**REPORT (2023) OF THE COMMITTEE ON MARKET ACCESS  
TO THE COUNCIL FOR TRADE IN GOODS**

1. Since the last review<sup>1</sup>, the Committee on Market Access held two formal meetings (26-27 April and 16-17 October) and four informal meetings (21 February, 3 July, 18 September, and 21 November). The annotated agendas of the formal meetings were circulated in documents [JOB/MA/159](#) and [JOB/MA/169](#), and the minutes are contained in documents [G/MA/M/78](#) and [G/MA/M/79](#) (to be issued). In addition, in 2023 the Committee organised an experience-sharing session on trade in COVID-19 related goods, a capacity building workshop on the notification of quantitative restrictions, and two informal open-ended consultations on thematic sessions (see below).

2. At its formal meeting of 26-27 April, the Committee took note that the consultations in the Council for Trade in Goods concerning the election of the Chairpersons of the subsidiary bodies remained ongoing and agreed that the Secretariat would send a written communication with the proposed candidate and set a deadline for objections. On 5 June, the Secretariat informed Members that Ms. Renata Cristaldo Oviedo (Paraguay) had been nominated, and on 8 June a second communication confirmed that she had been elected. At its meeting of 16-17 October, the Committee took note that the Chairperson would continue consultations on the appointment of a vice-chairperson and would update the Committee as appropriate.

**HARMONIZED SYSTEM (HS) RELATED WAIVERS**

3. At its formal meeting of 16-17 October, the Committee approved the extension of the HS2002 "collective" waiver ([G/C/W/831](#)), the HS2007 "collective" waiver ([G/C/W/832](#)), the HS2012 "collective" waiver ([G/C/W/833](#)), the HS2017 "collective" waiver ([G/C/W/834](#)), and the HS2022 "collective" waiver ([G/C/W/835/Rev.1](#)). The Committee agreed to forward the draft waiver decisions to the General Council, through the Council for Trade in Goods, for appropriate action.

**INTRODUCTION OF HARMONIZED SYSTEM CHANGES TO SCHEDULES OF CONCESSIONS**

4. At its formal meetings, the Committee took note of a revised report by the Secretariat ([G/MA/W/158/Rev.6](#) and [G/MA/W/158/Rev.7](#)) with a broad overview of all HS transposition exercises.<sup>2</sup>

**Introduction of Harmonized System 1996 (HS1996) changes to Schedules of concessions**

5. At its meetings in 2023, the Committee took note of the status of work concerning the introduction of HS96 changes to Schedules of concessions. The Secretariat informed that the technical work under the previous transposition procedures (GATT document L/6905) remained pending for one Member.

**Introduction of Harmonized System 2002 (HS2002) Changes to Schedules of concessions**

6. At its meetings in 2023, the Committee took note of the status of work concerning the introduction of HS2002 changes to Schedules of concessions using the CTS database ([WT/L/605](#) and [WT/L/807](#)), as well as the outcomes of the informal dedicated sessions of the Committee during which the files containing the HS2002 changes of Members had been examined. At the formal

meeting of 16-17 October, the Committee took note that 116 Schedules of concessions had been transposed into HS2002 and circulated for certification. Technical work remained pending for one Member.

#### **Introduction of Harmonized System 2007 (HS2007) changes to Schedules of concessions**

7. At its meetings in 2023, the Committee took note of the status of work concerning the introduction of HS2007 changes to Schedules of concessions using the CTS database ([WT/L/673](#) and [WT/L/830](#)), as well as the outcomes of the informal dedicated sessions of the Committee during which the files containing the HS2007 changes of Members had been examined. At the formal meeting of 16-17 October, the Committee took note that 113 Schedules of concessions had been transposed into HS2007 and circulated for certification.

#### **Introduction of Harmonized System 2012 (HS2012) changes to Schedules of concessions**

8. At its meetings in 2023, the Committee took note of the status of work concerning the introduction of HS2012 changes to Schedules of concessions using the CTS database ([WT/L/831](#)), as well as the outcomes of the informal dedicated sessions of the Committee during which the files containing the HS2012 changes of Members had been examined. At the formal meeting of 16 - 17 October, the Committee took note that 104 Schedules of concessions had been transposed into HS2012 and circulated for certification.

#### **Introduction of Harmonized System 2017 (HS2017) changes to Schedules of concessions**

9. At its meetings in 2023, the Committee took note of the status of work concerning the introduction of HS2017 changes to Schedules of concessions using the CTS database ([WT/L/995](#)), as well as the outcomes of the informal dedicated sessions of the Committee during which the files containing the HS2017 changes of Members had been examined. At the formal meeting of 16-17 October, the Committee took note that 85 Schedules of concessions had been transposed into HS2017 and circulated for certification.

#### **Introduction of Harmonized System 2022 (HS2022) changes to Schedules of concessions**

10. At its formal meeting of 16-17 October, the Committee took note that work concerning the introduction of HS2022 changes to Schedules of concessions using the CTS database ([WT/L/1123](#)) has started with the development of the programs to prepare the draft HS2022 transposition files.

#### **Harmonized System "multiple transposition" procedures**

11. At its informal meetings of 21 February and 3 July, the Committee discussed Japan's proposal for a multiple transposition of Members' Schedules of concessions into the most recent version of the HS. Based on this proposal, the Secretariat prepared a technical note in document [JOB/MA/164](#) explaining the technical aspect of such a potential process. The Committee will continue to discuss this proposal at its next informal meeting in November.

