REPORT (2013) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1 ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of GATT 1994 ("the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices ("the Committee") established under the Agreement.
2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the ACP Group and the OECD are invited to attend meetings on an *ad hoc* basis. Requests for Observer status from the Common Market for Eastern and Southern Africa and the Gulf Organization for Industrial Consulting are under consideration by Members.
3. This report covers the period 24 October 2012–23 October 2013 ("the review period"). During the review period, the Committee held two regular meetings, on 24 April and 23 October 2013 (G/ADP/M/44 and G/ADP/M/45, respectively).
4. As of the beginning of the review period, Mr Shai Moses (Israel) was Chair and Ms Alana Hudson (New Zealand) was Vice-Chair of the Committee. At its April meeting, the Committee elected Ms Parima Damrithamanji (Thailand) as Chair and re-elected Ms Alana Hudson (New Zealand) as Vice-Chair. Ms Damrithamanij and Ms Hudson took office at the end of that meeting.

2 NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Pursuant to Article 18.5 of the Agreement and a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are also to be notified. If a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.
6. As of 23 October 2013, 76 Members had notified their anti-dumping legislation¹, while 36 Members had notified that they had no such legislation. These notifications can be found in document series G/ADP/N/1/... . Twenty Members had not, as of the end of the review period, made any notification of anti-dumping legislation. Annex A sets out the status of notifications under Article 18.5, and the reference symbol(s) of the document(s) containing each Member's current notification.
7. During the review period, the Committee reviewed new notifications of legislation submitted by the following Members: Australia, Cameroon, Chile, the European Union, Lao People's Democratic Republic, Morocco, New Zealand, the Russian Federation, Ukraine and the United States. It also continued its review of the notifications of Indonesia. Written questions and answers regarding these notifications can be found in documents of the G/ADP/Q1/... series.

¹ The European Union is counted as one Member. Croatia that became a European Union's member State on 1 July 2013 is counted separately for the purpose of this report.

3 SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS PURSUANT TO ARTICLE 16.4

8. With respect to the semi-annual reports for the period 1 July-31 December 2012, as of 23 October 2013, 31 Members² had notified the Committee of anti-dumping actions taken during this period. Twenty Members had notified the Committee that they had not taken any anti-dumping actions during this period. Twenty-two Members that notified competent authorities and 18 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/237/.... . The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2/....

9. With respect to the semi-annual reports for the period 1 January-30 June 2013, as of 23 October 2013, 32 Members had notified the Committee of anti-dumping actions taken during this period.³ Seventeen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Twenty-three Members that notified competent authorities and 20 Members that did not notify competent authorities had not submitted notifications in this regard. These semi-annual reports were circulated in document series G/ADP/N/244/.... . The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting.

10. As of 23 October 2013, 40 Members had submitted a one-time notification pursuant to Articles 16.4 and 16.5.⁴

11. At the Committee's meetings in April and October 2013, the Chairs strongly urged Members that had not submitted reports of actions taken, nil returns or one-time notifications, to submit these notifications.

12. The Chairs also noted that in connection with its move away from paper documentation, the Secretariat has begun exploring what would be involved in establishing an on-line system for submitting semi-annual reports, which Members could use if they so wished. Systems of this sort have been and are in the process of being established for notifications in other areas of the WTO. The Secretariat would keep Members informed of its efforts in this regard.

13. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2012-30 June 2013 is reproduced in Annex C to this report.

4 REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

14. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the review period were received from Argentina, Australia, Brazil, Canada, Chile, China, Egypt, European Union, India, Japan, Korea, Mexico, Morocco, New Zealand, Pakistan, Peru, Philippines, Russian Federation, South Africa, Chinese Taipei, Turkey, Ukraine and the United States as indicated in documents G/ADP/N/235, G/ADP/N/236, G/ADP/N/238, G/ADP/N/239, G/ADP/N/240, G/ADP/N/241, G/ADP/N/242, G/ADP/N/243, G/ADP/N/245, G/ADP/N/246, G/ADP/N/247, and G/ADP/N/248.

