## REPORT (2024) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

(ADOPTED ON 30 OCTOBER 2024)

### 1 ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of GATT 1994 ("the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices ("the Committee") established under the Agreement.
2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the Organization of African, Caribbean and Pacific States ("OACPS") and the OECD are invited to attend meetings on an *ad hoc* basis. Requests for Observer status from the Common Market for Eastern and Southern Africa and the Gulf Organization for Industrial Consulting are under consideration by Members.
3. This report covers the period 27 October 2023 – 30 October 2024 ("the review period"). During the review period, the Committee held two regular meetings on 24 April and 30 October 2024 and one informal meeting on 4 July 2024.
4. As of the beginning of the review period, Mrs Ayşegül ŞAHINOĞLU YERDEŞ (Türkiye) was Chair of the Committee. On 28 May 2024, the Council for Trade in Goods ("CTG") designated Mr Mohamed ZOUHAIR TAOUS (Tunisia) as Chairperson of the Committee. As per the Committee's decision on 24 April 2024<sup>1</sup>, a communication in this respect was sent to the Membership on 29 May 2024 and as no written objection was received, Mr Mohamed ZOUHAIR TAOUS was elected as the Chairperson of the Committee on 31 May 2024. Due to the unavailability of Mr Mohamed ZOUHAIR TAOUS to preside over the October 2024 regular meeting of the Committee, the meetings of the Informal Group on Anti-Circumvention and the Working Group on Implementation, the Committee elected – on 30 October 2024 – Mr Wolfram SPELTEN of Germany, the current Chair of the Committee on Subsidies and Countervailing Measures – to serve as the interim Chair of these bodies for the October 2024 meetings.

### 2 NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Pursuant to Article 18.5 of the Agreement and a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are also to be notified. If a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.
6. As of 30 October 2024, 88 Members had notified their anti-dumping legislation<sup>2</sup>, while 38 Members had notified that they had no such legislation. These notifications can be found in document series [G/ADP/N/1/...](#). Thirteen Members had not, as of the end of the review period, made

<sup>1</sup> Committee minutes contained in document [G/ADP/M/65](#).

<sup>2</sup> The European Union and its 27 member States are counted as one WTO Member.

any notification of anti-dumping legislation. Annex A sets out the status of notifications under Article 18.5, and the reference symbol(s) of the document(s) containing each Member's current notification.

7. During the review period, the Committee reviewed new notifications of legislation and/or regulations submitted by the following Members: Brazil; Cabo Verde; Kyrgyz Republic; Rwanda; Solomon Islands; United Kingdom and the United States. In addition, pending written questions posed to the legislative notifications of the following Members remained on the agenda of the April meeting: Cameroon, European Union, Ghana, Liberia and St Kitts & Nevis, while pending written questions posed to the legislative notifications of the following Members remained on the agenda of the October meeting: European Union, Ghana, Liberia and St Kitts & Nevis. Written questions and answers regarding legislative notifications can be found in document series [G/ADP/01/...](#).

### **3 SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS PURSUANT TO ARTICLE 16.4**

8. With respect to the semi-annual reports for the period 1 July-31 December 2023, as of 30 October 2024, 44 Members<sup>3</sup> had notified the Committee of anti-dumping actions taken during this period. Sixteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Sixteen Members that notified competent authorities and 9 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series [G/ADP/N/391/...](#). The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes<sup>4</sup> of the meeting.

9. With respect to the semi-annual reports for the period 1 January-30 June 2024, as of 30 October 2024, 45 Members<sup>5</sup> had notified the Committee of anti-dumping actions taken during this period. Fifteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Seventeen Members that notified competent authorities and 9 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series [G/ADP/N/399/...](#). The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes<sup>6</sup> of the meeting.

10. As of 30 October 2024, 51 Members had submitted a one-time notification pursuant to Articles 16.4 and 16.5.<sup>7</sup>

11. The Chairs strongly urged Members that had not submitted reports of actions taken, nil returns or one-time notifications, to submit these notifications.

12. At the April and October meetings, the Chairs informed Members that the new AD portal has been extensively used by Members to submit their semi-annual reports covering the second half of 2023 and the first half of 2024, respectively.

13. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2023-30 June 2024 is reproduced in Annex C to this report.

