## REPORT (2022) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

(ADOPTED ON 26 OCTOBER 2022)

### 1 ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of GATT 1994 ("the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices ("the Committee") established under the Agreement.
2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the Organization of African, Caribbean and Pacific States ("OACPS") and the OECD are invited to attend meetings on an *ad hoc* basis. Requests for Observer status from the Common Market for Eastern and Southern Africa and the Gulf Organization for Industrial Consulting are under consideration by Members.
3. This report covers the period 28 October 2021 – 26 October 2022 ("the review period"). During the review period, the Committee held two regular meetings, on 27 April and 26 October 2022.
4. As of the beginning of the review period, Mr Ahmed AL-SULAITI (Qatar) was Chair and Mr Erik Philip Greger SOLBERG (Norway) was Vice-Chair of the Committee. On 23 May 2022, the Council for Trade in Goods ("CTG") designated Mr Juan Carlos ESTRELLA (Ecuador) as Chairperson of the Committee. As per the Committee's decision on 27 April 2022<sup>1</sup>, a communication in this respect was sent to the Membership on 24 May 2022 and as no written objection was received, Mr Juan Carlos ESTRELLA was elected as the Chairperson of the Committee on 30 May 2022.

### 2 NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Pursuant to Article 18.5 of the Agreement and a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are also to be notified. If a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.
6. As of 26 October 2022, 87 Members had notified their anti-dumping legislation<sup>2</sup>, while 35 Members had notified that they had no such legislation. These notifications can be found in document series G/ADP/N/1/.... Fifteen Members had not, as of the end of the review period, made any notification of anti-dumping legislation. Annex A sets out the status of notifications under Article 18.5, and the reference symbol(s) of the document(s) containing each Member's current notification.
7. During the review period, the Committee reviewed new notifications of legislation and/or regulations submitted by the following Members: Brazil, Cameroon, Canada, Djibouti, India, United Kingdom and the United States. The Committee continued the review of the legislative

<sup>1</sup> Committee minutes contained in document G/ADP/M/61.

<sup>2</sup> The European Union and its 27 member States are counted as one WTO Member.

notifications of the following Members that have been previously reviewed by the Committee: Cameroon and the European Union. In addition, pending written questions posed to the legislative notifications of the following Members remained on the agendas of the April and/or the October 2022 meetings: Cameroon, European Union, Ghana, India, St Kitts & Nevis and Liberia. Written questions and answers regarding legislative notifications can be found in document series G/ADP/Q1/....

### **3 SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS PURSUANT TO ARTICLE 16.4**

8. With respect to the semi-annual reports for the period 1 July-31 December 2021, as of 26 October 2022, 45 Members<sup>3</sup> had notified the Committee of anti-dumping actions taken during this period. Sixteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Thirteen Members that notified competent authorities and 10 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/364/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes<sup>4</sup> of the meeting.

9. With respect to the semi-annual reports for the period 1 January-30 June 2022, as of 26 October 2022, 45 Members<sup>5</sup> had notified the Committee of anti-dumping actions taken during this period. Sixteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Thirteen Members that notified competent authorities and 10 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/370/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes<sup>6</sup> of the meeting.

10. As of 26 October 2022, 53 Members had submitted a one-time notification pursuant to Articles 16.4 and 16.5.<sup>7</sup>

11. The Chairs strongly urged Members that had not submitted reports of actions taken, nil returns or one-time notifications, to submit these notifications.

12. At the April and October meetings, the Chairs informed Members that the new AD portal has been extensively used by Members to submit their semi-annual reports covering the second half of 2021 and the first half of 2022, respectively. At the October meeting, the Chair reminded Members of the Secretariat presentation on the new Trade Remedies Data Portal to be delivered following the meeting.

13. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2021-30 June 2022 is reproduced in Annex C to this report.

### **4 REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS**

14. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the review period were received from Argentina; Armenia; Australia; Brazil; Canada; China; Dominican Republic; European Union<sup>8</sup>; India; Indonesia; Japan; Kazakhstan; Korea, Republic of; Kyrgyz Republic; Mexico; Morocco; New Zealand; Pakistan; Philippines; Russian Federation; South Africa; Chinese Taipei; Türkiye; Ukraine; United Kingdom; United States; Uruguay and Viet Nam as indicated in documents G/ADP/N/362, G/ADP/N/363, G/ADP/N/365, G/ADP/N/366, G/ADP/N/367, G/ADP/N/368, G/ADP/N/369, G/ADP/N/371, G/ADP/N/372, G/ADP/N/373, G/ADP/N/374/Rev.1, and G/ADP/N/375. A table summarizing these documents is reproduced in Annex D to this report.

