## REPORT (2011) OF THE COMMITTEE ON SAFEGUARDS TO THE COUNCIL FOR TRADE IN GOODS

### I. GENERAL

1. The Committee on Safeguards was established in 1995 to perform the functions set out in Article 13 of the Agreement on Safeguards. This report is submitted in accordance with Article 13.1(a) of the Agreement, which requires the Committee to report annually to the Council for Trade in Goods on the general implementation of the Agreement. The report covers the period since the Committee's last annual report (G/L/936), i.e., 23 October 2010 – 27 October 2011 ("period under review").
2. During the period under review, the Committee held two regular meetings, on 2 May 2011 (G/SG/M/39) and 27 October 2011 (G/SG/M/40).
3. Observer governments in the General Council of the WTO have observer status in the Committee. Pursuant to their Agreements with the WTO, the IMF and the World Bank have observer status in the Committee as well. UNCTAD has observer status in the Committee through a Committee decision.
4. Both the OECD and the ACP Group have requested regular observer status in the Committee. At its regular meetings in 1998, the Committee decided to invite the OECD to attend Committee meetings on an *ad hoc* basis, subject to objection by a Member in particular cases. At the same time, the Committee also decided to invite the ACP Group to attend its meetings on an *ad hoc* basis, pending the outcome of horizontal consultations with respect to the ACP Group's request for observership in various WTO bodies. The Committee continued this practice during the reporting period.
5. At its regular meeting in May 2011, the Committee elected Ms Lillian Saili Bwalya as Chairperson, and Ms Tomoko Ota as Vice-Chairperson.

### II. NOTIFICATION AND EXAMINATION OF SAFEGUARDS LAWS AND/OR REGULATIONS OF MEMBERS

6. During the period under review, the Committee continued its review of notifications under Article 12.6 of the Agreement concerning national legislation and/or regulations in the area of safeguards. For Members with such legislation and/or regulations, these notifications consist of the full and integrated text thereof. For Members without such legislation and/or regulations, these notifications inform the Committee of this fact.
7. As of 26 October 2011, ninety-nine (99) Members had notified the Committee of their domestic safeguards legislation and/or regulations or made communications in this regard to the Committee (G/SG/N/1/... series; see Annex 1). Twenty-seven (27) Members had not as of that date made such a notification. The Chairperson reminded the Committee of the importance of such notifications (G/SG/M/39 and G/SG/M/40).

8. During the period under review, the Committee reviewed the notified (new or amended) legislative texts of the following Members: Chile, Ecuador, European Union, Gabon, Kuwait, and Oman.

9. The substance of the review of legislative notifications is reflected in the written questions put to Members and the written answers to those questions. References to the questions and answers pertaining to each notification can be found in the minutes of the meetings at which the notifications were reviewed (G/S/G/M/39 and G/S/G/M/40).

### **III. NOTIFICATIONS OF ACTIONS RELATED TO SAFEGUARD MEASURES**

10. During the period under review, the Committee received and reviewed a variety of notifications of actions related to safeguard measures. The notifications of initiations, the application of safeguard measures, and the termination of investigations without measures received by the Committee during the period under review are summarized in Annex 2. A record of investigations underway, and measures applicable, as of 26 October 2011 is set forth in Annex 3.

11. During the period under review, the Committee reviewed 16 notifications under Article 12.1(a) regarding the initiation of new investigations, 5 notifications concerning the application of new provisional measures under Article 12.4, and 7 notification of termination of safeguard investigation without measure. Furthermore, the Committee reviewed 14 notifications concerning decisions to apply new safeguard measures.

12. During the period under review, the Committee received 13 new notifications concerning non-application of safeguard measure to developing country Members pursuant to Article 9.1 of the Agreement.

13. Members' oral comments concerning all of the notifications can be found in the minutes of the meetings at which they were reviewed (G/S/G/M/39 and G/S/G/M/40). Members' written questions and answers concerning these notifications can be found in the G/S/G/Q2/... series.

### **IV. TRANSITIONAL REVIEW UNDER PARAGRAPH 18 OF THE PROTOCOL OF ACCESSION OF THE PEOPLE'S REPUBLIC OF CHINA TO THE WORLD TRADE ORGANIZATION**

14. In accordance with paragraph 18 of the Protocol of Accession of the People's Republic of China to the WTO (WT/L/432), the Committee undertook the ninth and final review of China's implementation of the Safeguards Agreement (see G/S/G/M/40). The Committee agreed that the Chairperson would report to the Council for Trade in Goods on this issue.

### **V. REQUESTS UNDER ARTICLE 13.1(B) OF THE AGREEMENT ON SAFEGUARDS**

15. At the meeting of October 2011, the Committee discussed the two requests made under Article 13.1(b) of the Agreement. The first was a request from Colombia concerning the investigation by Ecuador on windshields (G/L/957-G/S/G/93), and the other was a request from India concerning the investigation by Turkey on cotton yarn (G/L/961-G/S/G/95). Having heard the views of Members on these two issues, the Chairperson informed Members that she would convene, in the near future, informal consultations open to all Members in order to discuss these issues, and to report back to the Committee at an appropriate time. Colombia and India also requested that these two items be included in the agenda of the next regular meeting of the Committee.

## **VI. OTHER ISSUES RAISED**

16. At the meeting of May 2011, the following discussions took place under "Other Business": First, one Member requested an update of an investigation being undertaken by another Member. Second, a Member raised several questions concerning an investigation and the imposition of a safeguard measure, notified in September 2010, on ceramic tiles.

17. At the meeting of October 2011, the following discussions took place under "Other Business". First, four Members took the floor to register their concerns about the manner by which a Member was proceeding in terms of progressive liberalization of a safeguard measure imposed on polypropylene bags and tubular fabric. Second, the Chairperson made a statement on the issue of maintaining consistency of symbols assigned to notifications. After describing the issue, she stated that she intended to hold informal discussions on this issue in due course.

<sup>1</sup> Notifications indicated in bold italics are those actually notified during this period. Dates indicated in this table are dates of the actual initiation, taking of the measure etc. If only the expected or proposed date has been notified, that date is indicated. For multiple-symbolled documents, only the relevant symbols are indicated in each box. Corrigenda are not indicated in this table.

<sup>2</sup> In order to put the information into context, this column includes notifications received before the period covered. When a measure has been extended, the initiation date of either the original investigation or the extension investigation is indicated, depending on the context.

<sup>3</sup> This column only indicates information on expiration or termination which the relevant Member notified as such in writing.