### **4 REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS**

14. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the review period were received from Argentina; Armenia; Australia; Brazil; Canada; Chile; China; European Union<sup>8</sup>; Georgia; India; Israel; Japan; Kazakhstan; Korea, Republic of; Kyrgyz Republic; Mexico; Morocco; Pakistan; Philippines; Russian Federation; South Africa; Chinese Taipei; Türkiye; Ukraine; United Kingdom; and the United States as indicated in documents

<sup>6</sup> To be circulated in document [G/ADP/M/66](#).

<sup>7</sup> Notifications submitted pursuant to the format contained in document [G/ADP/19](#) adopted by the Committee on 21 October 2009. Members' notifications in this regard can be found in document [G/ADP/N/193](#) series.

<sup>8</sup> The European Union and its 27 member States are counted as one WTO Member.

15. The Committee reviewed the notifications of preliminary and final actions at the April and October meetings. The Chairs drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final actions had not submitted ad hoc notifications of preliminary or final actions taken. The Chairs highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members and recalled that the revised minimum information format that had been adopted by the Committee in October 2006<sup>9</sup> and revised in October 2009<sup>10</sup> clarified the kinds of actions to be notified and the information to be submitted. The Chairs also reiterated the importance of submitting these notifications, as in the case of all other notifications, to the WTO Central Registry for Notification ("CRN") with a copy to the Secretary of the Committee.

## 5 WORKING GROUP ON IMPLEMENTATION

16. During the review period, the Working Group on Implementation ("WGI") held one meeting on 25 April 2024.

17. At that meeting, Mr Maghraoui Hassani Said of Morocco served as discussant and the WGI discussed issues relating to (i) adjustment of the scope of the product under investigation; and (ii) impact of Covid-19 on investigations, including on verification visits, and lessons learned for the future; and administering authority updates on operations after Covid-19.

## 6 INFORMAL GROUP ON ANTI-CIRCUMVENTION

18. At the April regular meeting of the Committee<sup>11</sup>, some Members referred to how the WGI was managing its work and suggested that this Informal Group on Anti-Circumvention ("IGAC") make use of some of the WGI's procedures. The Committee held an informal meeting on 4 July to further explore Members' views with respect to this idea.

19. It was eventually agreed that (i) the October IGAC meeting would be held on 30 October 2024, immediately after the regular meeting of the Committee, (ii) the topic of that IGAC meeting would be "ways and means to address anti-circumvention", and (iii) the draft discussion questions for that meeting would be produced in consultation with the Members<sup>12</sup>. Due to the unavailability of Mr Mohamed ZOUHAIR TAOUS to serve as the discussant of the IGAC meeting, it was agreed that the interim Chair, Mr Wolfram SPELTEN would perform that role for that meeting.

## 7 TRAINING SESSIONS ON THE FUNCTIONING OF THE COMMITTEE

20. As part of the steps agreed on by Members to improve the functioning of the Committee ([G/ADP/32](#)), the Secretariat provided – during the review period – two training sessions on 26 March and 23 September 2024 on the functioning of the Committee. The audio/video of the training along with the presentations could be found on the Committee's [webpage](#).

## 8 NON-MARKET ECONOMY TREATMENT IN ANTI-DUMPING INVESTIGATIONS – ITEM REQUESTED BY THE RUSSIAN FEDERATION

21. The Russian Federation placed this item on the agenda of the April<sup>13</sup> 2024 meeting of the Committee.

## **9 OTHER BUSINESS**

22. The Chairs encouraged Members that had issues to raise with other Members under other business to provide sufficient notice to the Member concerned prior to the meeting in question to ensure that an answer could be provided at the meeting.

23. At the April 2024 Committee meeting, the United States commended the efforts of the Secretariat in the context of the functional reform exercise, especially with respect to the convening notice template. Comments in this respect were also made by China; the European Union; India, Russian Federation and Chinese Taipei.<sup>14</sup>

24. At the October 2024 Committee meeting, no issues were raised by any Member.

## **10 DATES OF THE REGULAR MEETINGS IN 2024**

25. As part of the steps agreed on by Members to improve the functioning of the Committee (G/ADP/32), Members set the dates of both regular meetings of 2025 during the October 2024 meeting.