#### **DECISION ON NOTIFICATION PROCEDURES FOR QUANTITATIVE RESTRICTIONS ("QR DECISION")**

12. At its meetings in 2023, the Committee examined quantitative restrictions (QR) notifications which had been submitted by 21 Members: Australia; Costa Rica; The Gambia; Georgia, Hong Kong, China; Japan; Kazakhstan; Kyrgyz Republic; Malaysia; Myanmar; New Zealand; Nicaragua; Philippines; Singapore; Thailand; Trinidad and Tobago; Türkiye; Ukraine; United Kingdom; the United States; and Uruguay. Most of these notifications were complete notifications of all QRs in force for the biennial periods 2020-2022 and 2022-2024. The Committee also took note of the Secretariat's factual analysis of all notified QRs ([G/MA/W/114/Rev.5](#)) that were recorded in the QR database<sup>3</sup> and of the report with the status of QR notifications ([G/MA/QR/13](#)).

## COMMITTEE WORK ON TRADE IN COVID-19 RELATED GOODS

13. On 24 March 2023, the Committee organized the sixth experience-sharing session on trade in COVID-19 related goods.<sup>4</sup> In the first part of the session, least developed countries (LDC) shared their experiences and practices on trade-related measures and challenges faced during the COVID-19 pandemic.<sup>5</sup> In the second part of the session, Members shared their reflections across the entire series of experience-sharing sessions organized by the CMA on trade in COVID-19 related goods.

14. Based on Members' discussions and presentations during the entire series of experience-sharing sessions which took place in 2022 and 2023, and at Members' request, the Secretariat prepared a document summarizing the main lessons learned from the COVID-19 pandemic. On 31 March 2023, the lesson learned document was submitted for review and adoption by the Members and was circulated in document [G/MA/409](#) on 20 April 2023, as agreed by the Members.

15. At the meeting of 26-27 April, the Committee took note of an updated report by the Secretariat summarising export restrictions and trade easing measures relating to the COVID-19 pandemic ([G/MA/W/168/Rev.4](#)). In addition, the Committee took note of an updated document listing all notifications which had been submitted by Members to the Committee on Market Access relating to COVID-19 ([G/MA/W/157/Rev.6](#)). It was agreed that these documents would only be updated if the Secretariat received additional information from Members about these measures.

16. At the meetings of 26-27 April and 16-17 October, the Committee took note of the statements by a representative of the World Customs Organization (WCO) on the 71st and 72nd sessions of the Harmonized System Committee (HSC), where negotiations were ongoing with respect to the classification proposals of certain COVID-19 essential goods based on the communication sent by the CMA to the HSC<sup>6</sup>, and other matters of interest to the Committee.

## MC12 IMPLEMENTATION MATTERS – IMPROVING THE FUNCTIONING OF THE COMMITTEE

17. At its informal meetings of 21 February, 3 July and 18 September, the Committee conducted discussions on how to improve its functioning, following instructions by the Chairperson of the Council for Trade in Goods. Three main documents were prepared under the Chairperson's responsibility to compile Members' submissions and inform the Committee's discussions: (i) the preliminary list of issues for discussions ([JOB/MA/162](#)); (ii) the table with the current status of work by the Committee after its informal meeting of 3 July 2023 ([JOB/MA/165](#)); and (iii) the proposals adopted by the Committee following written procedures ([JOB/MA/166](#), [JOB/MA/166/Corr.1](#), and [G/MA/411](#)).

18. At its formal meeting of 16-17 October, the Committee took note of the Chairperson's report in relation to this work and adopted the Committee's report to the Council for Trade in Goods, as circulated in document [JOB/MA/170](#).

## THEMATIC SESSIONS

19. On 9 February, the former Chairperson started consultations with Members on whether the Committee should engage in a technical dialogue, either through experience sharing sessions or other formats, and on which topics (see [RD/MA/110](#)). At the informal meeting of 3 July, the Chairperson invited Members to submit concrete proposals for thematic sessions based on the list circulated in [RD/MA/110](#) or other topics of interest. At the informal meeting of 18 September, the Committee considered a proposal by the United Kingdom on thematic sessions on supply chain resilience ([JOB/MA/167](#)). On 2 October, the Chairperson organized informal open-ended consultations to further discuss the UK proposal. At its formal meeting of 16-17 October, the Committee took note of the Chairperson's report on the informal consultations and agreed to hold

an introductory session on supply chain resilience with the participation of other international organizations on 21 November 2023.

## DATABASES

20. At its formal meetings in 2023, the Secretariat reported on the status of work concerning the Integrated Data Base (IDB) and the Consolidated Tariff Schedules (CTS) database. The reports provided information on, *inter alia*: the use of information in the databases; the Members that have concluded an agreement for the automatic transmission of data; the status of software development and technical assistance. The Committee also took note of the documents which reflected the status of submissions to the IDB ([G/MA/IDB/2/Rev.57](#), and [G/MA/IDB/2/Rev.58](#)).

21. At its meetings of 2023, the Committee took note of a report prepared by the Secretariat pursuant to paragraph 16 of the IDB Decision (G/MA/367), which requires the Secretariat to maintain a list of Members' official websites in which tariff information or import data are publicly available ([G/MA/IDB/W/13/Rev.8](#) and [G/MA/IDB/W/13/Rev.9](#)).<sup>7</sup>

## OTHER ACTIVITIES

22. On 6 February 2023, the Secretariat gave a presentation on the work of the CMA to the LDC Group.

23. On 24-26 April, the Secretariat organized a Capacity Building Workshop on the Notification of Quantitative Restrictions.<sup>8</sup> The objective of this workshop was to train capital-based officials in charge of the QR notifications to prepare such notifications for the first time, or to improve existing ones.