---

<sup>3</sup> The European Union and its 27 member States are counted as one WTO Member.

<sup>4</sup> Circulated in document G/ADP/M/61.

<sup>5</sup> The European Union and its 27 member States are counted as one WTO Member.

<sup>6</sup> To be circulated in document G/ADP/M/62.

<sup>7</sup> Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2009. Members' notifications in this regard can be found in document G/ADP/N/193 series.

<sup>8</sup> The European Union and its 27 member States are counted as one WTO Member.

15. The Committee reviewed the notifications of preliminary and final actions at the meeting. The Chairs drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final actions had not submitted ad hoc notifications of preliminary or final actions taken. The Chairs highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members and recalled that the revised minimum information format that had been adopted by the Committee in October 2006<sup>9</sup> and revised in October 2009<sup>10</sup> clarified the kinds of actions to be notified and the information to be submitted. The Chairs also reiterated the importance of submitting these notifications, as in the case of all other notifications, to the WTO Centre for Registration and Notification ("CRN") with a copy to the Secretary of the Committee. Members were also requested not to resubmit previously submitted notifications and to verify the electronic web-links included in such notifications.

## **5 WORKING GROUP ON IMPLEMENTATION**

16. During the review period, the Working Group on Implementation (WGI) held two meetings: on 28 and 29 October 2021 and on 28 and 29 April 2022, respectively. At its meeting in October 2021, Ms Yomna Elshabrawy of Egypt served as discussant and the Group discussed issues relating to (i) reviews for the purpose of determining individual margins of dumping for any exporters or producers in the exporting country (new shipper reviews); (ii) price undertakings; and (iii) access to non-confidential case files. At its meeting in April 2022, Mr Wolfgang Müller of the European Union served as discussant and the Group discussed issues relating to: (i) order and application of tests for determining the ordinary course of trade and 5% test; (ii) determination of the viability of domestic sales in dumping margin calculations; (iii) application of "arm's length sales test" on domestic sales to related parties and treatment of affiliated parties in dumping calculations; and (iv) duty assessment.

17. The WGI is scheduled to hold its meeting on 27 and 28 October 2022, back-to-back with the October 2022 regular meeting of the Committee. Further details will be reflected in the 2023 Annual Report of the Committee.

## **6 INFORMAL GROUP ON ANTI-CIRCUMVENTION**

18. The Informal Group on Anti-Circumvention held only one meeting during the review period. This meeting was held on 27 April 2022 at which the United States made a presentation regarding its amended anti-circumvention regulations. A discussion followed with Members posing questions and offering comments.

19. The Chairs at the April and October meetings reminded Members that the approach agreed upon in 2015 would continue to apply in deciding whether the Informal Group would meet.

## **7 OTHER BUSINESS**

20. The Chairs encouraged Members that had issues to raise with other Members under other business to provide sufficient notice to the Member concerned prior to the meeting in question to ensure that an answer could be provided at the meeting.

21. No Member took the floor under this item of the agenda at the April and the October Committee meetings.

22. The Chair, at the October 2022 Committee meeting, referred to his ongoing informal consultations on the election of the new Vice-Chair and made a statement on the ongoing consultations in the General Council and the Council for Trade in Goods regarding WTO reform and improving the functioning of the WTO Committees.<sup>11</sup>

## ANNEX E

### COMPILED OF THE INFORMATION REPORTED BY MEMBERS IN RESPECT OF THE MANNER IN WHICH THE OBLIGATIONS OF ARTICLE 15 OF THE AD AGREEMENT HAVE BEEN FULFILLED<sup>1</sup> AS AT 26 OCTOBER 2022

#### **South Africa**

Excerpted from document G/ADP/N/364/ZAF, page 7:

Basis for determination codes:

LDC Treatment having regard to Article 15 of the Agreement and the Decisions of the Committee.

#### **United States**

Excerpted from documents G/ADP/N/364/USA, page 10 and G/ADP/N/370/USA, page 7:

"For all investigations to which Article 15 applies, the Department of Commerce provides respondent parties an opportunity to explore the possibilities of price undertakings with the Department. The Department provides this opportunity to all developing country Members without prejudice to whether the Member's essential interests were affected. During the reporting period, several respondent parties took advantage of this opportunity."

---

---

<sup>1</sup> Pursuant to the recommendation in G/ADP/9, adopted by the Committee on 27 November 2002.
