6. Status of outstanding Article XXVIII negotiations as well as a general outline of relevant problems if any :

Sri Lanka continues to make every effort to conclude negotiations under Article XXVIII. The negotiations with the United States are still continuing.

7. Outlook for concluding the process:

Sri Lanka has had bilateral negotiations with the US in respect of Sri Lanka's schedule. These negotiations are still continuing. In view of the fact that submissions are being made to the newly appointed Advisory Committee on Tariffs of the Government of Sri Lanka and that its approval is required for tariff binding to be made, Sri Lanka may require one more extension of time to conclude these negotiations. The Government of Sri Lanka, therefore, will appreciate granting of a further extension of six months. The Government of Sri Lanka also wishes to assure its trading partners that every effort will be made to conclude the negotiations satisfactorily, and in the mutual interest of all concerned, as soon as possible.
