REPORT (2010) OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

I. ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (hereinafter "the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices (hereinafter "the Committee") established under the Agreement.
2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the OECD is invited to attend meetings on an *ad hoc* basis, and has full access to documents relevant to the Committee's work, subject to objection by a Member in particular cases. Also pursuant to a decision of the Committee in October 1998, the ACP Group is invited to attend meetings on an *ad hoc* basis pending the outcome of horizontal consultations with respect to the ACP Group's requests for Observership in various WTO bodies. Requests for Observer status from the Common Market for Eastern and Southern Africa (COMESA) and the Gulf Organization for Industrial Consulting are under consideration by Members.
3. The focus of this report is on the period since the Committee's last annual report (G/L/902), that is, 21 October 2009 – 27 October 2010 (hereinafter "the review period"). During the review period, the Committee held two regular meetings, on 28 April 2010 and 26-27 October 2010 (G/ADP/M/38 and G/ADP/M/39, respectively).
4. As of the beginning of the review period, Mr. Pasquale De Micco (Italy) was the Chair and Mr. Matthew Wilson (Barbados) was the Vice Chair, of the Committee. At its April 2010 meeting, the Committee elected Mr. Adrián Serra (Argentina) as Chair, and Mr. Ben Czapnik (Australia) as Vice Chair. Mr. Serra and Mr. Czapnik took office at the beginning of that meeting.

II. NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS OF MEMBERS

5. Article 18.5 of the Agreement provides that "Each Member shall inform the Committee of any changes in its laws and regulations relevant to this Agreement and in the administration of such laws and regulations". Pursuant to a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are to be notified to the Committee as well. Pursuant to that same decision of the Committee, if a Member has no such legislation or regulations, the Member is to

inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.

6. As of 27 October 2010, 105 Members had notified the Committee regarding their domestic anti-dumping legislation.¹ Of these 105 Members, 31 notified the Committee that they had no anti-dumping legislation. Members' communications in this regard can be found in document series G/ADP/N/1/.... . Twenty one Members have not, as of the end of the review period, made any notification of anti-dumping legislation and/or regulations. Annex A sets out the status of notifications concerning legislation under Article 18.5 of the Agreement, and sets out the reference symbol(s) of the document(s) containing each Member's current notification in this regard.

7. During the review period, the Committee reviewed new notifications regarding anti-dumping laws and/or regulations submitted by the following Members: Brazil, Cambodia, Colombia, Croatia, Guyana, Japan, Norway, Tonga and Vietnam. The Committee also continued its review of the previously-reviewed legislative notification submitted by Bahrain. Written questions and answers regarding these notifications can be found in documents of the G/ADP/Q1/... series.

III. SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS TAKEN BY MEMBERS

8. **Semi-annual reports for the period 1 July-31 December 2009 pursuant to Article 16.4.** As of 27 October 2010, 26 Members² had notified the Committee of anti-dumping actions taken during this period. Twenty four Members had notified the Committee that they had not taken any anti-dumping actions during this period. Twenty one Members that notified competent authorities and 26 Members that did not notify competent authorities, had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/195/.... At the Committee's regular meeting in April 2010, the Chair reported that it appeared that most Members taking actions had submitted semi-annual reports, but that some had arrived after the deadline. Members that had not submitted reports of actions taken, nil returns or one-time notifications, were strongly urged to submit these reports. Members were also encouraged to submit their semi-annual reports on time. The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2/... and G/ADP/W/.... .

9. **Semi-annual reports for the period 1 January-30 June 2010 pursuant to Article 16.4.** As of 27 October 2010, 32 Members had notified the Committee of anti-dumping actions taken during this period.³ Eighteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Twenty Members that notified competent authorities and 27 Members that did not notify competent authorities, had not submitted notifications in this regard. These semi-annual reports were circulated in document series G/ADP/N/202/.... . At the Committee's regular meeting in October 2010, the Chair emphasized that Members that had not submitted reports of actions taken, nil returns or one-time notifications, were strongly urged to submit these reports. Members were also encouraged to submit their semi-annual reports on time. The status of semi-

Prior to 1 May 2004, the member States of the European Union were: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, the Netherlands, Portugal, Spain, Sweden and the United Kingdom. As of 1 May 2004, the following Members became member States of the European Union: Cyprus, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, the Slovak Republic, and Slovenia; and as of 1 January 2007, Bulgaria and Romania also became member States of the European Union. See documents G/ADP/N/1/EEC/2/Suppl.6 and .../Suppl.8 for information on the current status of the previously-submitted laws and regulations of these Members.

³ The European Union is counted as one Member.

annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2....

10. As of 27 October 2010, the number of Members that had submitted a one-time notification pursuant to Articles 16.4 and 16.5 was 29⁴. Annex B reflects those Members that submitted such a notification.

11. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2009 - 30 June 2010 is reproduced in Annex C to this report.

IV. REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

12. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the period under consideration were received from Argentina, Australia, Brazil, Canada, Chile, China, Dominican Republic, Egypt, European Union, Honduras, Jamaica, Korea, Mexico, New Zealand, Pakistan, Panama, Paraguay, Philippines, Peru, South Africa, Chinese Taipei, Turkey, Ukraine, and the United States as indicated in documents G/ADP/N/192, G/ADP/N/194, G/ADP/N/196, G/ADP/N/197, G/ADP/N/198, G/ADP/N/199, G/ADP/N/200, G/ADP/N/201, G/ADP/N/203, G/ADP/N/204, G/ADP/N/205, and G/ADP/N/206.

13. The Committee reviewed the notifications of preliminary and final actions at its regular meetings in April and October 2010. At these meeting[s], the Chair drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final measures had not submitted reports of preliminary or final actions taken. The Chair highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled that the revised minimum information format that had been adopted by the Committee in October 2006⁵ and revised in October 2009⁶ clarified the kinds of actions to be notified and the information to be submitted. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

V. WORKING GROUP ON IMPLEMENTATION

14. The Working Group on Implementation held two regular meetings during the period under review, back-to-back with the Committee's regular meetings in April and October 2010.

15. At its spring meeting in April 2010, the Group had only one paper on its agenda; i.e. the paper submitted by Korea⁷ regarding sunset reviews. After Korea introduced its paper, many Members made comments about their own practices and asked questions regarding Korea's practice in sunset reviews. Korea provided preliminary replies to these questions. Some delegations stated that since Korea's paper had been circulated shortly before the Group's meeting, they did not have enough time to fully analyse it. They indicated that they would come back with more comments and questions. The Chair stated that Korea's paper would appear on the agenda of the Group's autumn meeting. In concluding the meeting, the Chair encouraged other Members to submit papers on the nine topics under discussion in the Group.

⁴ Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2010. Members notifications in this regard could be found in document G/ADP/N/193 series.

⁵ G/ADP/2/Rev.1.

⁶ G/ADP/2/Rev.2.

⁷ G/ADP/AHG/W/184 & Corr.1.

16. At the Group's meeting in October 2010, four papers were placed on the agenda of the meeting. The first two papers had been submitted by Korea and New Zealand⁸ which conveyed the experiences of these two Members with respect to sunset reviews, while the other two papers had been submitted by Egypt⁹, one on constructed export price and the other on the accuracy and adequacy test.

17. As the paper by Korea had already been discussed at the Group's Spring meeting, the delegation of Korea provided replies to questions that had been presented at the Spring meeting which had not then been answered. New Zealand's paper on sunset reviews attracted significant attention, with many Members asking questions on different aspects of sunset determinations made by the investigating authorities of New Zealand. The delegation of New Zealand replied the questions at the meeting. Egypt's papers also were found very interesting by Members. Many Members asked questions on the two papers that Egypt had submitted which the delegation of Egypt replied on the spot. Taking into consideration the interest shown in the papers submitted by Egypt and the request from some Members for more time to analyse these papers, the Chair decided to include the two papers submitted by Egypt in the airgram for the Spring 2011 meeting of the Working Group. In conclusion, the Chair encouraged other Members to submit papers on the nine topics currently under discussion in the Group.

VI. INFORMAL GROUP ON ANTI-CIRCUMVENTION

18. The Informal Group on Anti-Circumvention held two meetings during the reporting period, back-to-back with the April and October 2010 regular meetings of the Committee. There were no papers submitted to the Group at the two meetings.

19. Concerning the future work of the Group, Members considered that the Group should continue its work along the same lines as had been the case to date.

VII. OTHER ITEMS DISCUSSED BY THE COMMITTEE

20. No item was requested by any Member to be placed on the agenda of the April or October regular meetings.

21. At the October Committee meeting, the Chair reported on the outcome of the informal consultations held on 7 July 2010 regarding annexes D and E of the Committee's annual report.

VIII. OTHER BUSINESS

22. During the review period, the Committee noted statements regarding the following matters under the agenda item "Other Business":

- Indonesia's Investigation on Wheat Flour originating in Australia, Sri Lanka, and Turkey – Statement by Turkey at the Committee's meeting in April 2010. The delegation of Indonesia presented an oral reply at the meeting.

⁸ G/ADP/AHG/W/185.

⁹ G/ADP/AHG/W/186 & Corr.1 and G/ADP/AHG/W/187.

- Inquiry by the Chairman of the Working Group on Trade and Transfer of Technology on discussion, submissions or other developments relating to trade and technology transfer which might have taken place in the Committee since 2002 – The Chair reported on his response to the Chairman of the Working Group on Trade and Transfer of Technology, dated 18 August 2010.
