 of 119 WTO Members<sup>1</sup> had notified subsidies pursuant to Article 25 of the Agreement and Article XVI of GATT 1994. In addition, 13 Members had notified that they maintain no subsidies notifiable pursuant to these provisions. These notifications may be found in document series G/SCM/N/38/... . Eighty-two Members had submitted no notification as of the close of the period covered by this Report. A table indicating the status of subsidy notifications is reproduced in Annex A to this Report.

7. In accordance with the procedure agreed by the Committee for review of the 1998 new and full notifications (G/SCM/18), the Committee held two special meetings (in May and November 1999) in conjunction with its May and November 1999 regular meetings. In accordance with the approved procedure, the notifications circulated in all three working languages at least 19 weeks before the special meetings were reviewed at those meetings, on the basis of an exchange of written questions and answers prior to the meeting in question, to be circulated in the G/SCM/Q2/... series. As of the end of the review period, the Committee had reviewed the notifications of Argentina; Benin; Canada; Chile; Costa Rica; Dominica; Ecuador; Egypt; the European Communities; Gambia; Ghana; Guatemala; Hong Kong, China; Iceland; India; Japan; Korea; Latvia; Liechtenstein; Mexico; Namibia; New Zealand; Norway; Panama; Paraguay; Poland; Qatar; St. Kitts & Nevis; Singapore; Slovenia; Switzerland; Thailand; Turkey; United States; and Zimbabwe. The notifications of Cyprus and Macau were received too late to be reviewed at the November 1999 special meeting, and the agreed procedure does not provide for any further meetings after the November 1999 special meeting for the review of 1998 new and full notifications. To complete the review of 1998 new and full notifications (including any that may be received in the future), the Committee decided at its November 1999 special meeting to conduct future review sessions for such notifications at its regular meetings, subject to the same timing and procedures as were followed for the special meetings held for this purpose.

8. 1997 and 1999 updating notifications. Article 25.1 of the Agreement requires that updating notifications be submitted by 30 June 1997, and 30 June 1999. As of 2 November 1999, 38 updating notifications for 1997 and 16 updating notifications for 1999 had been received<sup>2</sup>. These notifications may be found in document series G/SCM/N/25/... and G/SCM/N/48/... See Annexes B and C. The Committee at its regular meetings in May and November 1999 continued its review of 1997 updating notifications and began its review of 1999 updating notifications.

9. Other subsidy notifications. During the review period, the Committee continued its review of 1995 new and full notifications and 1996 updating notifications, as new such notifications were received.

<sup>2</sup>The EC is counted as one Member.

10. Frequency of Article 25 subsidy notifications – Communication from the European Communities. At its regular meeting in May 1999, the Committee considered a communication from the European Community (G/SCM/W/421) proposing that new and full notifications be made biennially rather than triennially, and that updating notifications be eliminated. At that meeting, the Committee authorized the Chairman to undertake informal consultations on the proposal. During informal consultations, the Committee requested the Secretariat to prepare a paper regarding compliance with the annual notification obligations under Article 25. This paper (G/SCM/23), and the communication from the European Community, were discussed at the Committee's November 1999 regular meeting, and alternative proposals were made. The Committee will continue to consider these proposals.

## V. NON-ACTIONABLE SUBSIDIES

11. Pursuant to paragraph 13 of the Procedures for Arbitration Under Article 8.5 of the Agreement (G/SCM/19), the Secretariat has established an Indicative List of qualified persons to serve as arbitrators. At its May 1999 regular meeting, the Committee approved for inclusion in the Indicative List nominations from Korea and the European Communities which had been circulated in documents G/SCM/21/Add. 1, 2 and 3. The Indicative List can be found in document G/SCM/24.

## VI. REVIEW OF THE OPERATION OF ARTICLES 6.1, 8 AND 9

12. Under Article 31 of the Agreement, the Committee is required, not later than 180 days before the end of their five-year period of provisional application, to review the operation of the provisions of Articles 6.1, 8 and 9, with a view to determining whether to extend their application for a further period, as presently drafted or in modified form. At its May 1999 regular meeting, the Committee authorized the Chairman to begin the review process on the basis of informal consultations of the Committee. The provisions will remain in force until the end of the five-year period, and any decision to extend their application, either as presently drafted or in modified form, would need to be taken by the Committee by 31 December 1999. The Committee held informal consultations on this issue on 14 June, 21 July and 7 October 1999, and discussed the review at its November 1999 regular meeting. No consensus to extend the provisions was reached at that meeting. The Chairman indicated that he may call a special meeting of the Committee before 31 December 1999 if appropriate.

