## **REPORT (2022) OF THE COMMITTEE ON IMPORT LICENSING TO THE COUNCIL FOR TRADE IN GOODS**

1. The Agreement on Import Licensing Procedures (hereinafter "the Agreement") which entered into force on 1 January 1995, establishes disciplines on users of import licensing systems with the principal objective of ensuring that the procedures applied for granting import licences do not in themselves restrict trade. It aims to simplify, clarify and minimize the administrative requirements necessary to obtain import licences.
2. The Committee on Import Licensing was established to afford Members the opportunity of consulting on any matter relating to the operation of the Agreement or the furtherance of its objectives. The Committee's Rules of Procedure, which were approved by the Council for Trade in Goods, are contained in document G/L/147.
3. All Members of the WTO are *ipso facto* members of the Committee. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, the World Bank and UNCTAD have regular observer status in the Committee.
4. The focus of this report is on the period since the Committee's last annual report (G/L/1406), namely 9 October 2021 – 7 October 2022 (hereinafter "the reporting period"). In 2022, the Committee held two formal meetings, on 8 April 2022 (G/LIC/M/54), under the chairpersonship of Mr. Hsin-lung Hung (Chinese Taipei), and on 7 October 2022 (G/LIC/M/55), under the chairpersonship of Mr. Jia Jie Loh (Singapore). Both meetings took place in hybrid mode with in-person and remote attendance. The Committee also held one informal meeting, which took place in hybrid mode, on 7 March 2022, under the chairpersonship of Mr. Hsin-lung Hung (Chinese Taipei). On 23 May 2022, through written procedures, the Committee elected Mr. Jia Jie Loh (Singapore) by acclamation as Chairperson of the Committee for 2022. Pursuant to the Committee's Rules of Procedure, the officers shall hold office until the end of the first meeting of the following year.
5. Pursuant to Articles 1.4(a) and/or 8.2(b) of the Agreement and procedures agreed by the Committee, all Members are required to notify their laws, regulations, and administrative procedures relevant to import licensing and to submit copies of any relevant publications or laws and regulations upon becoming a WTO Member. Any subsequent changes to these laws, regulations, and administrative procedures are also required to be published and notified. Pursuant to subparagraphs 1-4 of Article 5, Members are also required to notify the institution of new import licensing procedures or changes in these procedures to the Committee within 60 days of publication.
6. During the reporting period, the Committee reviewed 69 notifications under these three provisions (Annex I) from the following 16 Members: Argentina; Cambodia, the Dominican Republic, Ecuador; the European Union; Hong Kong, China; India; Japan; Republic of Korea; Myanmar; Kingdom of Saudi Arabia; Seychelles; Thailand; Ukraine; the United Kingdom; and the United States.<sup>1</sup>

However, no such reverse notifications have been received within the reporting period.

11. At the Committee meeting held on 8 October 2021, Members approved the establishment of an eAgenda for the Committee. The eAgenda was meant to facilitate the work of delegations and of the Secretariat in building the meeting agenda, including adding items, making relevant documents directly available to participants in electronic form, and the sharing of statements via the eAgenda.
