**REPORT (2015) OF THE COMMITTEE ON
ANTI-DUMPING PRACTICES**

(ADOPTED 28 OCTOBER 2015)

1 ORGANIZATION OF THE WORK OF THE COMMITTEE ON ANTI-DUMPING PRACTICES

1. The Agreement on Implementation of Article VI of GATT 1994 ("the Agreement") entered into force on 1 January 1995. All Members of the WTO are *ipso facto* members of the Committee on Anti-Dumping Practices ("the Committee") established under the Agreement.
2. Observer governments in the General Council of the WTO have Observer status in the Committee. The International Monetary Fund, World Bank and UNCTAD have regular Observer status in the Committee. Pursuant to a decision of the Committee in October 1998, the ACP Group and the OECD are invited to attend meetings on an *ad hoc* basis. Requests for Observer status from the Common Market for Eastern and Southern Africa and the Gulf Organization for Industrial Consulting are under consideration by Members.
3. This report covers the period 29 October 2014–28 October 2015 ("the review period"). During the review period, the Committee held two regular meetings, on 29 April and 28 October 2015 (G/ADP/M/48 and G/ADP/M/49, respectively).
4. As of the beginning of the review period, Mr Andrew Staines (United Kingdom) was Chair and Mr Hamed El-Etreby (Egypt) was Vice-Chair of the Committee. At its April meeting, the Committee elected Mr Hamed El-Etreby (Egypt) as Chair and Mr Peira Shannon (Australia) as Vice-Chair. Messrs El-Etreby and Shannon took office at the end of that meeting.

**2 NOTIFICATION AND EXAMINATION OF ANTI-DUMPING LAWS AND/OR REGULATIONS
OF MEMBERS**

5. Pursuant to Article 18.5 of the Agreement and a decision of the Committee in February 1995, all Members having new or existing legislation and/or regulations which apply in whole or in part to anti-dumping duty investigations or reviews covered by the Agreement are requested to notify the full and integrated text of such legislation and/or regulations to the Committee. Changes in a Member's legislation and/or regulations are also to be notified. If a Member has no such legislation or regulations, the Member is to inform the Committee of this fact. The Committee also decided that Observer governments should comply with these notification obligations.
6. As of 28 October 2015, 78 Members had notified their anti-dumping legislation¹, while 35 Members had notified that they had no such legislation. These notifications can be found in document series G/ADP/N/1/... . Twenty Members had not, as of the end of the review period, made any notification of anti-dumping legislation. Annex A sets out the status of notifications under Article 18.5, and the reference symbol(s) of the document(s) containing each Member's current notification.
7. During the review period, the Committee reviewed new notifications of legislation submitted by the following Members: Armenia; Australia; Bahrain, Kingdom of; Brazil; Qatar; Saudi Arabia, Kingdom of and the United States. It also continued its review of the notifications of Brazil and Qatar. Pending written questions posed to the legislative notification of Cameroon remained on the

¹ The European Union is counted as one Member.

agenda(s) of the April and October meetings. Written questions and answers regarding legislative notifications can be found in documents of the G/ADP/Q1/... series.

3 SEMI-ANNUAL REPORTS ON ANTI-DUMPING ACTIONS PURSUANT TO ARTICLE 16.4

8. With respect to the semi-annual reports for the period 1 July-31 December 2014, as of 28 October 2015, 34 Members² had notified the Committee of anti-dumping actions taken during this period. Twenty-one Members had notified the Committee that they had not taken any anti-dumping actions during this period. Nineteen Members that notified competent authorities and 14 Members that did not notify competent authorities had not submitted a notification in this regard. These semi-annual reports were circulated in document series G/ADP/N/265/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting and in document series G/ADP/Q2/....

9. With respect to the semi-annual reports for the period 1 January-30 June 2015, as of 28 October 2015, 33 Members had notified the Committee of anti-dumping actions taken during this period.³ Fifteen Members had notified the Committee that they had not taken any anti-dumping actions during this period. Twenty-six Members that notified competent authorities and 15 Members that did not notify competent authorities had not submitted notifications in this regard. These semi-annual reports were circulated in document series G/ADP/N/272/.... The status of semi-annual reports for this period is set out in Annex B. Questions raised concerning these reports can be found in the minutes of the meeting.

10. As of 28 October 2015, 44 Members had submitted a one-time notification pursuant to Articles 16.4 and 16.5.⁴

11. At the Committee's meetings in April and October 2015, the Chairs strongly urged Members that had not submitted reports of actions taken, nil returns or one-time notifications, to submit these notifications.

12. A table summarizing new anti-dumping actions taken by Members as reported in their semi-annual reports for the period 1 July 2014-30 June 2015 is reproduced in Annex C to this report.

4 REPORTS ON ALL PRELIMINARY OR FINAL ANTI-DUMPING ACTIONS

13. Pursuant to Article 16.4 of the Agreement, reports of preliminary and final anti-dumping actions during the review period were received from Argentina; Australia; Brazil; Canada; China; Egypt; the European Union; Guatemala; India; Japan; Korea, Rep. of; Mexico; Morocco; New Zealand; Pakistan; Peru; Philippines; the Russian Federation; South Africa; Chinese Taipei; Trinidad and Tobago; Turkey; Ukraine; the United States and Viet Nam as indicated in documents G/ADP/N/264, G/ADP/N/266, G/ADP/N/267, G/ADP/N/268, G/ADP/N/269, G/ADP/N/270, G/ADP/N/271, G/ADP/N/273, G/ADP/N/274, G/ADP/N/275, G/ADP/N/276 and G/ADP/N/277.

