The following communication, dated 17 March 2006, is being circulated at the request of the EFTA States.

It is organized in accordance to the Standard Format for Information on Regional Trade Agreements (WT/REG/W/6).

In accordance with the guidelines approved by the Council for Trade in Goods¹, as recommended by the Committee on Regional Trade Agreements² and the reporting schedule established by the WTO Secretariat in WT/REG/W/33, the Parties to the Agreement establishing the free trade area between the EFTA States and the Slovak Republic (FTA) herewith provide their biennial report on the operation of the agreement covering the period of July 2001 to April 2004. The last such report was issued on 31 August 2001³.

Main developments

In the reporting period, the Joint Committee met once on 10 February 2003 and adopted one Joint Committee decision. For further details see Annex I. The agreement ceased to exist on 1 May 2004, when the Slovak Republic became a member of the European Union.

I. BACKGROUND INFORMATION ON THE AGREEMENT

1. Membership and dates of signature, ratification and entry into force

The agreement was signed on 20 March 1992, originally between the EFTA States and the Czech and Slovak Federal Republic (CSFR). Following the dissolution of the CSFR on 31 December 1992, a Protocol on the succession by the Slovak Republic to the agreement was signed on 19 April 1993.

The agreement entered into force on 1 July 1992. Austria, Finland and Sweden ceased to be Parties to the FTA, following their withdrawal from the EFTA Convention and accession to the European Union on 1 January 1995. Liechtenstein has applied it provisionally as of 1 January 1997.
