**IMMEDIATE NOTIFICATION UNDER ARTICLE 12.5 OF THE AGREEMENT
ON SAFEGUARDS TO THE COUNCIL FOR TRADE IN GOODS OF
PROPOSED SUSPENSION OF CONCESSIONS AND OTHER
OBLIGATIONS REFERRED TO IN PARAGRAPH 2 OF
ARTICLE 8 OF THE AGREEMENT ON SAFEGUARDS**

EUROPEAN UNION

The following communication, dated and received on 27 May 2025, is being circulated at the request of the delegation of the European Union.

Pursuant to Article 12.5 of the Agreement on Safeguards and in accordance with the agreed format for notifications ([G/SG/1](#) 1 July 1996; amended 19 October 2009 [G/SG/1/Rev.1](#) - [G/SG/N/6/Rev.1-G/SG/89](#)), the European Union provides the present immediate notification to the Council for Trade in Goods of the proposed suspension of concessions and other obligations referred to in paragraph 2 of Article 8.

1. Which Member is proposing suspension of concessions and other obligations referred to in Article 8.2?

The European Union.

2. Specify the measure, the product subject to the measure, the WTO document that notified the safeguard measure and the Member imposing the measure in relation to which the Member is proposing a suspension of concessions and other obligations referred to in Article 8.2 of the Agreement on Safeguards.

On 26 March 2025, the United States of America ("United States") adopted a safeguard measure in the form of a tariff increase of 25% *ad valorem* on imports of passenger vehicles and light trucks, and on certain automobile parts originating in *inter alia* the EU.¹ These measures apply from 3 April 2025 as regards automobiles and from 3 May 2025 as regards automobile parts, and for an unlimited duration.

On 2 April 2025, the United States adopted another safeguard measure in the form of tariffs on imports of products originating in *inter alia* the EU, as follows:

- 10% *ad valorem* applies to all imports into the United States, except those specifically excluded in the Presidential Executive Order 14257 of 2 April 2025², from 5 April 2025 and for an unlimited duration,
- 20% *ad valorem* with respect to the EU, which would replace the 10%, and apply from 9 July 2025, for unlimited duration.

¹ Presidential Proclamation 10908 of March 26, 2025 Adjusting Imports of Automobiles and Automobile Parts Into the United States.

² Presidential Executive Order 14257 of April 2, 2025 Regulating Imports With a Reciprocal Tariff To Rectify Trade Practices That Contribute to Large and Persistent Annual United States Goods Trade Deficits.

On 4 April 2025, the United States introduced another safeguard measure in the form of a tariff increase of 25% *ad valorem* on imports of beer and empty aluminium cans³, applicable from 4 April 2025, for an unlimited duration.

Irrespective of the legal basis which the United States is using under its domestic law, these measures are safeguard measures falling within the scope of the Agreement on Safeguards.

The United States failed to notify the Committee on Safeguards under Article 12.1(c) of the Agreement on Safeguards on taking a decision to apply safeguard measures.

The European Union has requested consultations under Article 12.3 of the Agreement on Safeguards ([G/SG/314](#) of 9 May 2025). No consultations could take place since the United States disagrees that its actions are safeguard measures and that there is a basis for consultations under the Agreement on Safeguards. The objectives set out in Article 8.1 were not achieved and accordingly the European Union as affected member is free to proceed with suspension of the application of equivalent obligations. The United States expressed openness to discuss the issue outside of the Agreement on Safeguards, and this notification is without prejudice to any such discussions, which are outside of the Agreement on Safeguards.

3. Describe the proposed suspension of concessions and other obligations referred to in Article 8.2 of the Agreement on Safeguards and the proposed date from which it will come into effect.

The European Union provides this written notice in order to achieve the highest degree of legal certainty that in all the circumstances its rights to suspend the application of substantially equivalent obligations pursuant to Article 8 of the Agreement on Safeguards are fully protected. The European Union reserves the right to withdraw, modify, supplement or replace this notification and/or make a further notification or notifications, should it deem that appropriate, including in light of any subsequent developments.

