## Committee on Anti-Dumping Practices

Original: English

### REPORT (1995) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

#### I. Organization of the work of the Committee

1. The Agreement on Implementation of Article VI of the General Agreement of Tariffs and Trade (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices established under the Agreement.
2. Observer governments in the General Council of the WTO have Observer status in the Committee. In addition, the Committee invited, on an *ad hoc* basis, representatives of the World Bank, OECD, IMF and UNCTAD to attend meetings of the Committee in an observer capacity.
3. During the period under review (January 1995 - October 1995) the Committee held five meetings. A special meeting of the Committee was held on 21 February 1995 (G/ADP/M/1). Regular meetings of the Committee were held on 12 June 1995 and 30 October 1995 (G/ADP/M/2 and 5 respectively). Special meetings of the Committee were held jointly with the Committee on Subsidies and Countervailing Measures on 17 - 21 July 1995 and 23 - 27 October 1995 (G/ADP/M/3 and 4 respectively).
4. The Committee at its special meeting of 21 February 1995 elected Mr. Mohan Kumar (India) as its Chairman. The Committee at its regular meeting of 12 June 1995 elected Mr. John McNab (Canada) as its Vice-Chairman.
5. The Committee at its special meeting of 21 February 1995 decided that its two regular meetings would usually be held in the last week of April and of October.

#### II. Notification and examination of anti-dumping laws and/or regulations of Members

6. The Committee decided at its special meeting of 21 February 1995 that all Members which had available legislation and/or regulations regarding anti-dumping duty investigations or reviews covered by the Agreement should notify the full and integrated text of the relevant legislation and/or regulations to the Committee by 15 March 1995. If such legislation and/or regulations did not exist or were not yet available, the Member would inform the Committee of this fact, and explain the reasons therefore. These notifications will be treated as unrestricted documents.
7. The Committee also decided at its special meeting of 21 February 1995 that Observer governments should provide the Committee with any information the Observer government considers relevant to matters within the purview of the Agreement, including the text of its laws and regulations regarding anti-dumping duties, and information regarding any anti-dumping measures taken by the Observer government.
8. As of 30 October 1995, 57 Members had notified the Committee of their domestic anti-dumping legislation or made communications in this respect to the Committee (G/ADP/N/1 and addenda). 38 Members had not, as yet, made notifications under Article 18.5 of the Agreement. One Observer

government submitted a notification under Article 18.5 of the Agreement. Annex A lists the status of notifications under Article 18.5 of the Agreement.

9. During the period under review, the Committee reviewed the notifications of anti-dumping legislation of the following Members in special meetings held jointly with the Committee on Subsidies and Countervailing Measures: Mexico, Chile, United States, Venezuela, Australia, Korea, European Community, Brazil, Canada, Argentina, India, and New Zealand. Written questions and answers regarding these legislations can be found in documents in the G/ADP/W/... series. The Committee also reviewed the notifications without legislative text of the following Members: Czech Republic, Egypt, Hungary, Mauritius, Peru, Slovak Republic, Singapore, Switzerland, and Uruguay. Written questions and answers regarding these notifications can be found in documents in the G/ADP/W/... series.

### III. Semi-annual reports on anti-dumping actions taken by Members

10. Article 16.4 of the Agreement provides that Members shall submit, on a semi-annual basis, reports on anti-dumping duty actions taken within the preceding six months. Pursuant to the recommendation of the Informal Contact Group (PC/IPL/11, Annex 7), which was adopted by the Committee at its 21 February meeting (G/ADP/M/1, paras. 21-22), the first semi-annual report submitted by each WTO Member would cover the period July-December or January-June, whichever was more recent, preceding the date of entry into force of the WTO Agreement for that Member.

That decision provides for coordination of meetings and notification procedures between the Committee and the Tokyo Round Committee on Anti-Dumping Practices. The decision envisions that notification of a measure to the Committee shall, unless otherwise indicated, be deemed to be a notification to the Tokyo Round Committee on Anti-Dumping Practices.

22. The Committee also discussed the following matters during its regular meetings:

- (i) EU enlargement and automatic application of anti-dumping duties to the new Members of the EU (G/ADP/M/2, paras. 66-83).

- (ii) Anti-circumvention (G/ADP/M/2, paras. 60-65). At its meeting on 30 October 1995, the Committee authorized the Chairman to engage in informal consultations with a view to reporting back to the Committee at its meeting in December on how the Committee is going to respond to the Ministerial Decision, including terms of reference and procedural issues.
- (iii) At its meeting of 30 October 1995, several Members of the Committee raised the issue of the initiation by the European Community of anti-circumvention investigations involving imports of 3.5 inch microdisks from several Members.
- (iv) At its meeting of 30 October 1995, the Committee authorized the Chairman to consult informally regarding a format for a one-time notification of all preliminary and/or final measures in force at the time of entry into force of the WTO Agreement for the Member.