15. The Committee reviewed the notifications of preliminary and final actions at its meetings in April and October 2013. At these meetings, the Chairs drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final measures had not submitted reports of preliminary or final actions taken. The Chairs highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled that the revised minimum information format that had been adopted by the Committee in October 2006⁵ and revised in October 2009⁶

² The European Union is counted as one Member.

³ The European Union is counted as one Member.

⁴ Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2009. Members' notifications in this regard could be found in document G/ADP/N/193 series.

⁵ G/ADP/2/Rev.1.

⁶ G/ADP/2/Rev.2.

clarified the kinds of actions to be notified and the information to be submitted. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

16. The Chairs also reiterated the importance of submitting these notifications, as in the case of all other notifications, to the WTO Centre for Registration and Notification with a copy to the Secretary of the Committee. Members were also requested not to resubmit previously submitted notifications and to verify the electronic web-links included in such notifications.

5 WORKING GROUP ON IMPLEMENTATION

5.1 The Working Group on Implementation held two meetings during the review period, back-to-back with the Committee's regular meetings in April and October 2013

17. At its meeting in April 2013, the Group discussed two papers submitted by Jamaica. The first was entitled "Article 5.3 – Accuracy and Adequacy Test" while the second was entitled "Article 2.2 – Export Price to a Third Country or Constructed Normal Value". With respect to both papers, Jamaica made detailed introductory remarks, followed by a questions and answers session that addressed a wide range of issues contained in each paper. Some Members also took the opportunity to explain their practices on similar issues. The Chair encouraged other Members to submit papers on the nine topics currently under discussion in the Group. The discussion of both papers will continue at spring meeting of the Group in April 2014.

18. At the Group's meeting in October 2013, the Group discussed two papers submitted by Brazil on the "accuracy and adequacy test" under Article 5.3 of the Agreement and on "the determination of significant price undercutting" under Article 3.2 of the Agreement. With respect to both papers, the introduction made by Brazil was followed by questions from Members to which Brazil provided answers. Certain Members also took the opportunity to explain their practices on similar issues.

6 INFORMAL GROUP ON ANTI-CIRCUMVENTION

19. The Informal Group on Anti-Circumvention held two meetings during the review period, back-to-back with the April and October 2013 meetings of the Committee.

20. At the Group's meetings in April and October 2013, no papers were submitted, nor were there discussions at that meeting. Concerning the future work, Members considered that the Group should continue its work along the same lines as had been the case to date.

7 OTHER ITEMS DISCUSSED BY THE COMMITTEE

7.1 Response to Questions on the Notification of Laws and Regulations by Indonesia – Item requested by the United States

21. At the April 2013 meeting, the United States requested Indonesia to submit a written response to the United States' written questions posed on an Indonesian legislative notification. Indonesia indicated that it would provide the answers once received from capital.

7.2 Notification of Brazil's New Legislation on Anti-Dumping – Item Requested by Brazil

22. At the October 2013 meeting, Brazil provided a preliminary overview of its new legislative notification on anti-dumping. This notification will be reviewed by the Committee at its next spring regular meeting.

23. Argentina and Indonesia made statements regarding the investigation conducted by the European Union on Biodiesel. The European Union provided its comments.

24. China made a statement pertaining to the investigation conducted by Peru on Garments (Apparel and Clothing) and Peru provided its comments. China also made a statement regarding

the methodology used by the United States to calculate dumping margins and the United States took note.

25. Indonesia made a statement regarding the investigation conducted by Pakistan on Writing and Printing Paper, to which Pakistan provided comments. Indonesia also made a statement regarding the measures imposed by the European Union on Fatty Alcohols. The European Union provided its comments in this respect.

26. The Chairs encouraged Members that had issues to raise with other Members under other business to provide sufficient notice to the Member concerned prior to the meeting in order to ensure that an answer could be provided at the meeting.