14. The Committee reviewed the notifications of preliminary and final actions at its meetings in April and October 2015. Questions raised concerning these reports can be found in the minutes of the meetings. At these meetings, the Chairs drew attention to the apparent lack of full compliance in this area, as some Members that submitted semi-annual reports indicating preliminary and/or final actions had not submitted ad hoc notifications of preliminary or final actions taken. The Chairs highlighted the importance of this notification to the Committee's role in monitoring and discussing actions taken by Members, and recalled that the revised minimum information format that had been adopted by the Committee in October 2006⁵ and revised in October 2009⁶ clarified the kinds of actions to be notified and the information to be submitted. A summary of the notifications submitted by Members pursuant to Article 16.4 is contained in Annex D of this report.

² The European Union is counted as one Member.

³ The European Union is counted as one Member.

⁴ Notifications submitted pursuant to the format contained in document G/ADP/19 adopted by the Committee on 21 October 2009. Members' notifications in this regard could be found in document G/ADP/N/193 series.

⁵ G/ADP/2/Rev.1.

⁶ G/ADP/2/Rev.2.

15. The Chairs also reiterated the importance of submitting these notifications, as in the case of all other notifications, to the WTO Centre for Registration and Notification with a copy to the Secretary of the Committee. Members were also requested not to resubmit previously submitted notifications and to verify the electronic web-links included in such notifications.

5 WORKING GROUP ON IMPLEMENTATION

16. The Working Group on Implementation held two meetings during the review period, back-to-back with the Committee's regular meetings in April and October 2015.

17. At its meeting in April 2015, the Group agreed to test - on a trial basis at the October 2015 meeting - a new approach for work based on a topic centred discussion, a discussant assisting the Chair to facilitate the dialogue, deformalized submissions and a general non-attributable summary report circulated by the Secretariat following the meeting as per current practice. The Group also agreed on the topic and the discussant for the October meeting (details of the new approach are contained in document G/ADP/M/48, paragraph 88).

18. At its meeting in October 2015, the Group discussed the topic of administrative, arbitral and judicial review under Article 13 of the Agreement. Mr Justin Brown of Canada served as the discussant, and circulated a detailed outline of possible issues to Members in July. It was also agreed that shortly after the meeting, the Chair would hold consultations on whether the new approach was helpful, how it could be improved, whether Members wanted to apply it in the spring 2016 meeting and if so, what the topic and who the discussant could be.

6 INFORMAL GROUP ON ANTI-CIRCUMVENTION

19. The Informal Group on Anti-Circumvention held one meeting during the review period, back-to-back with the Committee meeting in April 2015 at which the Group discussed a new paper submitted by the United States entitled "Anti-Dumping Duty Evasion Services". The Group has also agreed on a new approach for scheduling its future meetings (details of the new approach are contained in document G/ADP/M/48, paragraph 86). Pursuant to that approach, no meeting was held in October 2015.

7 OTHER BUSINESS

7.1 At the April 2015 meeting

20. The European Union made a statement pertaining to the anti-dumping investigation initiated by Turkey on hot-rolled coils from France, Romania and Slovakia. The Russian Federation made a statement regarding the same anti-dumping investigation. Turkey took note of the concerns raised to convey to capital.

21. Japan made a statement concerning China's anti-dumping investigation on unbleached sack paper. China provided its comments in this respect.

7.2 At the October 2015 meeting

22. China made a statement regarding the expiry of section 15(d) of its Protocol of Accession. No comments by any Member were made in this respect.

23. The United States, supported by Australia, Canada, the European Union, New Zealand and Chinese Taipei, made a statement regarding the inclusion in the meetings' minutes of responses to Members questions submitted well after the meetings.

24. Japan made a statement regarding China's investigations on Grain-Oriented Steel and Acrylic from Japan, as well as Indonesia's investigation on cold-rolled steel sheets from Japan. Both China and Indonesia provided their comments in these respects.

25. Turkey made a statement regarding China's investigation on Acrylic Fibre from Turkey. China provided its comments in this regard.

26. The Chair made a statement informing Members of the demonstration that would be conducted by the Secretariat on new case management software for anti-dumping investigations as well as a brief preview of a new computer-based anti-dumping training tool in its final stages of development.

27. At the April and October 2015 meetings, the Chairs encouraged Members that had issues to raise with other Members under other business to provide sufficient notice to the Member concerned prior to the meeting in order to ensure that an answer could be provided at the meeting.

ANNEX A**ANTI-DUMPING LEGISLATION NOTIFICATIONS
AS AT 28 OCTOBER 2015**

ANNEX E

COMPILATION OF THE INFORMATION REPORTED BY MEMBERS IN RESPECT OF THE MANNER IN WHICH THE OBLIGATIONS OF ARTICLE 15 OF THE AD AGREEMENT HAVE BEEN FULFILLED¹ AS AT 28 OCTOBER 2015

South Africa

Excerpted from documents G/ADP/N/265/ZAF, page 5 and G/ADP/N/272/ZAF, page 5:

Basis for determination codes:

LDC Treatment having regard to Article 15 of the Agreement and the Decisions of the Committee.

United States

Excerpted from documents G/ADP/N/265/USA, page 10 and G/ADP/N/272/USA, page 7:

"For all investigations to which Article 15 applies, the Department of Commerce provided respondent companies an opportunity to explore the possibilities of price undertakings with the Department. The Department provided this opportunity to all developing country Members without prejudice to whether the Member's essential interests were affected. During the reporting period, several respondent companies took advantage of this opportunity."

¹ Pursuant to the recommendation in G/ADP/9, adopted by the Committee on 27 November 2002.
