**REPORT (2014) OF THE COMMITTEE ON  
TRADE-RELATED INVESTMENT MEASURES**

(ADOPTED 6 OCTOBER 2014)

**1 GENERAL**

1. This report is submitted pursuant to Article 7.3 of the Agreement on Trade-Related Investment Measures ("TRIMs Agreement"), which requires the Committee on Trade-Related Investment Measures (the "Committee") to report annually to the Council for Trade in Goods. The Report covers the period January 2014 – December 2014.
2. The Committee met formally on 20 June 2014 under the Chairpersonship of Mr Tsotetsi Makong (Lesotho) and on 6 October 2014 under the Chairpersonship of Mr Victor Echevarria Ugarte (Spain). The minutes of these meetings may be found in documents G/TRIMS/M/36 and G/TRIMS/M/37, respectively. Both meetings were open to all Members, governments with observer status in the WTO and international intergovernmental organizations to which the Committee has accorded regular observer status (IMF, OECD, UN, UNCTAD and World Bank). Decisions on requests for observer status made by several other international organizations are pending.

**2 NOTIFICATIONS**

3. Pursuant to Article 5.1 of the TRIMs Agreement, Members were required to notify any trade-related investment measure ("TRIM") inconsistent with the Agreement within 90 days after the entry into force of the WTO Agreement. Article 5.2 allows for transition periods for the elimination of measures notified under Article 5.1 and which were in existence at least 180 days preceding the entry into force of the WTO Agreement. Pursuant to a decision adopted by the General Council in April 1995, governments eligible to become original WTO Members that accepted the WTO Agreement after 1 January 1995 had a period of 90 days after the date of their acceptance of the WTO Agreement to make the notifications foreseen in Article 5.1, with the period for the elimination of TRIMs notified under Article 5.1 being governed by reference to the date of entry into force of the WTO Agreement itself.<sup>1</sup>
4. Annex 1 to this report lists all notifications of measures under Article 5.1. In the case of some Members, notifications have been submitted later than the 90-day period foreseen. During the reporting period, the Russian Federation notified the provisions of the "industrial assembly" investment regime in the automotive sector.<sup>2</sup>
5. Some Members have notified that they do not apply any TRIM inconsistent with the Agreement. Annex 2 to this report lists all Members that have made such notifications.
6. Article 6.2 provides for notification of publications in which information on TRIMs can be found. Annex 3 lists the Members that have submitted such notifications. Since the last report, notifications were received from Lao People's Democratic Republic, The Gambia, Togo and Congo. As agreed by the Committee at its meeting on 20 May 2009, the Secretariat has circulated a reminder<sup>3</sup> containing guidance regarding the requirements of Article 6.2 and its related decision. The reminder also requested all Members that had never notified such publications to do so

without delay and that all Members that had previously notified to update their notifications, if appropriate, without delay. The latest updated list of notifications has been circulated in document G/TRIMS/N/2/Rev.24.<sup>4</sup>

### **3 SPECIAL AND DIFFERENTIAL TREATMENT PROPOSALS RELATED TO THE TRIMS AGREEMENT**

7. Pursuant to the Decision adopted by the General Council on 1 August 2004 (WT/L/579) and paragraph 37 of the Hong Kong Ministerial Declaration (WT/MIN(05)/DEC), the TRIMs Committee continued its consideration of the Category II Special and Differential Treatment ("S&D") proposals which were referred to it by the Chairperson of the General Council.

8. The proposals were originally submitted by the African Group in document TN/CTD/W/3/Rev.2 and relate to Articles 4 and 5.3 of the TRIMs Agreement. In April 2007, Kenya on behalf of the African Group submitted a revised version of the proposals dealing more specifically with the concerns of the proponents.<sup>5</sup> In June and October 2007, the Chairperson held informal discussions with interested delegations on the revised proposals. These were further discussed at the meeting of the Committee held on 1 November 2007 at which the representative of Kenya said that they were open to listen to any new ideas concerning these proposals, particularly with respect to the drafting, and that the African Group felt that it had gone as far as it could on this issue, unless there were other suggestions by other Members. No further revisions to the draft proposals have since been received. In accordance with paragraph 37 of the Hong Kong Ministerial Declaration, the Chairperson of the TRIMs Committee submitted an oral report (18 December 2007)<sup>6</sup> to the General Council on the work undertaken by the Committee with respect to the S&D proposals. At the Committee meetings on 23 October 2008, 16 October 2009<sup>7</sup>, 1 October 2010, 3 October 2011, 1 October 2012, 4 October 2013 and 6 October 2014 no delegation took the floor on this matter.