The proposed suspension of substantially equivalent obligations under the GATT 1994 to the trade of the United States concerns the obligations under Articles I:1, II:1 and XI:1 of the GATT 1994 and takes the form of an additional *ad valorem* import duty on products originating in the United States, from among those specified in Annex I, and/or export restrictions on products, originating in the European Union and exported to the United States, from among those specified in Annex II. The substantially equivalent obligations under the GATT 1994 are calculated as indicated in Annex III.

The European Union will provide to the Council for Trade in Goods any enacted import and export restrictions, further to this suspension of obligations and before any effective application of the import and export restrictions.

Without prejudice to the effective application of the import and export restrictions, and accounting for the expiration of 30 days after this notification is received by the Council for Trade in Goods, the European Union hereby reserves its right to apply the proposed suspension as follows:

- From 2 July 2025 with respect to the United States' tariff increases on imports of passenger vehicles and light trucks, automobile parts, beer and empty aluminium cans, and
- From 10 July 2025 with respect to the United States' universal tariffs on imports of products originating in *inter alia* the European Union.

Annex II

**Products originating in the European Union and exported to the United States
for suspension in the form of export restrictions**
Products are determined by EU Combined Nomenclature (CN) codes only

| 2025 CN code⁶ | Product description (for information only) |
|---------------------------------|---|
| 7204 | Ferrous waste and scrap; remelting scrap ingots of iron or steel |
| 7602 | Aluminium waste and scrap |
| 292143 | Toluidines and their derivatives; salts thereof |
| 330210 | Mixtures of odiferous substances and mixtures (incl. alcoholic solutions) with a basis of one or more of these substances, of a kind used as raw materials in the food or drink industries; other preparations based on odiferous substances, of a kind used for the manufacture of beverages in the food or drink industries |
| 350790 | Enzymes; prepared enzymes not elsewhere specified or included (excl. rennet and concentrates thereof) |

Annex III

The substantially equivalent obligations under the GATT 1994 were calculated as follows:

The United States' measures affect at least EUR 354 billion imports into the United States of the relevant products originating in the European Union, based on import values in 2024. The application of the United States' measures would result in theoretically collected additional duties of EUR 74 billion, in 2024 (Table 1).

Therefore, a suspension of trade concessions in the form of an increase in import duties and export restrictions on products from among those specified in Annexes I and II, up to a level which reflects and does not exceed the amount that would result from the application of the United States' measures to the imports of the relevant products from the European Union, represents an appropriate suspension of the application of substantially equivalent trade concessions in line with the Agreement on Safeguards.

The European Union is entitled to suspend substantially equivalent GATT obligations immediately, also where the United States' safeguard measures have been taken as a result of an absolute increase of imports because the United States' safeguard measures do not conform to the Agreement on Safeguards and because the European Union is entitled to rely on this non-conformity.

The United States' measures do not conform to the Agreement on Safeguards because, among other things, the United States made no determination that the products in question are being imported in such increased quantities as to cause or threaten to cause serious injury to the domestic industry producing the like or directly competitive product.

⁶ The nomenclature codes are taken from the Combined Nomenclature as defined in Article 1(2) of Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff (OJ L 256, 7.9.1987, p. 1, ELI: <http://data.europa.eu/eli/reg/1987/2658/oj>) and as set out in Annex I thereto, which are valid at the time of providing of this notification and *mutatis mutandis* as amended by subsequent legislation, including most recently Commission Implementing Regulation (EU) 2024/2522 of 31 October 2024 amending Annex I to Council Regulation (EEC) No 2658/87 on the tariff and statistical nomenclature and on the Common Customs Tariff (OJ L, 2024/2522, 31.10.2024, ELI: http://data.europa.eu/eli/reg_impl/2024/2522/oj).