## VII. REVIEW OF THE OPERATION OF ARTICLE 27.6

13. Article 27.6 of the Agreement contains a provision for determining whether a developing country Member has reached export competitiveness in a product. Article 27.6 also requires the Committee to review the operation of this provision five years from the date of entry into force of the WTO Agreement. The Committee considered this issue at its November 1999 regular meeting, and decided to revert to it at future meetings.

## VIII. NOTIFICATION AND EXAMINATION OF COUNTERVAILING DUTY LAWS AND/OR REGULATIONS

14. Pursuant to Article 32.6 and in accordance with a decision by the Committee, as of 2 November 1999, 81 Members<sup>3</sup> had notified the Committee of their domestic countervailing duty legislation or made communications in this respect to the Committee (G/SCM/N/1 and addenda). Thirty-eight Members had not, as yet, made notifications under Article 32.6 of the Agreement. A table indicating the status of these notifications is reproduced in Annex D to this Report.

---

<sup>3</sup>The EC is counted as one Member.

15. During the review period, the Committee reviewed the notifications regarding countervailing duty legislation by the following Members: Argentina, Australia, Dominica, Egypt, European Communities, Fiji, Ghana, Indonesia, Jamaica, Latvia, Maldives, Trinidad & Tobago, and the United States. Written questions and answers regarding these reviews may be found in documents of the G/SCM/Q1... series.

16. During the review period, the Committee undertook further review of notifications of legislation previously reviewed, in particular that of Argentina, pursuant to procedures adopted by the Committee at its joint special meeting with the Committee on Anti-Dumping Practices in April 1996.

## **IX. SEMI-ANNUAL REPORTS ON COUNTERVAILING ACTIONS**

17. Notifications for 1 July - 31 December 1998. As of 2 November 1999, seven Members had notified actions taken during the period 1 July-31 December 1998. Fifty-six Members had notified the Committee that they had not taken any countervailing duty action during this period. The remaining Members had not submitted a notification. These semi-annual reports were circulated in document series G/SCM/N/47. The status of semi-annual reports is set out in Annex E.

18. Notifications for 1 January - 30 June 1999. As of 2 November 1998, seven Members had notified actions taken during the period 1 January-30 June 1999. Forty-one Members had notified the Committee that they had not taken any countervailing duty action during this period. The remaining Members had not submitted a notification. These semi-annual reports were circulated in document series G/SCM/N/52. The status of semi-annual reports is set out in Annex E.

19. A table summarising notifications of new countervailing duty actions taken by Members during the period 1 July 1998-30 June 1999 is reproduced in Annex F to this Report.

## **X. REPORTS ON ALL PRELIMINARY OR FINAL COUNTERVAILING DUTY ACTIONS**

20. Pursuant to Article 25.11 of the Agreement, Members are to report without delay to the Committee all preliminary and final countervailing actions taken. Guidelines for the information to be contained in these reports are set forth in G/SCM/3. As of 2 November 1999, reports of preliminary and final countervailing actions had been received during the review period from Australia, the European Communities, Mexico, and the United States (G/SCM/N/45, 46, 49, 50, 51, 53, and 54). The Committee reviewed the notifications of preliminary and final actions at its regular meetings in May and November 1999.

## **XI. OTHER MATTERS DISCUSSED BY THE COMMITTEE**

21. Other issues. During the period of review, the Committee also considered the following issues:

- United States – Countervailing duty investigations concerning imports of cut-to-length carbon steel plate from France and Italy – Request from the European Communities.
- Compliance with Article 25 notification requirements – Request from the European Communities.

22. Other business. During the period of review, the following items were raised under the agenda item “Other business”:

- Chairman's report to the Chairman of the Council for Trade in Goods concerning the work of the Committee since its 1998 annual report – Statement by the Chairman.
- Canada – Countervailing duty investigation concerning hot-rolled carbon steel plate – Requests from Indonesia and Thailand.
- European Community – Countervailing duty investigation concerning polyethylene teraphthalate (PET) – Request from Thailand
